

How to Link Social Media Accounts on Flipboard

Flipboard is an application available to the four major mobile systems in the market. It enables users to flip through various headlines in different industries or even feature their social media accounts. It is like a virtual magazine...

Method 1 of 4:

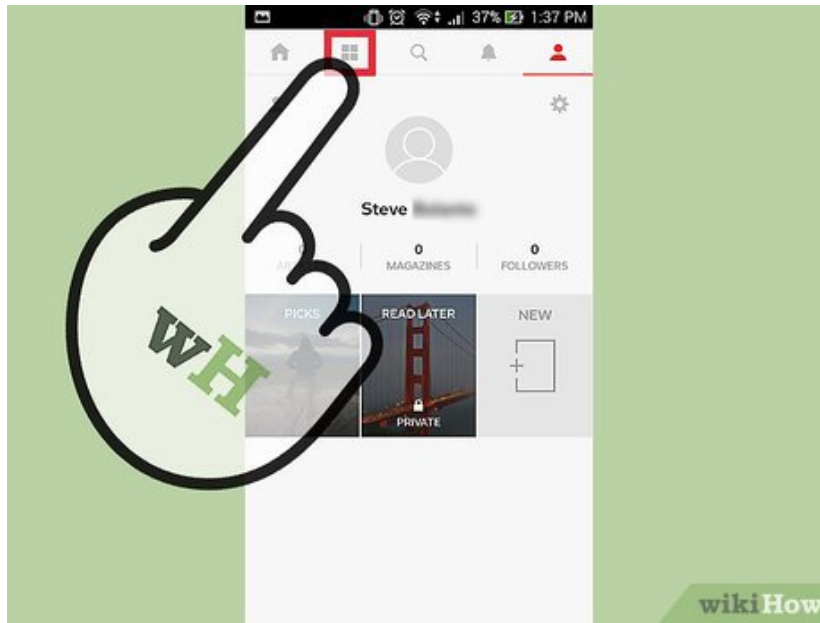

Linking Facebook to Flipboard

1.

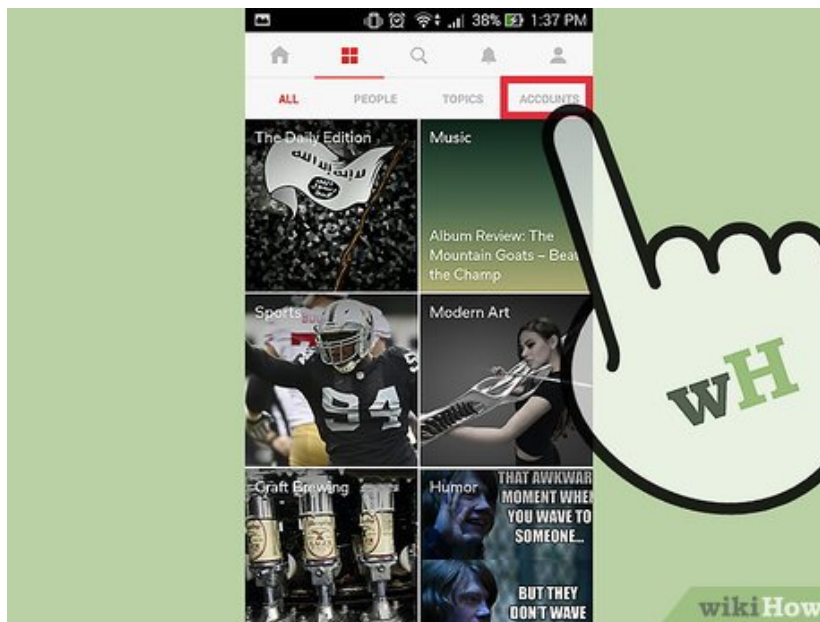

Launch Flipboard. From your apps folder, locate the Flipboard icon; it looks like a pixelated letter F. Tap the icon to launch the app.

2.

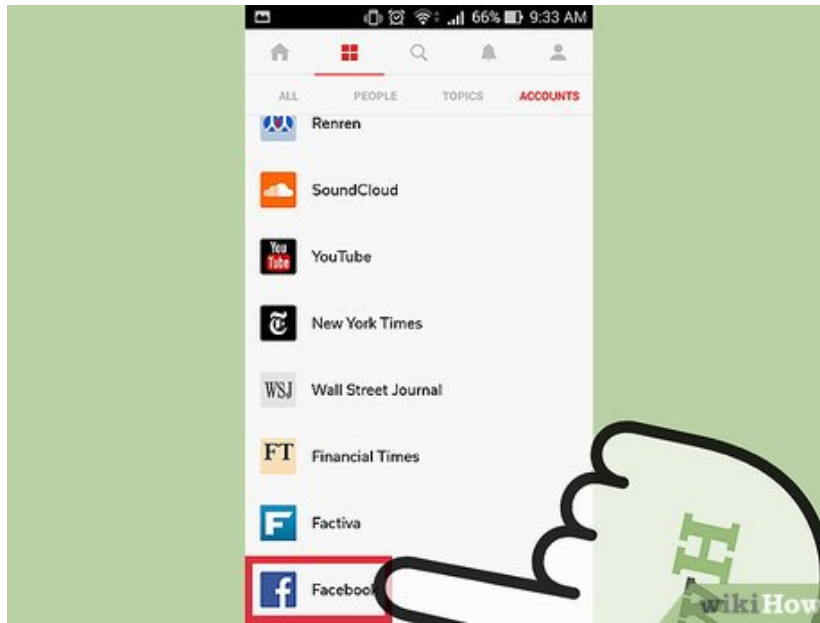

Go to Content. Tap the red ribbon icon on the top-right corner of the screen; it will direct you to the Content page.

3.

Go to Accounts. Select this option in the Content page. A list of various social media platforms will be shown.

4.

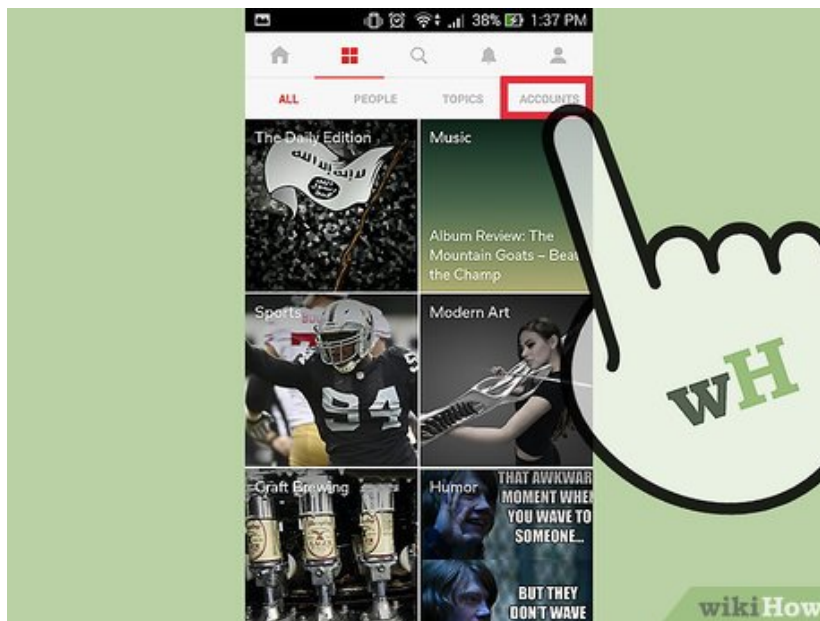

Select Facebook. After selecting Facebook, you may need to login. You will then see your Facebook feeds appear on the Flipboard app.

Method 2 of 4:

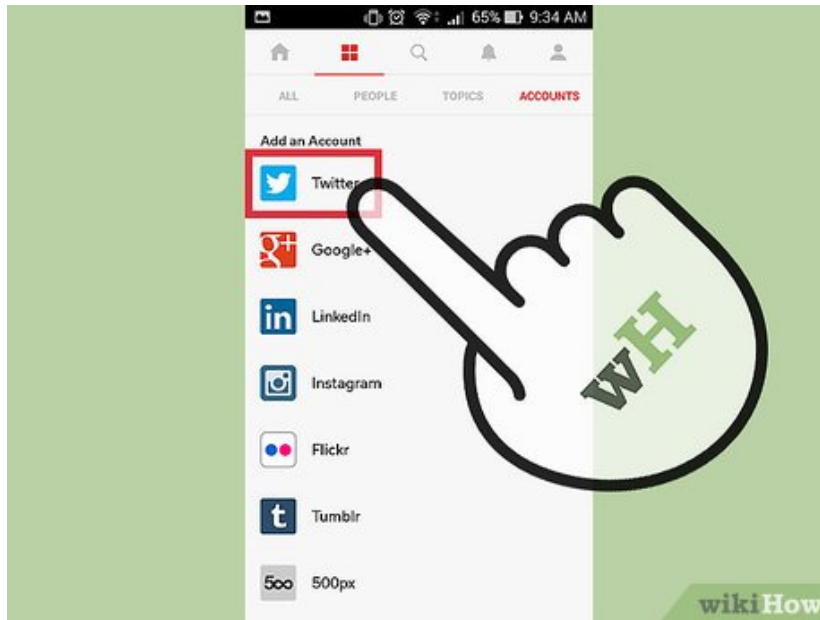

Linking Twitter to Flipboard

1.

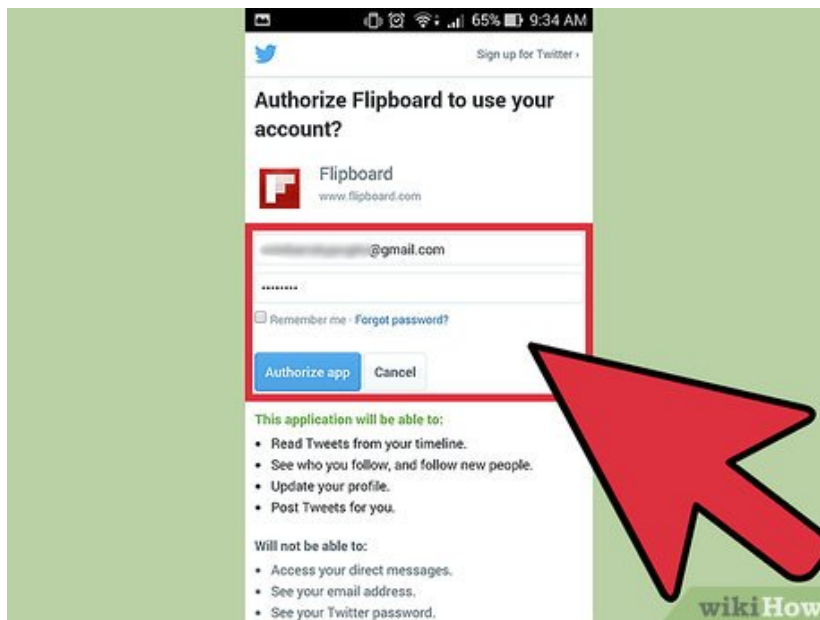

Follow steps 1 to 3 of the first method. Launch the app, go to the Content page, and select Accounts to show a list of social media platforms.
