

How to Get and Use Glimmering Pet Shard in Grow a Garden

Let's find out how to get the Glimmering Pet Shard and how to use it to optimize your garden.

The latest Fairy Event in Grow a Garden has brought a super hot feature – Glimmering Mutation. These mutant plants are sought after to complete quests in the Wishing Well, and you'll need plenty of them in your garden.

This is where the Glimmering Pet Shard comes in, allowing your pet to automatically generate the Glimmering mutation. Let's find out how to get the Glimmering Pet Shard and how to use it to optimize your garden. Don't forget the Fairy Targeter Grow a Garden and the Grow a Garden code .

How to get Glimmering Pet Shards in Grow a Garden

To get the Glimmering Pet Shard, you need to complete the quests at Wishing Well. Here are the simple steps to get this item:

To Wishing Well:

1. Find the Wishing Well in the center of the area. You will see the requested plants displayed right in front of the well.
2. Bring a plant with Glimmering Mutation to submit and receive a reward.
3. Alternatively, you can turn in all plants with Glimmering Mutation to increase Fountain Power, thereby earning rewards.

Select Reward:

Each time you complete a set of tasks, you get to choose one of three rewards displayed on the screen.

The chance of receiving Glimmering Pet Shard increases with the quest level:

1. Tier 1: No chance.
2. Tier 2: No chance.
3. Tier 3: 1.72%.
4. Tier 4: 3.03%.
5. Tier 5: 6.25%.

What is the Glimmering Pet Shard used for?

Glimmering Pet Shard	Details
Ability	Every 24.5 minutes, pets will automatically apply Glimmering Mutation to nearby plants.

How to use:

1. Once you have the Glimmering Pet Shard, hold this item in your hand and left-click on the pet you want to attach.
2. Pets will change color to a bright pink and gain the ability to automatically apply Glimmering Mutation to plants.

Should I hunt for Glimmering Pet Shards?

Definitely yes, this is an extremely valuable item in Fairy Event.

1. **Initial Benefits:** While the Glimmering mutation may not be very profitable in the early stages, you can increase the mutation multiplier by spending Fairy Points at the Fairy Godmother.
2. **Increased Farming Efficiency:** Attaching this shard to your strongest pet will slightly increase the chance of Glimmering Mutation appearing on your crops. This allows you to deposit more plants at the Wishing Well and receive more valuable rewards.
3. **Maximize Profits:** Once you've earned enough rewards from the event, focus on collecting more Fairy Points to upgrade your Glimmering Mutation multiplier, thereby increasing profits from mutant plants.

So now you know how to hunt and use Glimmering Pet Shards in Grow a Garden! This item not only helps you complete the Wishing Well quest easier but also opens up opportunities to farm better rewards.
