

# How to get free Victor characters in PUBG Mobile

You can get Victor character and his costume in PUBG Mobile for free according to the instructions in this article.

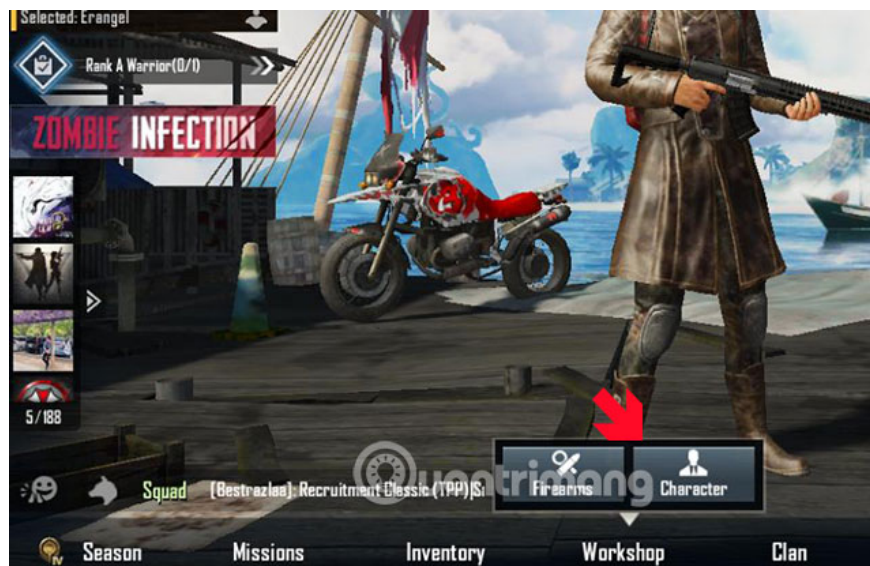

The new Victor character appearing in PUBG Mobile version 0.14.0 is introduced as a special skill character that can accelerate the reload of SMG guns. However, this special skill is only available in EvoGround and has no effect in Classic mode.

At the first level, the time to replace SMG gun at the first level will be reduced by 4% and will continue to decrease if the character reaches the next level. You can get free Victor in PUBG Mobile through the instructions below this article.

## How to get free Victor PUBG Mobile characters

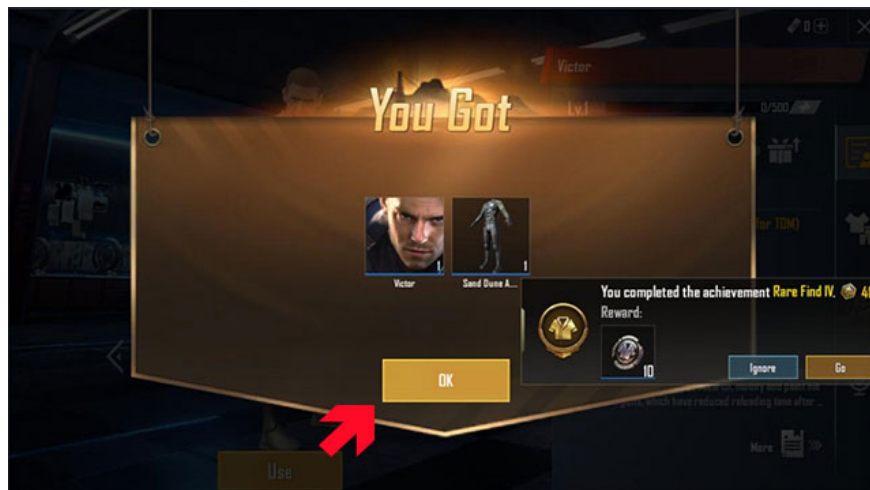

**Step 1:** In the main interface, select **Workshop** > select **Character** .

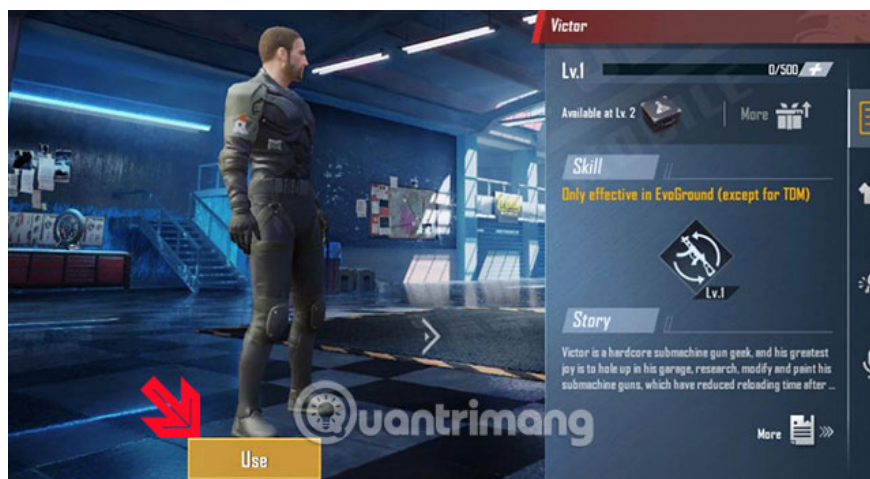

In the character section, click **Get for free** to receive Victor characters.

In addition to the Victor character, you will also receive a suit just for this character. Click OK to finish.

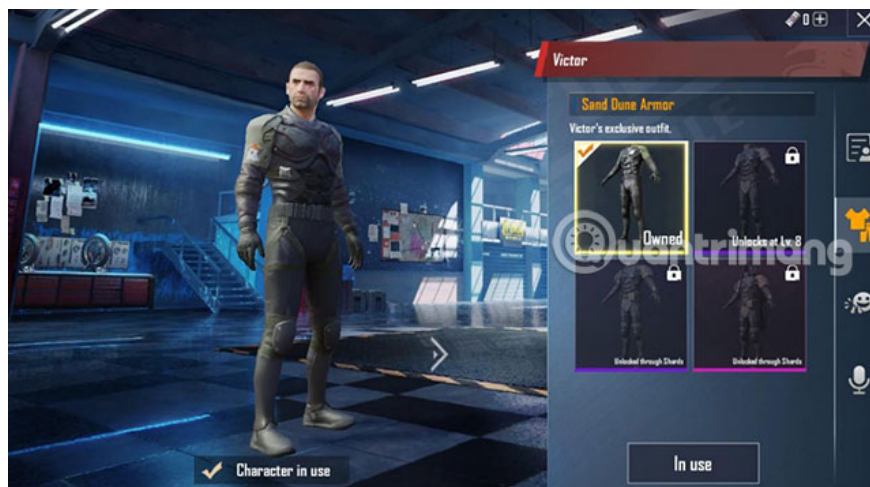

Then return to the character interface, click **Use** to use this Victor character.

In addition to the first costume you can get for free, you will have the opportunity to receive 3 more cool costumes.

The second set unlocks when you level 8 and free, while the two below sets only unlock when you have character pieces. Characters you can collect during activities in the Events section.

This Victor character will be set level, when increased by 1 level will receive equivalent rewards. And when reaching the maximum level (level 10) there will be special rewards.

So you can own Victor character for free in PUBG Mobile already, though it only works in EvoGround mode, but it is also quite cool in Classic mode and Entertainment mode.

In addition to receiving the free Victor character in this new version of PUBG Mobile, you can also get free rewards by exchanging IPs through other countries to receive skins, silver pieces, BP, inventory boxes .

Please refer to how to receive reward when fake ip PUBG Mobile in article [How to Fake IP Russia to receive gifts in PUBG Mobile](#). You can also change to other countries in the same way.
