This is a way to get rewarded in PUBG Mobile when you find Graffiti Godzilla in PUBG Mobile

Godzilla blockbuster will start at the box office on May 31, promising to explode screens around the world in the summer. And to promote the film more broadly, Warner Bros decided to partner with Tencent to put Godzilla images into PUBG Mobile.

In addition to the image of Godzilla printed on a T-shirt, Godzilla's Graffiti will appear on the Miramar map. Not only Godzilla but other super monsters will also appear at this Miramar map.

However, when found, many people just glance and think that these images are only allowed to enter the map for gamers "check-in" only. In fact, this is the key to help you get the rewards in the mystical event in PUBG Mobile.

Players who find Godzilla Graffiti images will receive mystical event rewards taking place in the game. But many players still don't know PUBG Mobile's Miramar Graffiti Godzilla and how to get rewarded. Below is a guide to getting rewards when you find Godzilla in PUBG Mobile.

## Instructions for getting rewards when you find Godzilla in PUBG Mobile

First you need to find out where the Godzilla appear in the Miramar map. There will be pictures in the hot area, and there are also images that appear in the area at the edge of the map. The advice for you is to switch to a little play mode so that you don't affect the rank of the end of your season.

If you do not know which area of ??the Graffiti appears in PUBG Mobile, please see the location in the Godzilla Picture Composite article in PUBG Mobile.

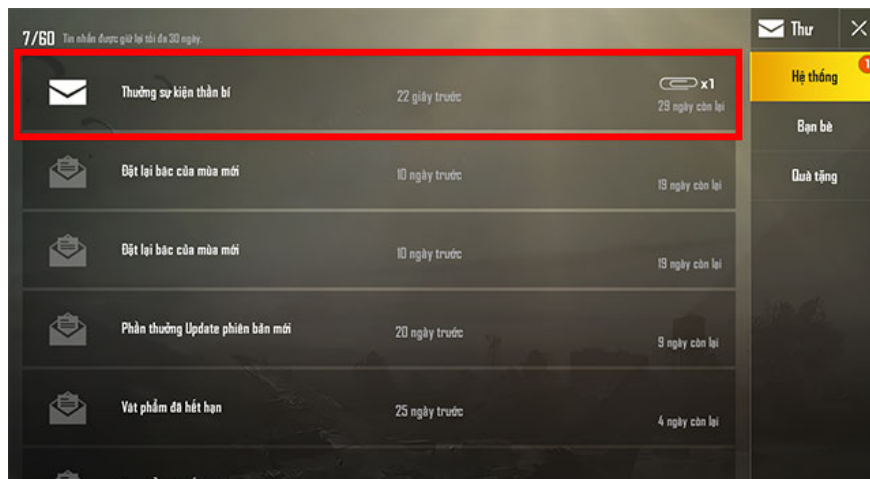

On another note, before you find Godzilla or other monsters, you need to loot some **grenades or petrol bombs** . After the loot is ready, please approach the monster.

Move to show the **Investigation** button in the position shown below. Click on that button and use a grenade or a petrol bomb to kill yourself right below the monster's picture. If you play on the emulator, press **Ctrl** and click on it.

Finally, go to your mailbox to receive gifts from the mysterious event. The reward will be given randomly to the player, it may be a silver piece, if lucky, you will receive Skin gun for free.

Above is how to get reward when you find the Graffiti image of Godzilla, the reward is not great. But for gamers who do not use "gods", they should not be overlooked when they see any Graffiti Godzilla in PUBG Mobile.
