How to earn free Gems in Empires & Puzzles

1. Perform the wanted duties

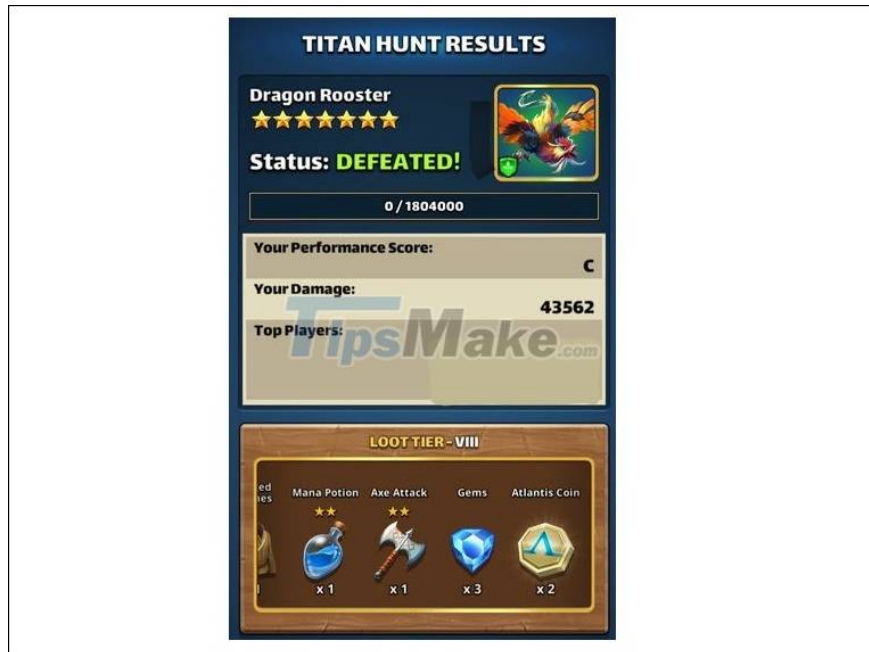

Every day, you will see chests appear on the left side of the screen while you are in your stronghold - these are wanted quests, which require you to kill a certain number of heroes or monsters of enemy. Complete these missions and you will be rewarded with gems.

2. Complete the gem quests

During the game, you will receive a number of missions that are rewarded with gems. They appear once a week. There are 2 different versions, Collect Gems I and Collect Gems II. You will have to face natural and dark monsters along with fire bosses. Therefore, if your team has strength close to or below the required level of 2600, you will need to tailor your hero lineup to be able to cope with these challenges. And after completing the mission, you will get the amount of gems worth the effort you put in.

3. Defeat the Titans

Titans are a great resource for farming gems in Empires & Puzzles. You will not only get 3-10 Gems per defeat a Titan (depending on Titan rarity), but also receive a large amount of gems from the Titan Chest.

4. Level up

You will also receive bonus Gems every time you level up. Each new level will give you 50 Gems and every 50 levels will have some great perks. Level 150 gives you 500 Gems and level 200 gives you 800 Gems. These level markers may sound quite remote to reach, but then one day you will pass and bring back this huge amount of gems.

5. View advertisement

See ads that benefit both sides, help game developers earn revenue and you will receive small benefits such as Gems, remedy or stone shards.
