

How to keep track of all manga and anime with MyAnimeList

Whether you want to follow an anime or manga or find someone who shares your interests, MyAnimeList has you covered. Here's how to track all manga and anime in MyAnimeList.

Are you an anime fan but can't remember which show you watched or are reading? Maybe you're a manga aficionado, always wanting to read the latest manga? With thousands of episodes of anime and manga published every day, it's hard to keep track of them all, isn't it?

Fortunately, **MyAnimeList** is a completely free service that helps you do all of the above. Here's **how to use MyAnimeList to keep track of all your favorite manga and anime** .

What is MyAnimeList?

MyAnimeList is an online database with thousands of anime and manga. Available as a mobile or web browser app, you can use MyAnimeList to keep track of everything from what you're watching to the manga you want to buy.

But that's not all. MyAnimeList is a great place to connect with otaku, get recommendations and find out which series or shows are popular, and much more.

How to use MyAnimeList to track anime and manga

While it's possible to view MyAnimeList's 'huge' library without an account, it's still a good idea to create it to keep track of your favorite anime and manga. After creating an account, click the magnifying glass icon in the top right corner to start searching by name or check out the homepage with lots of options.

With the MyAnimeList (MAL) app, click the calendar icon at the bottom to see seasonal anime.

A different color bar will appear, depending on the state you selected: green is viewing, blue is completed, gray is intended, yellow is paused, red is abandoned.

If you add read or watched content, you can rate it from 10 - **Masterpiece** to 1 - **Appalling** . MyAnimeList will automatically set the start and end dates but you can manually change that date as needed.

You can also select the current episode or season for your convenience.

How to discover new anime on MyAnimeList

You have several ways to find new anime and manga on MyAnimeList. With the app, try going to Club and asking for recommendations, browse content in the Seasonal section for what's on air, or head to Discover for trending anime, top 10, recently added and more again.

The site offers even more search options. One of the best features is the **Recommendations** section . Here you can see titles to choose from based on what you liked. Suggestions on the page are given by fans like you.

Click **Anime Search** or **Manga Search** to search by genre, from the usual categories like fantasy, action to more detailed like CGDCT (Cute Girls Doing Cute Things). In each category, you can see information about each anime, manga such as average rating, number of episodes/seasons, duration of each episode.

Some other features worth trying on MyAnimeList

1. **Communities** : The Community section is located under the Discussion tab on the app or Community on the web. Here you will find many clubs of like-minded people.
2. **Industry** : Update the latest news about the world of anime and manga.
3. View information about the voice actor when clicking on the actor's name (the actor section).
4. Participate in many events and challenges at **MaLxJapan** .

Overall, MyAnimeList is a great service, allowing you to follow all your favorite manga & Anime, join clubs, discuss and get new manga or anime recommendations. Use MyAnimeList for free, so don't be afraid to try it
