

# How to get a list of free games, games for sale on Steam

This is how you can get free paid games, or you only pay a very low fee on Steam

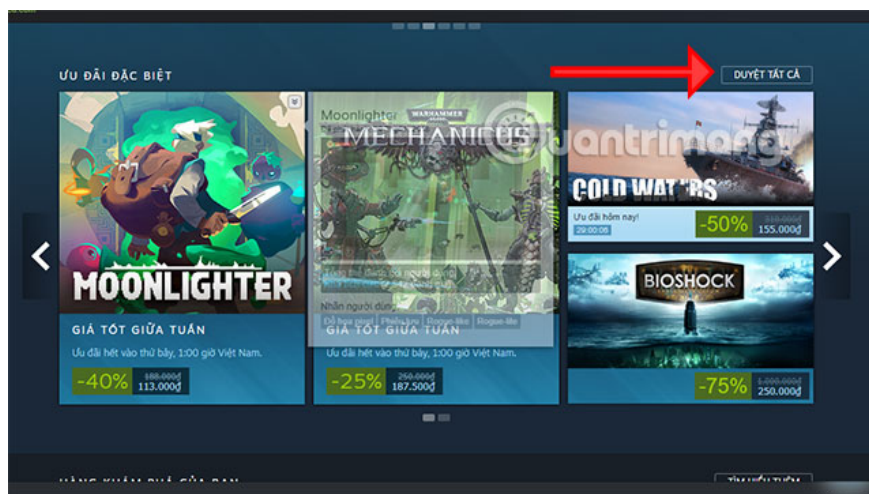

Steam has two types of games, one is a paid game and a paid game, free games you can select in the Play menu for free and choose each game type. If you want to find a game with a lot of players, you can select the Selling item, in this section are the games with many players sorted from multiple to few players.

Of course these two types of games are not all free games bad and not all paid games have good gameplay, but wasteful games are still more attractive. Not to mention there are free games for sale, if you do not know how to find free or low-cost games, check out the guide below to find games for sale on Steam or games with great promotions. .

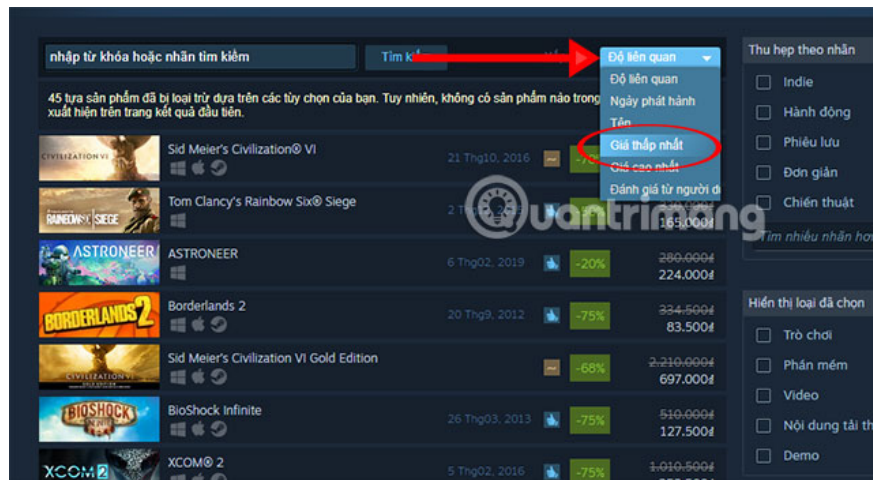

1. How to register a Steam account on your computer?
2. How to optimize Steam download speed in Windows 10
3. How to use Steam Play to play Windows games on Linux

## Instructions on how to get free game, sale game on Steam

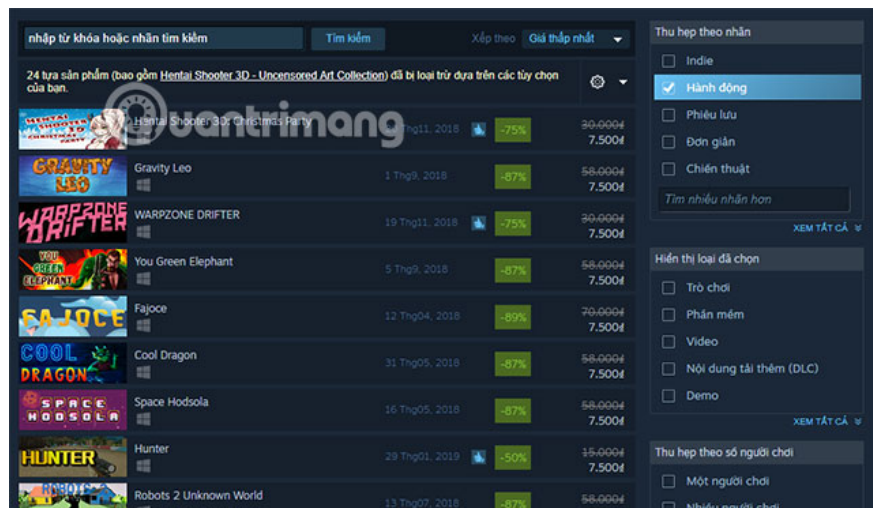

**Step 1:** You can view Steam's special promotion program on the website or in Steam installed on the PC, scroll down a bit and you will see the Special Offers right away, click **Browse all** to see the list. Game books are on sale.

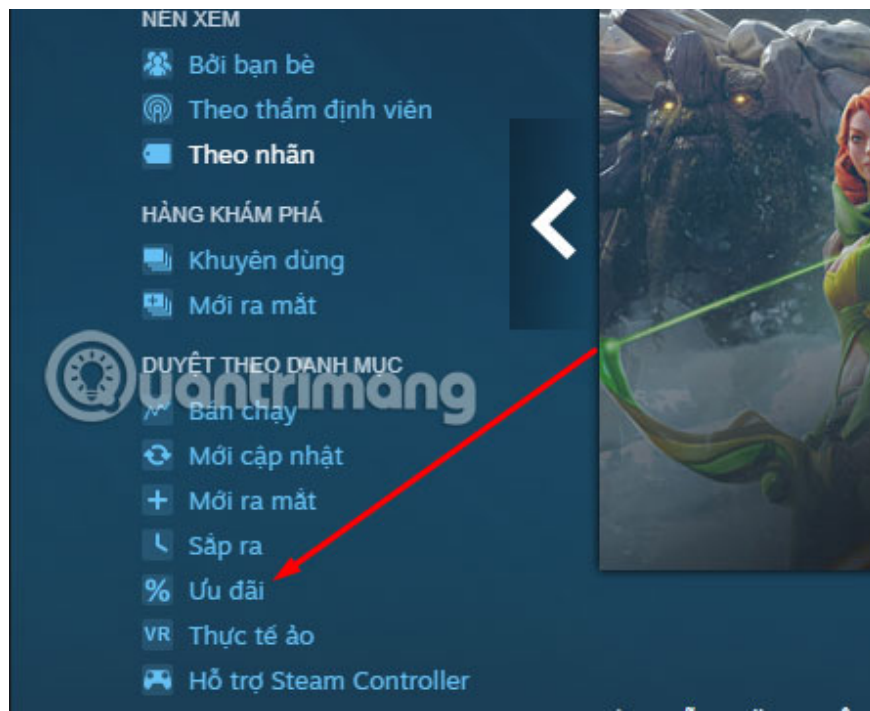

**Step 2: Go to the** list of preferential games you will see first are hot and famous titles. Click on the Relevance menu and select **Lowest price** .

In the lowest price game menu, you will see games with great deals or low prices, but usually in this menu will include the lowest-end games. On the left, you can see the category of games, videos, DLC expansions, demo versions or software . If you want to find something, just tick the box to find it.

If you do not see the list showing preferences, please click on the **Preferences** in the Browse menu by category.

Often the free games in the paid list will be announced in many different sources, the search for the sale titles, you can only find titles with great deals only. However, there will be quite attractive mini-style games that you can download and experience at a price of just one breakfast.
