

How to get food for Pet in Coin Master

To find snacks for animals in Coin Master, you can refer to the instructions in this article to keep your animals awake and support you to destroy the village.

Pet in Coin Master need food to work, they can help you when stealing. Assist you when demolishing your home and protecting your home from attacks. Obviously, these will be the powerful helpers you need to have in the journey to steal and destroy your friends' houses.

But in order for them to accompany you in Coin Master, you must raise them. Without food they will be hungry and do nothing. There are two types of food, called Coin Master Snack, that you can feed them, which is free food and food you buy.

With free food, they only work for 15 minutes to collapse again, and it takes 24 hours for you to feed them again. As for the food you buy, they can stay awake for up to 4 hours, helping you play Coin Master more effectively without having to block Coin Master's friends to prevent house demolition.

So how to find food for animals in Coin Master, you can refer to the tips below this article.

How to get food for animals in Coin Master

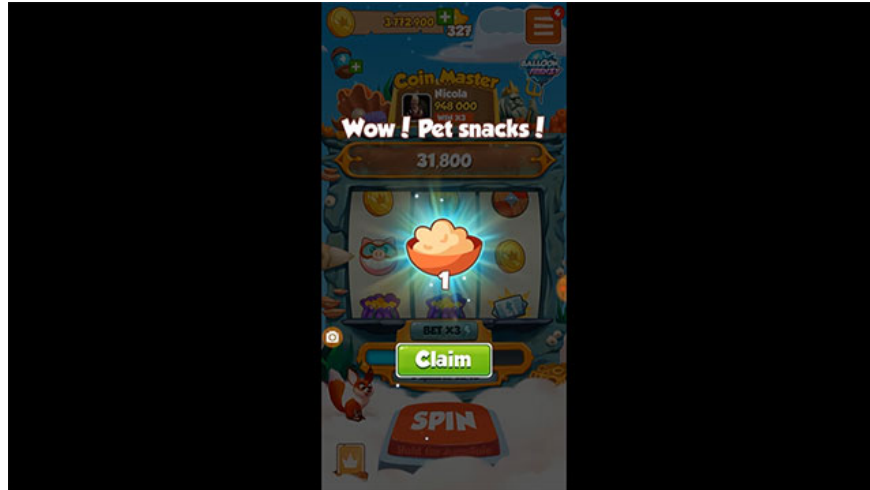

Buy food for animals Coin Master

This is the fastest way you can buy pet food, this will always ensure that you will dig the last hole, attack your friend's house and protect your home well.

You can buy it all at once, if you don't play for a long time then use free food every 24 hours. There is no fear that you will lose your food purchased in Coin Master.

Spin the Coin Master spin to get animal food

You can also get pet food by spinning spin in Coin Master. Receiving pet food when filming has a very low rate. Mostly you can get it from in-game events, however, this camera cannot guarantee you a sufficient amount of food. Even when in the event.

In fact, without Snacks to raise pets, you can still play freely if there are enough turns. Although Foxy can dig a lot of money, Tiger can help you attack and increase your bonus, Rhino helps you prevent an attack.

Or if you have a bug that Coin Master can't access but feeds them, then of course the food you buy is more beneficial. Because when you've fixed the error and enter the game, they are still more to support you than free food in just 15 minutes.

Depending on your playing time, you should use the methods of collecting pet food in Coin Master so that they can best support you in the game.
