The screenshot shows a checkout page for TipsMake.com. At the top, there is a section titled "Secure Credit Card" with three input fields: "Credit Card Number" (with a subtext "The 16 digits of your credit card"), "Card Security Code" (with a subtext "The 3 or 4 digits displayed on the back of your card"), and "Expiration Date" (with dropdown menus for "01" and "2019"). Below these fields is a table showing the purchase details:

Roblox Premium 1000	\$9.99
Balance Due:	\$9.99

Below the table is a green "Submit Order" button. At the bottom of the form area, there is a disclaimer: "*By clicking 'Submit Order', you authorize us to charge you \$9.99 automatically until you cancel. You acknowledge that you understand and agree to the Terms." The TipsMake.com logo is visible in the background.

Enter payment information. This typically involves entering the card number, expiration date, and cardholder name for credit/debit cards, while Paypal and Rixty users simply need to log in to their respective accounts to verify the amount.

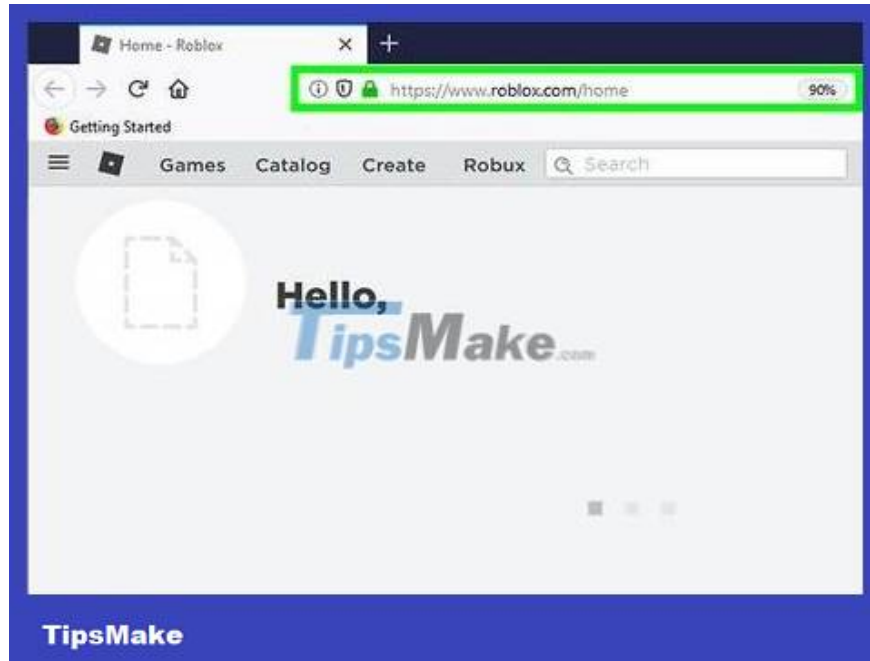

If you use a Roblox card, you just need to enter the card number.

This is an identical screenshot to the one above, showing the checkout page for TipsMake.com. It includes the "Secure Credit Card" section with input fields for card number, security code, and expiration date. Below that is a table showing "Roblox Premium 1000" for \$9.99 and a "Balance Due" of \$9.99. A green "Submit Order" button is prominently displayed. A disclaimer at the bottom states: "*By clicking 'Submit Order', you authorize us to charge you \$9.99 automatically until you cancel. You acknowledge that you understand and agree to the Terms." The TipsMake.com logo is also present.

Click Submit Order . This green button is on the right side of the page. After clicking on it, the version of the selected Builder's Club package will be purchased and the corresponding amount of Robux will be added to your wallet every day.

If you want to cancel your membership at any time, you can click the Settings gear, click **Settings** , select the **Billing** tab, and click **Cancel** Membership.

Buy Robux

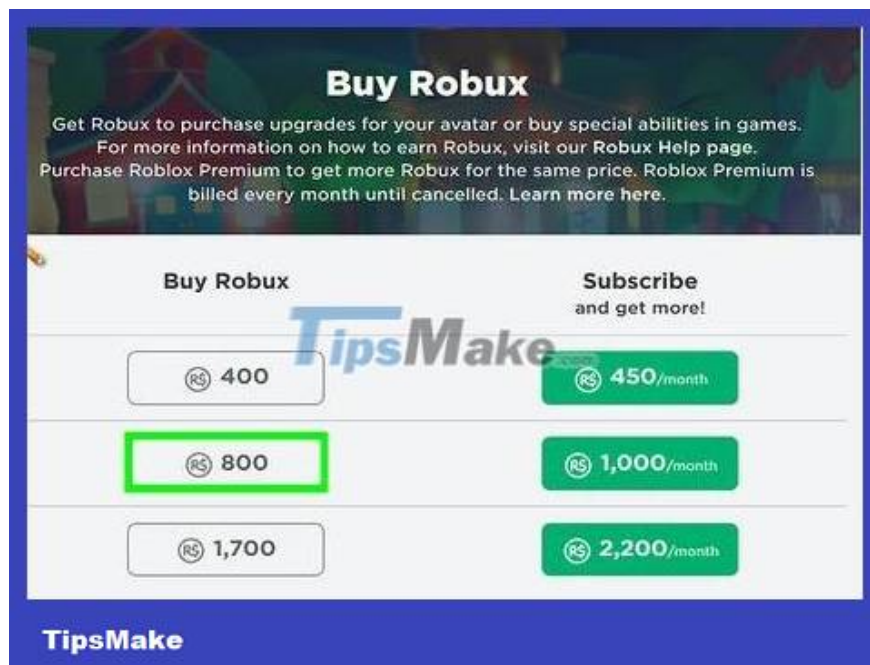

Open the Roblox website. Go to <https://www.roblox.com/home> using a web browser. If you have logged in to Roblox, the home page will appear.

If you are not logged into Roblox, you need to enter your username and password in the top left of the page and click **Sign In**.

Click the Robux tab at the top of the Roblox page, just to the left of the search bar.

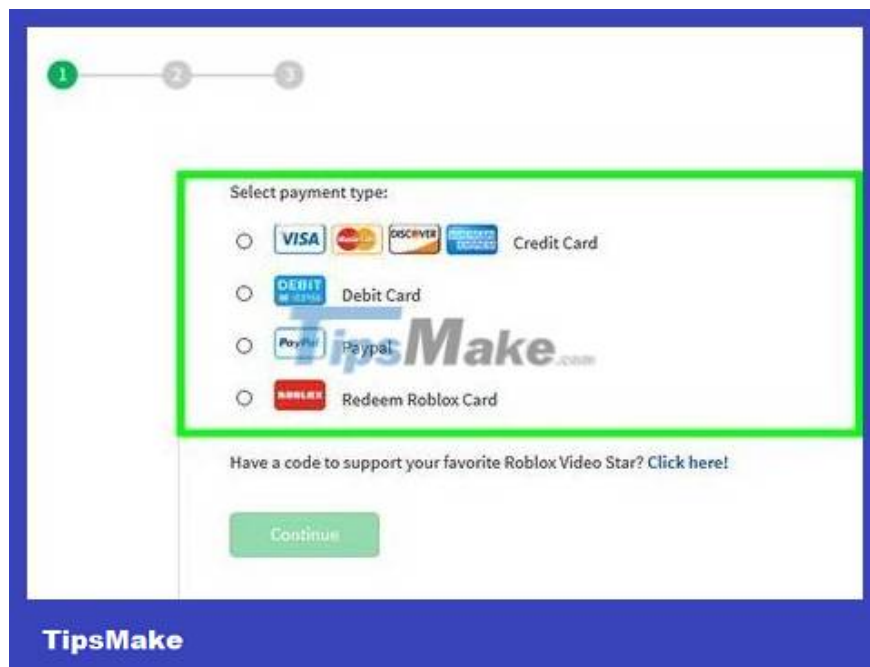

Find the number of Robux you need to buy. Different Robux amounts will be listed on the left side of the page.

If you're already a Builder's Club member, you'll get more Robux per price than if you purchased independently.

Click Buy for . This green button is on the same line with the price, to the right of the Robux number you choose.

For example, if you buy 400 Robux for \$4.95 (about 114,000 VND), click **Buy for \$4.95** (Buy for \$4.95).

Select a payment method. Check the bubble to the left of one of the following options on the right side of the page:

Credit - Pay by credit card.

Debit - Pay with a debit card.

Paypal - Use Paypal to pay.

Roblox card - Use gift card balance.

Rixty - Pay in Rixty online currency.

Click Continue below the payment method column.

Sell ??items

You need to make sure you are a Builder's Club member . To create and sell items on the Roblox marketplace, you must be at least a level 1 member in the Builder's Club.

You need to make sure you have items to sell. For example, you can create a custom shirt (or set of pants) and post it to your profile; After that, you will be able to sell at will.

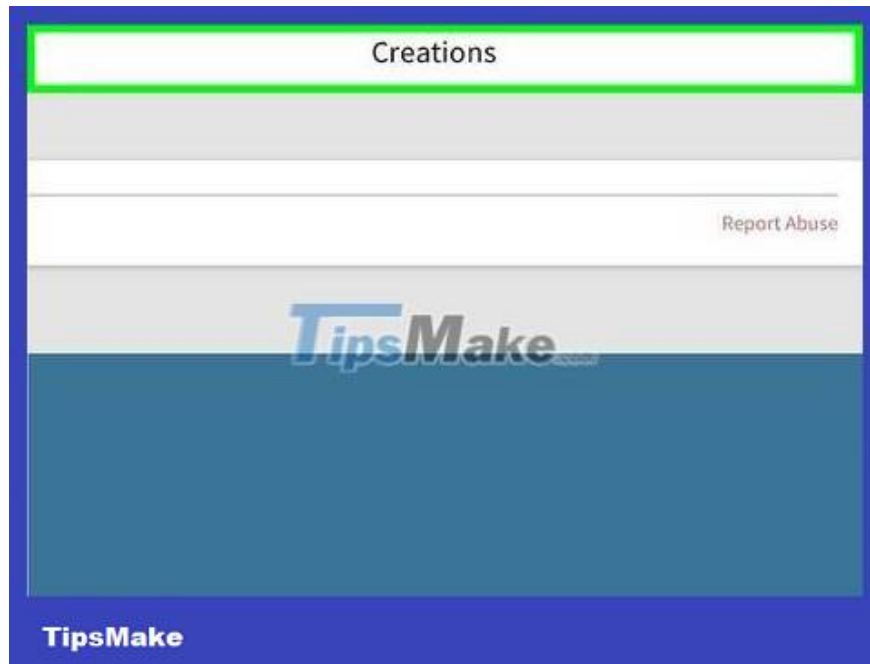

Open the Roblox website. Go to <https://www.roblox.com/home> using a web browser. If you have logged in to Roblox, the home page will appear.

If you are not logged into Roblox, you need to enter your username and password in the top left of the page and click **Sign In** .

Click the Develop tab . It's at the top of the page.

Select item category. Click the item type (such as **Shirts**) below the "My Creations" heading.

If you don't see an item category, click the **My Creations** tab near the top of the previous page.

Find the item you want to sell. If there are multiple items in the selected category, scroll down until you find the item for sale.

Click the Settings gear located to the right of the item. A menu will drop down.

Click **Configure** . This option is at the top of the drop-down menu. The item's page opens.

Scroll down and set the Robux price. In the "Price" text field below the "Sell this Item" heading, enter the amount of Robux you want to receive when you sell the item.

If this field is gray, you will first need to check the "Sell this item" box located directly below the "Sell this Item" heading.

Roblox will take 30% of the revenue you sell.

Click Save . Once the changes are saved, the item will be available for sale. Every time someone buys an item, you will receive 70% of the amount they paid.
