

# How to fondle a cat in Adorable Home is easy to get a heart

The cats in Adorable Home are mostly lucky, but with the tips below I hope you will not get lightning when stroking cats in the game.

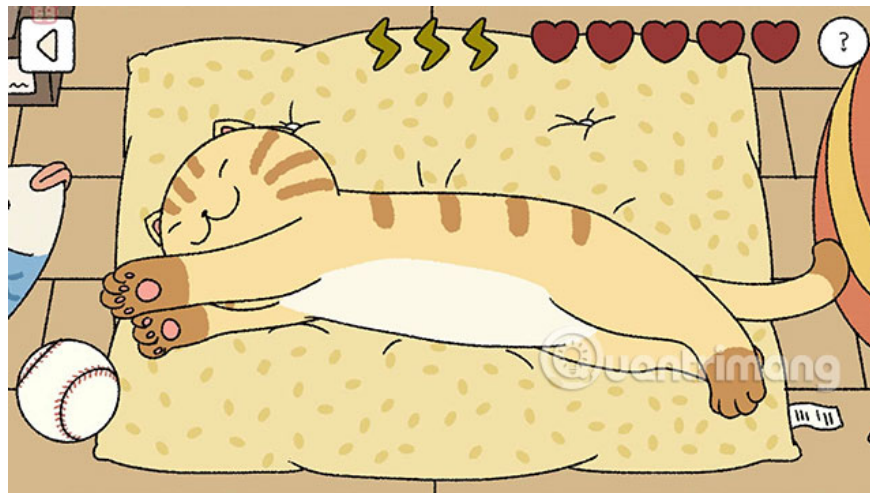

Stroking cats in Adorable Home seems like a game many players call bad luck. In fact, if you know how to poke cats in Adorable Home in the right place, they will still release your heart.

Most cats in the Adorable Home prefer to touch different parts of their body. However, many cats are liked to touch only one point on their body, but Elisabeth is still the most difficult of all.

If you are new to cats and have consulted the Adorable Home gaming guide and found it difficult and frustrating to cuddle, try the following methods.

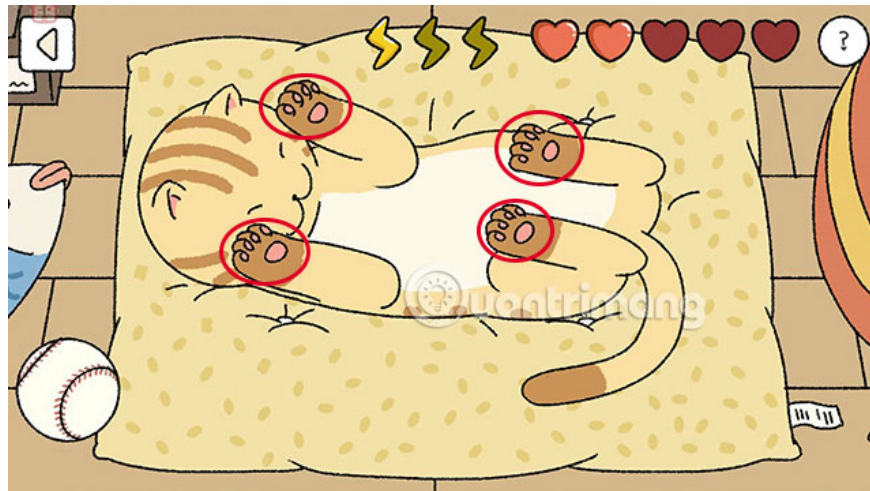

## How to pet Adorable Home properly

As shared in previous posts, you need to know that cats will like to touch only one spot on their body. That is, if you have touched their body, then in all other positions they just like to touch the body only. For example only in the legs or head, or

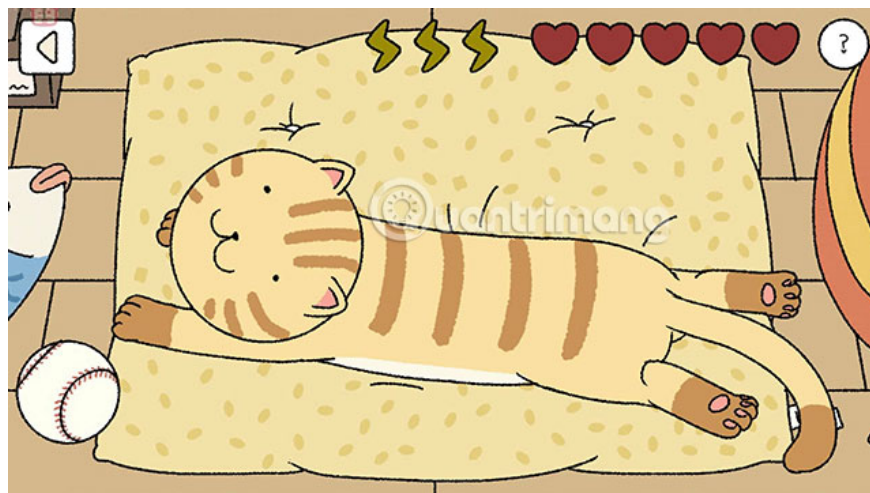

Similarly, if you see your heart rise when you touch their feet, they just like to touch their feet. Either they just like to touch the tail and hind legs, or the head and hind legs.

But there is one position that you can easily find when stroking cats. It is the supine position as shown in the picture. They love to touch the foot pads as shown in the picture, but this only happens at certain times of the day.

Don't worry because when you touch the first animal in this position and you have a heart, most of the rest will have a heart to touch. Not to mention you can touch their bellies and heads to earn more hearts as they lie on their backs like above.

At least you will earn 2 positions of this position of the bosses, where, then touch the other parts of them. If you touch only 2 feet in this position without any heart, then you will not only not find the heart, but also get the cat's lightning.

If you are too struggling to bathe and trim your cat's nails, then take a look at some of the cat bathing and clipping tips in Adorable Home.
