

How to increase Tiktok followers fast, free, effective

The number of followers on TikTok is an important factor for you to build your own community. However, how can you increase followers quickly without spending money? Let's learn about free and effective ways to increase TikTok followers in this article.

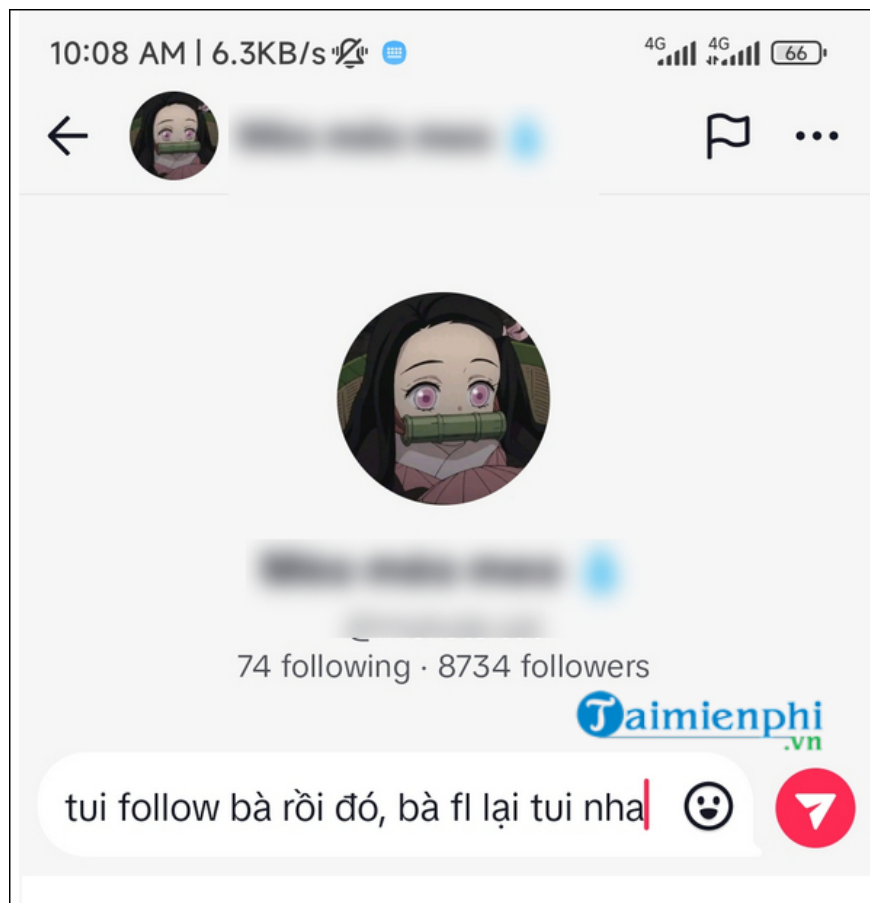

Guide to increase free Tik Tok followers

I. The fastest ways to increase Tiktok followers

1. Sub exchange

You can follow other TikTok users and ask them to follow you back. While this is simple, the number of followers you get is usually not high and it takes a lot of time.

2. Use Web to increase TikTok followers for free

Zefoy helps you increase your followers quickly, completely free.

- Advantage:

- + No account registration required
- + 100% free.

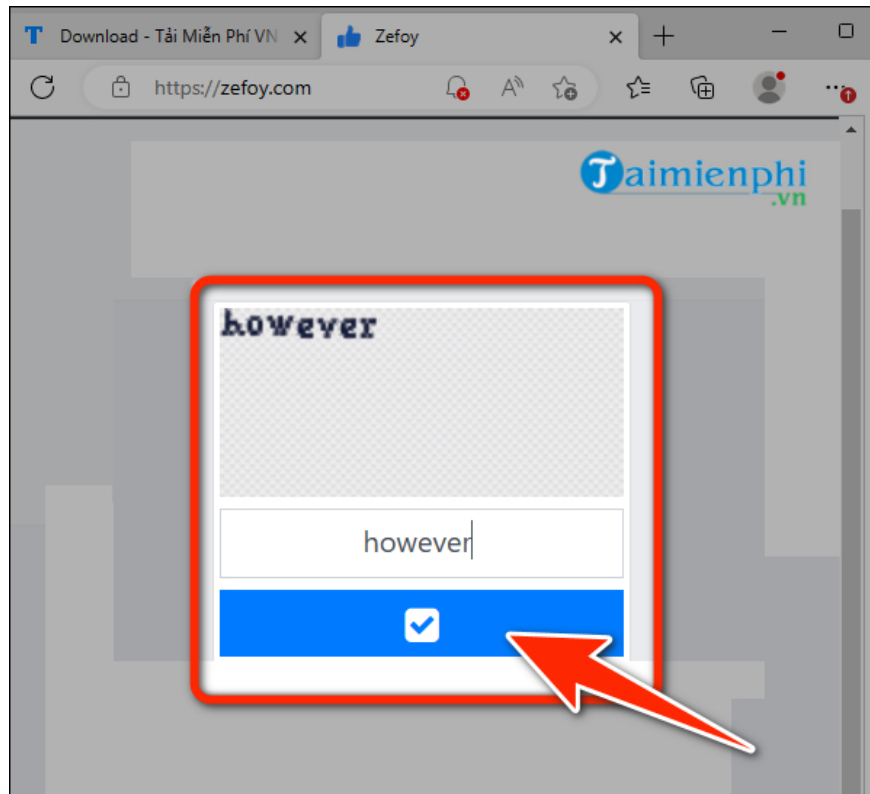

- Disadvantages:

- + The follower is a foreign account, you cannot choose the number of followers for each increase (default 20-50 followers).
- + After successfully increasing TikTok Follow, you need to wait 1-5 minutes to perform the next command (applicable to liking, commenting.).
- + The system is regularly maintained, if the status says " **soon will be updated** ", it means this feature is under maintenance, please try again later.

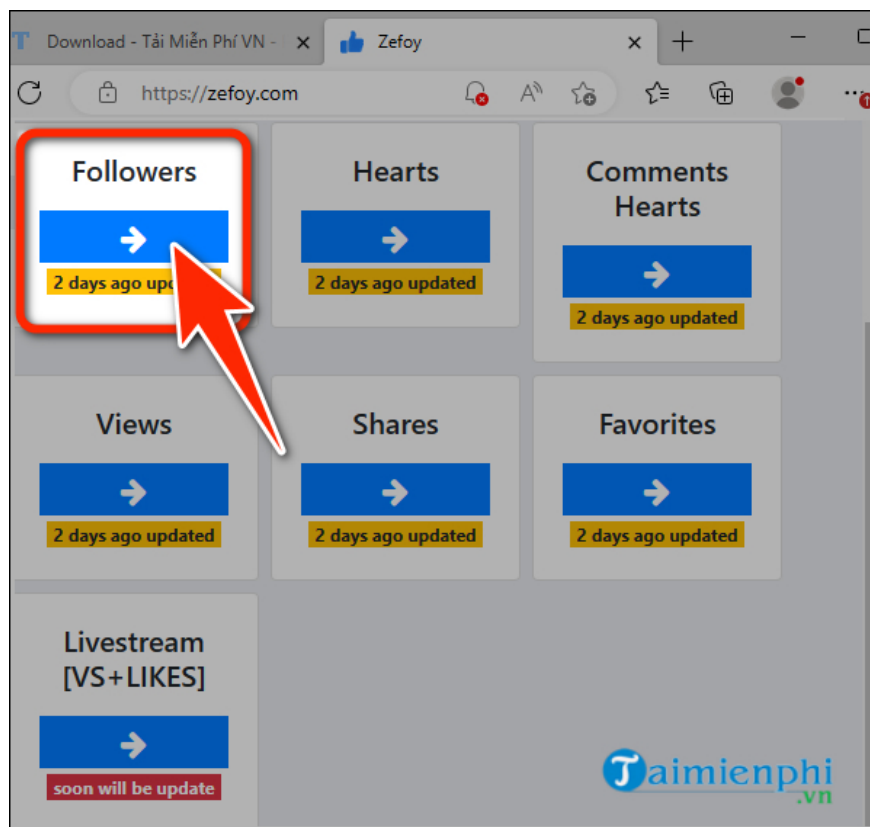

How to do it

Step 1. Visit zefoy.com. Click **HERE** for quick access

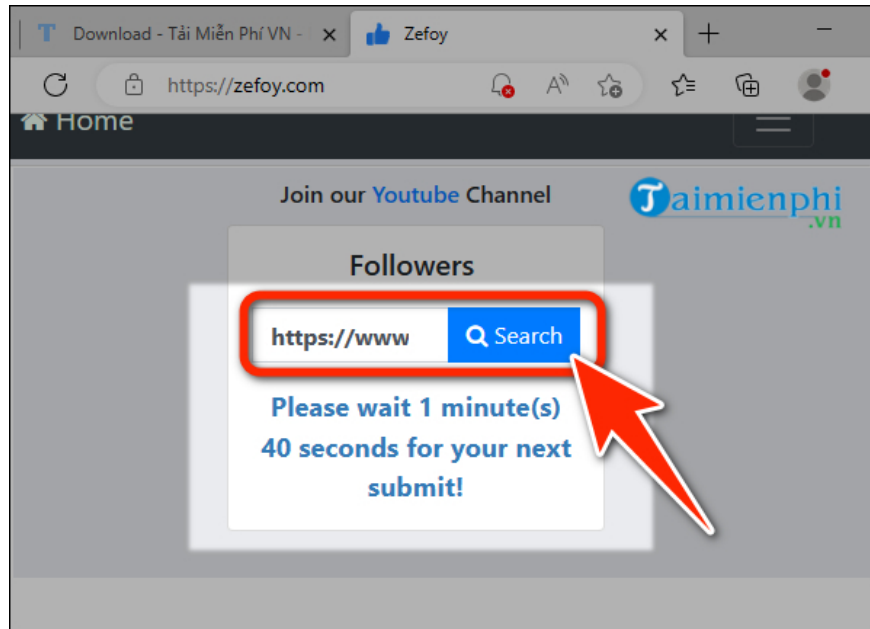

Step 2. Enter the authentication code to access the system.

Step 3. Select " **Followers** " to increase followers on TikTok.

Step 4: Paste the TikTok link you want to increase followers into the " **Enter Video U** " box then press " **Search** ".

At this time, the screen will display the message " **Please wait 1 minute(s) 40 second for your next submit** ", meaning that your TikTok follow-up command has been successfully executed. Please wait another 1 minute and 40 seconds to execute the next command.

II. Tips to increase TikTok followers, more views, hearts

In addition to the tricks and **ways to use TikTok** to increase followers that Taimienphi suggested above, you can completely attract views, hearts, and followers with the following tips:

- **Switch to Pro account:** You will receive more suggestions from TikTok, and at the same time see the analysis of posted videos, and evaluate how much interaction that video has.
- **Turn off account privacy:** Change your TikTok privacy to public so anyone can see your videos.
- **Use hashtags:** You will be searched more easily through TikTok users' keywords.
- **Make videos following TikTok trends:** You can remake or duet trending videos on TikTok or create related content in your own style.
