And to get the skin Megalodon Alpha Scar in Garena Free Fire, please follow the instructions in the article.

The developers of Garena Free Fire have incorporated various features to enhance the overall gaming experience of fans. A few months ago, they released the first upgradable skin / Evo Gun in the game - "Blue Flame Draco".

Skins have a lot to do with gameplay because some of them provide nice extras and effects. Today, the newest Evo Gun skin has been added to Free Fire titled "Megalodon Alpha Scar". Players will have to use token "Shark Tooth" to develop skin and get 8 different perks. In this article, we will learn together step by step to get the Megalodon Alpha Scar skin in Free Fire through the Faded Wheel rotation.

Instructions on how to get the skin Megalodon Alpha Scar in Free Fire

As mentioned above, the Scar skin was added to the Faded Wheel and was the grand prize. The event runs from January 3, 2021 to January 31, 2021.

There are 10 rewards in all in the event and players will have to eliminate 2 of the rewards they don't need. In doing so, they can begin to withdraw rewards from the Faded Wheel.

Prizes will not be repeated, so users will be able to get the Megalodon Alpha Scar skin in 8 spins or less. However, the number of diamonds that must be used for each spin will gradually increase thereafter. This is the price of the spins in the Faded Wheel: 19, 19, 19, 39, 69, 99, 199, and 499 diamonds.

Players can try their luck as the first spin is free and the second spins only cost 9 diamonds. So they'll be able to get this skin for 962 diamonds or less. To get the Megalodon Alpha Scar skin in Free Fire, do the following:

Step 1: Open Garena Free Fire and click on the Luck Royale tab located on the right side of the lobby screen.

Step 2: Next, touch Faded Wheel as shown below.

Step 3: You delete 2 parts you don't usually need and click on Spin.
