

# How to get Fall Energy in Grow a Garden

The Fall Market 2 update in Grow a Garden brings the Fall Harvest NPC along with a special quest system for players to collect Fall Energy.

The Fall Market 2 update in Grow a Garden has officially launched, bringing new stalls and many items for players to collect. Along with that is the appearance of the NPC Fall Harvest, where you can take on special activities to earn more rewards.

To own valuable items, players need to collect Fall Energy every day. So how to get this energy source? Let's see the details, don't forget to get the Grow a Garden code .

## Quick Summary

1. Complete Fall Harvest quests to earn Fall Energy in Grow a Garden.
2. Quests refresh daily, reward 10–25 Fall Energy.
3. Collect Fall Energy to unlock a reward from the reward board every 24 hours.

## How to get Fall Energy in Grow a Garden

Players can earn Fall Energy by completing Fall Activities missions tied to the Fall Harvest event. Here's a step-by-step guide on how to check missions and claim rewards.

## How to View Fall Activities in Grow a Garden

Currently, the only way to earn Fall Energy is through the Fall Activities task. To view these tasks, follow these steps:

1. Go to the NPC Fall Harvest located across from Fall Tree. He sits behind a counter with two signs on either side.
2. Press E to interact and select See Activities.
3. The Fall Activities panel will now open, showing you the tasks you can complete to earn Fall Energy.

## How to get rewards from Fall Activities in Grow a Garden

Now that you know how to check the quest, here's how the system works:

1. Quests include opening Fall Seed Packs, using Rakes from the Fall Gears shop to 'tease' other players, or opening Firefly Jars to release glowing fireflies. Most quests involve items in the Fall Festival Shops.
2. Completing a Fall Harvest activity will reward 10–25 Fall Energy. The quest will then be automatically replaced with a new quest, an unlimited number of times within 24 hours.
3. After 24 hours, all Fall Activities quests will refresh. You can also refresh them yourself by paying 50K Sheckles (first time). Note: when you refresh, all three quests will change.
4. Players can check the left panel of the Fall Harvest NPC to track their total accumulated Fall Energy and view the rewards at each milestone. Remember, Fall Energy will be reset to 0 every 24 hours.
