

How to get free Minecraft Earth skin

With Microsoft Xbox Live account you can get Minecraft Earth skin for free easily

Minecraft Earth is an enhanced virtual reality technology (AR) game based on the main game Minecraft. Similar to Pokémon Go, players can build their favorite buildings in the real world instead of through the in-game world.

Minecraft Earth is expected to be released on Android 7 and iOS 10 and above and will support ARkit and ARcode. If you play Minecraft Earth on older devices that do not support augmented reality framework, you will not be able to play Minecraft Earth.

In addition, Microsoft allows players to register at Minecraft Earth website. After signing up for Minecraft Earth's free skins, you will get free skins for Minecraft Earth Bedrock.

To get the free skins of Minecraft Earth, you need a free Xbox Live account and both Android 7 or iOS 10 or higher devices. Please follow the instructions below to receive Minecraft Earth skins.
