Want more Jujutsu Infinite spins? Here's how to get spins in Jujutsu Infinite.

## Summary:

1. Innate Spins can be collected by completing daily quests in Jujutsu Infinite.
2. You can keep logging in daily, redeem the latest code or sit in the AFK room to get some free spins.
3. The game also allows you to buy some extra spins using Robux.

**The Roblox Jujutsu Infinite game** is here, and with it, the magic of experiencing the anime-manga world of Jujutsu Kaisen is brought to you. Here, you can possess innate abilities just like the characters in the anime series. However, you will need Innate Spins to unlock them. Since unlocking an ability depends on your luck, you may eventually run out of these Spins. Want more spins? Here's **how to get spins in Jujutsu Infinite** .

## How to get spins in Jujutsu Infinite

After launching Jujutsu Infinite, you will be asked to complete the tutorial and then redirected to character creation. Here, you can choose your innate abilities and casting these abilities requires 10 Innate Spins.

Now, you're bound to get some free spins right from the start, so use them all to get the highest rarity possible. Finally, complete your character build and pop into the game world. If you want to add to your Spins stash, here are the best ways to get them:

1. **Redeem Code:** Redeem the latest Jujutsu Infinite code in the game. There are four codes that give you a total of 550 Spins.

2. **Daily Login:** Keep logging into the game every day to get a few Free Spins. Days 3, 8 and 13 give you 10, 10 and 50 Spins respectively.
3. **Complete Daily Quests:** If you want to explore the game a bit, head over to the Daily Quests section and complete them to get an extra 10 spins. However, keep in mind that these quests refresh every 16 hours and they give you a total of 60 spins.
4. **AFK Farm:** You can even go to the AFK room and get free spins without playing the game. Jujutsu Infinite gives one spin every 10 minutes in the AFK room.
5. **Buying Spins:** Finally, you can buy some spins with Robux. You can get as little as 10 spins for 49 Robux, with more levels available.

However, it is not recommended to buy Spins with Robux because you can easily earn around 70-90 Spins after completing a few tasks and sitting in the AFK room for the rest of the day. Keep grinding until you save up to 7500 Spins and you will be able to unlock the Special Grade Innate ability by filling up the Special Grade Pity.

So you can earn Innate Spins in Roblox Jujutsu Infinite. Hope this article helps you accumulate more spins while playing Jujutsu Infinite.
