

# How to get the Dragon's Head Trophy in The Forge

Guide to obtaining the Dragon Head Pickaxe in The Forge: Overcome Raven Cave, complete Cult Quests to receive massive Stats rewards.

In the Roblox world of **The Forge** , upgrading your mining equipment is key to conquering the most challenging ore layers. With the Frostspire update, **the Dragon Head** Pickaxe has officially taken the throne as the ultimate weapon for all miners.

If you're looking to acquire this **Dragon's Head Trophy** to optimize your farming performance, here's a detailed guide for you.

## 1. Conditions for unlocking the Dragon Head Cup

To get your hands on **the Dragon's Head Cup** , you can't just use money; you need to achieve key milestones in the late-game phase:

1. **Location:** You must reach **Raven Cave** on Island 3 .
2. **Level:** Characters must reach at least **Level 70** .
3. **Required item:** You must possess **the Red Cave Key** . This key is obtained after completing the quest chain from **the Raven Bird NPC** .
4. **Movement Tool:** **Portal Tool** has been unlocked to move to the new area.

## 2. Steps to find a location to buy a Dragon Head Pickaxe

The **Dragon Head Trophy** is not sold openly in regular shops but is hidden in a Secret Cave area. Follow these steps:

1. **Entering Raven Cave:** Use the Red Cave Key to open the cave entrance.
2. **Locating the red sphere area:** Go straight from the entrance, turn right at the first intersection to see the area with the bright red sphere.
3. **Through the hidden cave:** From the red sphere, turn right again and go through the bushes to find **the Secret Cave** .
4. **Complete the Cult Questline:** You must complete the cult questline here to gain the trust of the NPCs.
5. **Purchase item:** After fulfilling the conditions, you can purchase **the Dragon Head Trophy** for **2,750,000 Gold** .

### 3. Why the Dragon Head Pickaxe is a "masterpiece"

The nearly 3 million gold price tag for the **Dragon's Head Trophy** is entirely justified if you look at the incredible stats it provides:

| Index      | Detail  |
|------------|---|
| Go Power   | 750 (Far surpasses previous trophy categories)        |
| Mine Speed | +10% (Extremely fast mining speed)                    |
| Luck Boost | +78% (Increased drop rate of rare ores and gemstones) |
| Rune Slot  | 4 Slots (Freely engrave ancient runes to buff power)  |

Compared to **the Prismatic Pickaxe** , this **Dragon Head Pickaxe** is not only more powerful but also provides an extremely high luck stat, making it easier for you to hunt for legendary materials for future updates.

## 4. Advice for miners

Owning **the Dragon Head Trophy** is a long-term investment. If you're still in the Beginner stage, focus on the **Pickaxe progression** path to level up quickly. If you've reached Level 70, don't hesitate to spend money on the **Dragon Head Trophy** to prepare for the upcoming areas with higher HP difficulty.
