

How to get Celestial Token Blox Fruits and how to use it

Celestial Token in Blox Fruits: farm NPC, fish, defeat RIP Boss and spin Gacha to receive rare gifts

The RIP Event has just arrived in Blox Fruits and has brought a new currency: Celestial Token. This is an extremely important event token, used to exchange for devil fruit skins, rare gear, and many limited gifts.

Players can farm Celestial Tokens by defeating NPCs, fishing, or defeating the RIP Commander boss. Once you have tokens, you can use them to spin the Celestial Gacha, which contains exclusive items. This article will guide you in detail on how to get Celestial Tokens in Blox Fruits and what you can do with them. Don't forget to get Blox Fruits codes .

Some ways to earn Celestial Tokens in Blox Fruits

To begin, you must open the Celestial Realm. Open the compass on the left side of the screen, select the purple icon, and follow the instructions. When you meet the Celestial NPC, talk to him and select Yes to be taken to the Celestial Realm.

1. Defeat Celestial NPC

The fastest way to farm tokens is to defeat Celestial Soldiers in Celestial Island. Celestial Soldiers are scattered all over the island, and each time you defeat a soldier, you will immediately receive 10 Celestial Tokens.

2. Fishing with Celestial Shell Rod

Another way to farm is fishing. First, you need to get a Shell Rod, then find the Celestial Fisherman. Give him some Celestial Fish to enchant the fishing rod into a Celestial Shell Rod. From then on, you can fish right in the Celestial Realm. Every time you catch something, you can exchange it with the Fisherman NPC for 10 Celestial Tokens.

3. Defeat Boss RIP Commander

The RIP Commander boss will appear once every hour in the Celestial Realm. Defeating this boss will reward 300 Celestial Tokens and has a chance to drop an additional Summer Token. To keep track of the boss's spawn time, check the countdown timer at the top of the screen.

4. Celestial gacha

In addition to farming methods, you also have the chance to win 500 Celestial Tokens instantly through the Celestial Gacha NPC. However, each spin will cost 250 Celestial Tokens, so this is both a risky and expensive form.

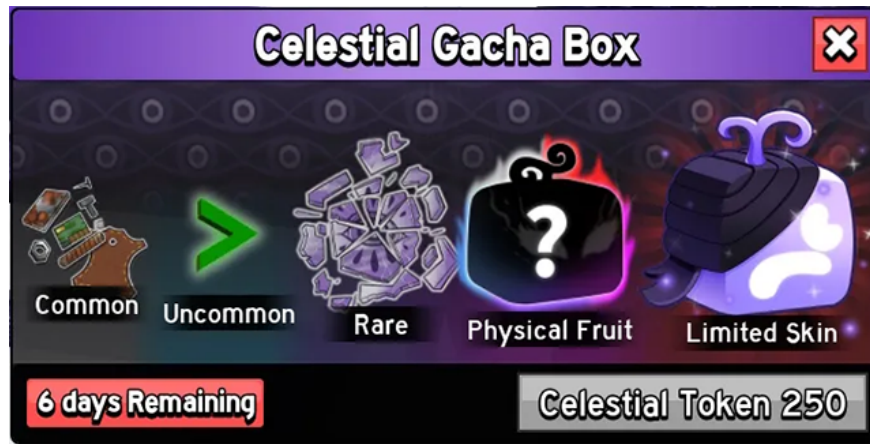

How to use Celestial Tokens in Blox Fruits?

Celestial Token is mainly used to spin Celestial Gacha. This NPC stands opposite Celestial Fisherman in Celestial Realm.

Before spinning, you can enter the Blox Fruits code to increase XP, making it more convenient to farm tokens. When talking to NPC Gacha, select Continue to open the spinning menu.

You are allowed to spin up to 10 times within 2 hours. Each spin costs 250 Celestial Tokens. The NPC also displays your remaining spins.
