What does daily duty include?

Most of them are simple tasks like harvesting crops or sowing seeds as required. If you play a little harder each day, it will be easy to complete the quests and get the seed packs.

Event Seed Package

Occasionally, Grow A Garden will have special events. During these times, you can purchase or receive Event Seed Packs. For example, during the Lunar Glow event, you can receive a Night Seed Pack with limited-edition seeds like Mint and Starfruit.

When there is an event, grab these limited seed packs because once the event is over, they will disappear.

Also, you should check the in-game Store, sometimes there will be special seed packs that can only be purchased with Robux.
