

How to hack name in Among Us, naming tips

Among Us

With these Hack style names in Among us, you will make the discussion messed up with funny and unpredictable names.

Among Us will be Impostor and Crewmate have tasks that they need to complete, the crew members need to complete all the tasks such as dumping, fixing electricity, swiping cards.

While all these things are happening, the Impostors need to kill each player carefully and present extremely convincing alibi. And one of the factors that help Impostors get rid of their sins is naming.

There are a lot of funny name ideas that bring funny and funny situations in Among Us and can help Impostor escape, the most recent example is not to be named in Among Us.

Not naming, leaving a blank name in Among Us can help impostors hide somewhere that no one can see, because I can't see their names. And can even escape by voting.

In addition to the empty name, there are some other ideas that will confuse the whole team when discussing as if you are hacking your Among Us name. If you have not thought of a funny and unique name in Among Us, please refer to below for both Among Us Mobile and Among Us PC.

1. Name a color different from your own

For example, if a player chooses red, choose blue or a certain color and name it Red. Likewise, you can choose a blue color and name it Yellow.

This will confuse players during the discussion, especially when "red guy in the electric room, red guy with me." it would definitely mess things up more than usual and possibly make the discussion go nowhere, followed by the skip vote section.

2. Name the space

This is the most unique naming method in recent times Among Us. And indeed, it will also help Impostors hide better and kill people better. You can copy the space in quotes '?' then paste it in the title box.

Although he hid well and was difficult to detect, when voting, you still can't avoid it because you can still be called red guy, blue guy, black guy or simply . nameless guy.

3. Name the character the real name of another player

This is really effective when you are playing with your friends and is more confusing if there are two players naming each other. Imagine what it would be like for you to name it after a friend of yours and be named in the duel.

4. Name yourself Who or Who

"Who killed this guy, Who? Who just came out of the electric room?" Are trolling names and if they are brought up against you, you can confuse other players if you protest that It's not like I do ".

5. Name yourself Crewmate or Impostor

If you are really Imposter the player may not suspect you because of your name. This is another great way to mess with other players.

These names will likely cause your opponents to argue for a long time and the argument can go nowhere. It will be really valuable if you know how to name your characters rather than just writing a few simple words in the name box.

Wish you happy gaming.
