

How to get Chicago Sweeper RE4 Remake, unlock Chicago Sweeper RE4

The Chicago Sweeper is a replacement gun for the Chicago Typewriter from the original version. Chicago Sweeper vs. Chicago Typewriter has a longer and heavier weapon than the original.

Even though Resident Evil 4 has been remade countless times since its initial release in 2005 on the Nintendo GameCube, it hasn't stopped fan excitement for this 2023 remake.

Using Capcom's latest in-house technology called RE Engine, Resident Evil 4 Remake has proven to be a huge success among both critics and fans alike. In fact, Resident Evil 4 Remake sold over 3 million copies in its first two days of release and quickly outstripped the GameCube version.

The game retains much of what made the original so popular with gamers. Leon Kennedy's mission is still to rescue the President's daughter from a new outbreak called Las Plagas in an unnamed rural village in Spain. However, Capcom has made some updates and improvements to the entire game. Including control mechanisms, movements, graphics.

In typical Resident Evil fashion, fans and horror gamers are encouraged to play through RE4 multiple times to increase their score and unlock additional content in the game. The unlockable content will include the Chicago Sweeper submachine gun. Here's how to unlock the Chicago Sweeper in RE4.

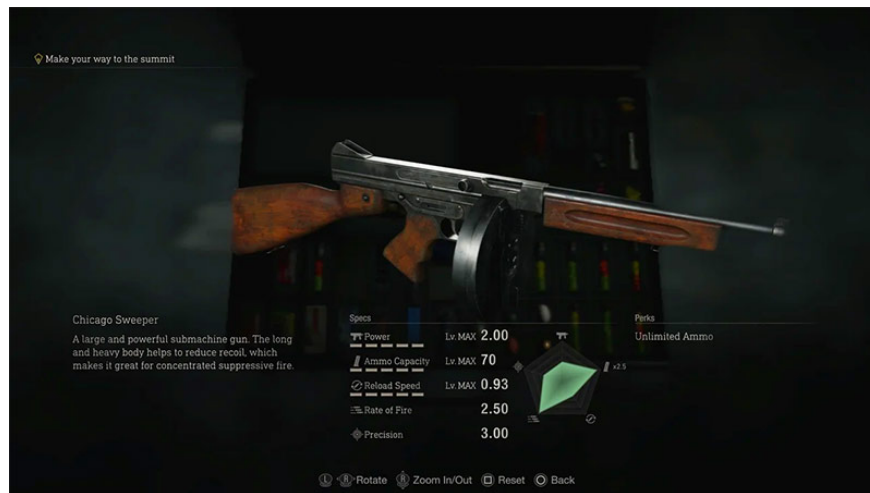

How to unlock Chicago Sweeper RE4 Remake

The Chicago Sweeper is a replacement gun for the Chicago Typewriter from the original version. Chicago Sweeper vs. Chicago Typewriter has a longer and heavier weapon than the original. The "Tommy Gun" style that the Chicago Sweeper possesses reduces recoil and is very suitable for suppressing enemies in the game.

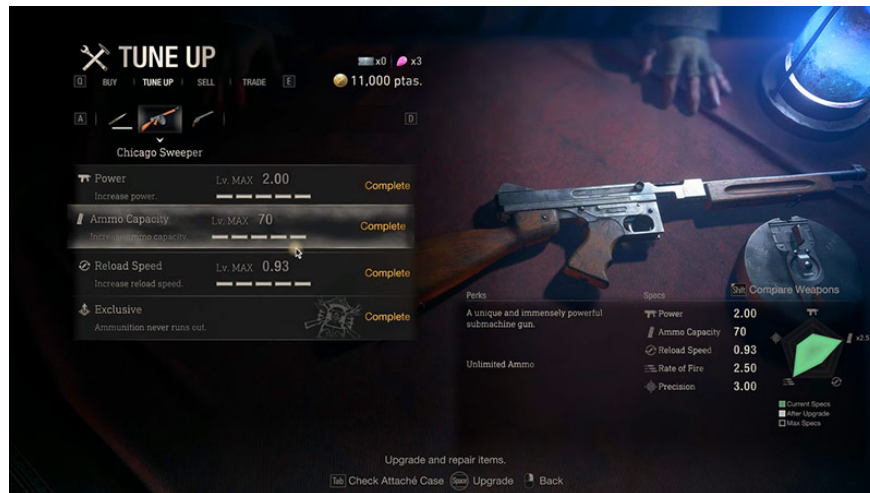

To unlock the unique Chicago Sweeper, players need to complete Leon "A." Kennedy Challenge. To do this, RE4 Remake's story needs to be completed on Professional difficulty level and you must achieve an overall A rating.

It's worth noting that Professional difficulty only appears when you "clear" RE4 once. So you have to clear the game at least twice to get this "Tommy Gun", in addition, the A rating requirement for professional difficulty means you have to complete the story within the time limit. less than 7 hours.

After achieving the goal set by the game developer, Chicago Sweeper will appear in the save game typewriter. You can sell it for 25,000 pesetas, and buy it back for double the price.

Chicago Sweeper upgrades its damage, number of bullets, reload speed and maximum fire rate to level 5. However, what is notable here is that the default Fire Rate is already at 2.5, so you can There may be no need to upgrade this index.

The default number of bullets is 50 and can be increased to 70, while the damage is 2.0 and the reload speed is 0.93. Of course, with its exclusive upgrade, the Chicago Sweeper will be a gun that will naturally become one of the best guns in Resident Evil 4 Remake. Although it is only effective at medium to close range.

Additionally, the Sweeper comes with an exclusive upgrade after fully upgrading the weapon or using an exclusive Upgrade Ticket sold to you by the merchant. This upgrade gives the weapon unlimited ammo, similar to the other three special weapons in Resident Evil 4 such as **the Rocket Launcher in RE4 Remake**, and you may need to **go back to where you were in RE4**. to complete the content of a map.
