

How to join and play the Chance event on Lazada

If you join the event and cut the price successfully, you will have the opportunity to buy cheap items such as give, even get free valuables.

Currently, online shopping is increasingly used by many consumers, especially on social networking websites and social networking applications such as Facebook and Zalo . along with a series of websites and applications. Online shopping such as Lazada, Tiki, Adayroi, Shopee, Sendo . was launched to serve customers, making the online shopping rate surge in recent years.

Online shopping apps always know how to attract users with "hot deals" at very attractive prices, especially when there are events organized to free products to users. An example is the extremely attractive **price-cutting** event taking place on **Lazada** online shopping app .

This event will include cheap fake products such as, even products that users can get for free if they participate and "costly" successful products. Here is how to participate in the Price Cut event on Lazada.

1. Download Lazada for iOS
2. Download Lazada for Android
3. Download Lazada for Windowsphone

Instructions on how to join and play the Price Cut event on Lazada

The time of the price cutting event takes place from November 1 to November 10 with the hours from 00:00 - 24:00. November 11 will start from 0 to 24 hours.

Step 1: Log in to Lazada application, right on the main screen you will see the **Pricing** item appear. Select the product you want to make a price cut in the list.
