

How to level, level quickly and easily in Pokemon GO

Increasing experience points, increasing levels or leveling up in Pokemon GO will help players increase their strength, get more attractive rewards.

Each gamer when participating in any game will have a common goal is to level up quickly, and super-cult game Pokemon Go is no exception. Increasing XP experience in the game is a necessary condition for us to have a chance to level up. The higher the level, the more rewarding and special rewards you can get for the opponent. So how can I earn XP? And which operations will bring a high XP score? Please refer to the following article of Network Administration.

1. Getting lots of Pokemon to increase XP points:

The job of catching Pokemon will bring us XP points. And this is considered the most effective way to increase XP. Besides, during the process of catching many of the same Pokemon, you can also make the transformation to get Candy for evolution. And of course evolution will also bring up XP points for each player.

2. Evolution Pokemon earn XP points:

Successful evolution of a Pokemon will give us 500 experience points. However, it should be noted with the player, if you want to earn XP points through evolution, you should choose the type that needs less Candy to evolve. Because each one will have a different amount of Candy to evolve. The higher the Pokemon, the more

Candy you will have.

So if you don't have a lot of Candy, or want to use Candy for other things, choose Pokemon that need less Candy to evolve to earn XP points.

4. Make the standard throw Pokeball:

As mentioned, catching Pokemon will earn us more XP points. And the XP score also divided into each level with each action to catch Pokemon or throw Pokeball in the game.

1. 100 XP for any captured Pokemon already in the list.
2. 500 XP if caught a completely new Pokémon.
3. 10 XP for a standard pitching phase.
4. 50 XP for a good Pokeball throw.
5. 10 XP when throwing Pokeball excellent.
6. 50 XP when joining Pokestop.

Thus, the throw Pokeball also gives you more experience points. If the throwing phase has a nice technique, then the XP score will be more.

5. Visit Pokestop locations:

In Pokestop points, the game players will get more for themselves lucky items such as Pokeball, Pokemon eggs, resurrection items, . And we can also get yourself some experience points. Although not much, those XP points are worth it for every player.

6. Use Lucky Egg to increase XP:

This lucky egg will double the player's XP experience for 30 minutes. However, starting with level 9 you can get 1 Lucky Egg for yourself. And Lucky Egg is an egg that is not easy to get, so you need to consider using it. If so, use them before evolving to increase XP performance.
