## Instructions on how to live stream on FBang using a phone or computer.

### Table of contents:

1. How to live stream on FBang using a phone.
2. How to live stream on FBang using a computer.

**Requirements:** To become an idol or hot streamer on FBang, you need to have an FBang account. Refer to the article on how to register for FBang to understand the steps needed to create an FBang account.

## 1. How to live stream on FBang using your phone

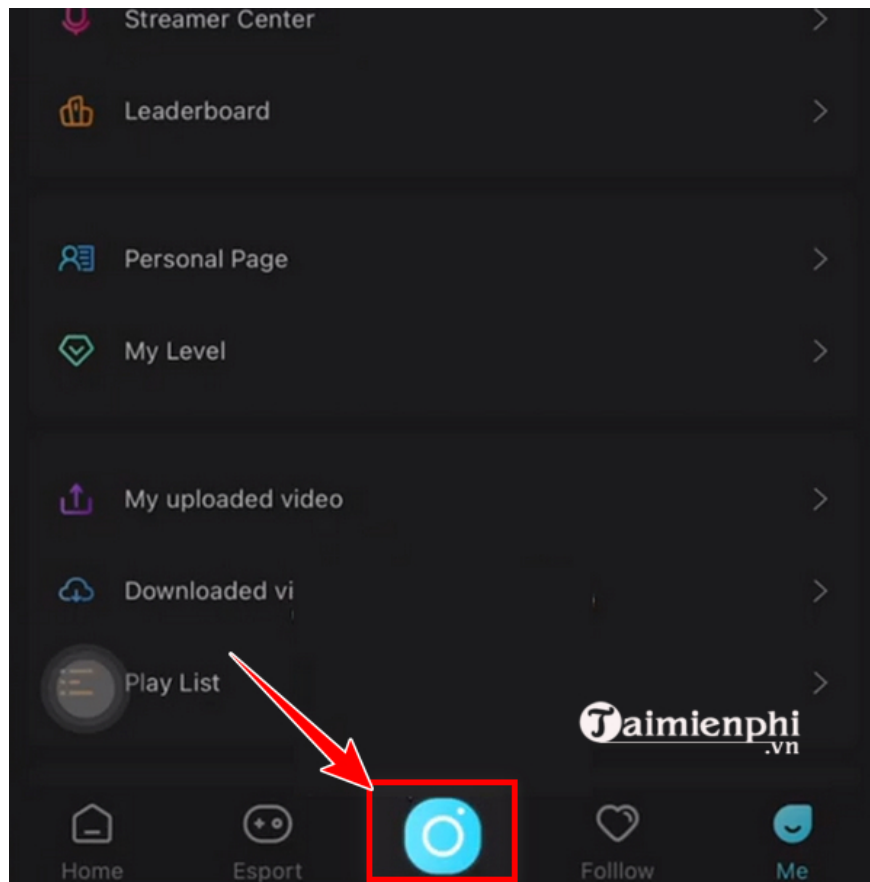

**Step 1:** Download and install the FBang app on your phone:

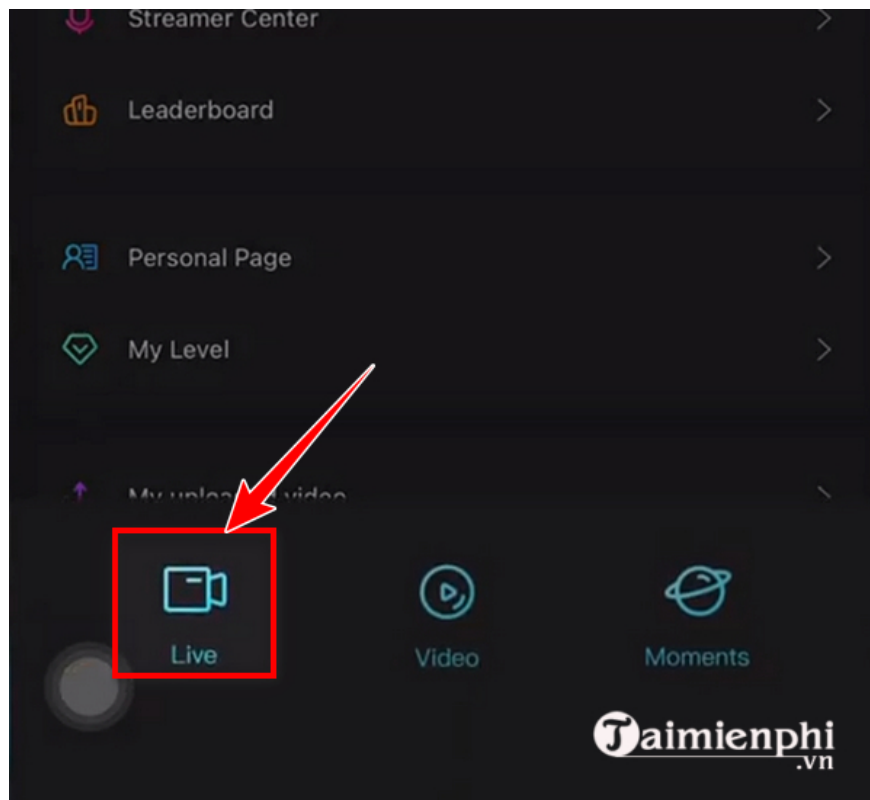

- Download FBang for Android
- Download FBang for iPhone

After clicking the download link, press "**install**" to begin the FBang installation process on your phone.

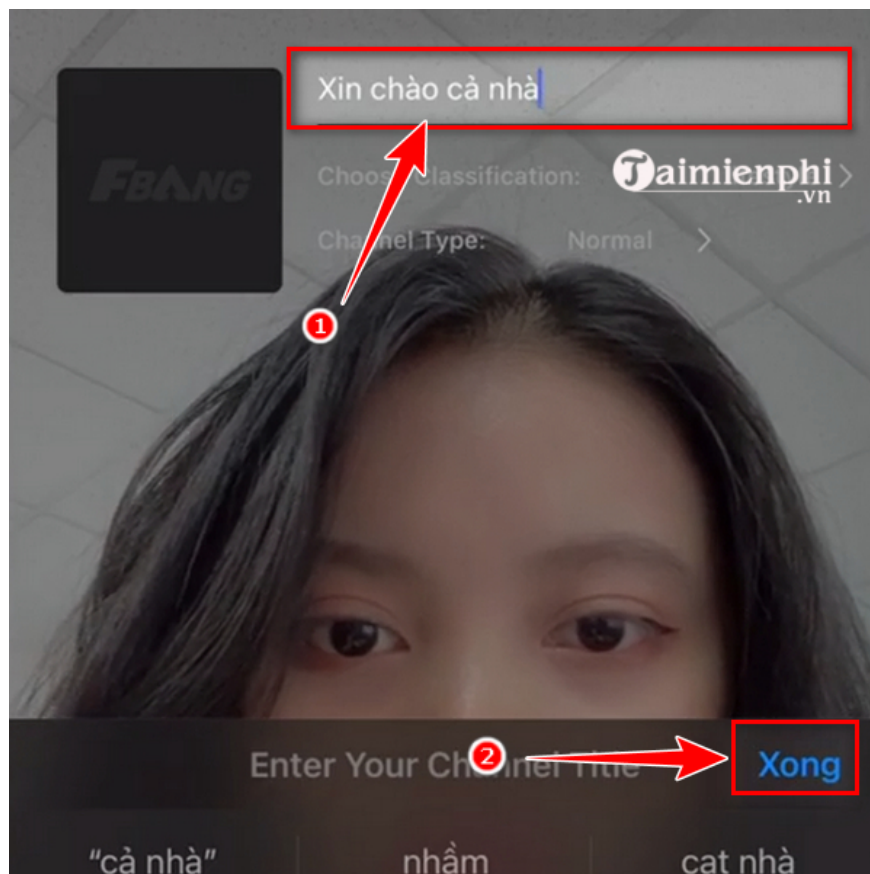

**Step 2 :** Log in to your FBang account using your registered phone number and password.

**Step 3 :** On the FBang main screen, tap the circular button in the middle and then select "**Live**".

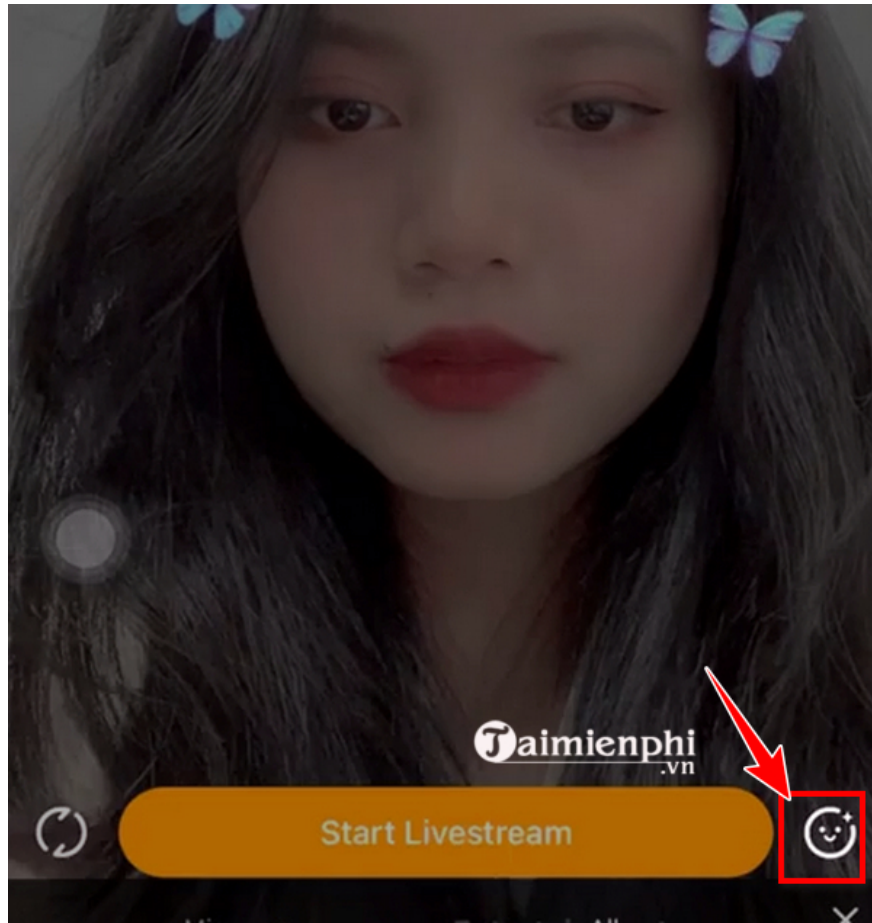

**Step 4:** Title your live stream channel, then press " Done ". Next, take a screenshot or upload an image from your phone, then adjust the profile picture to use when live streaming on Facebook.

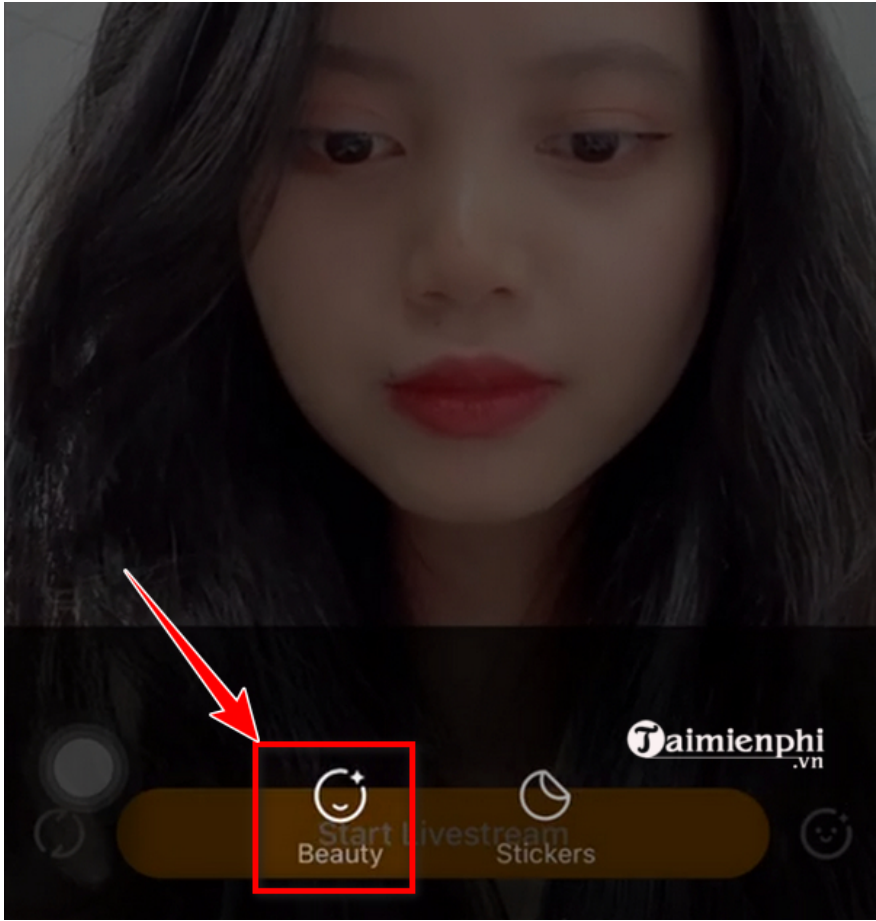

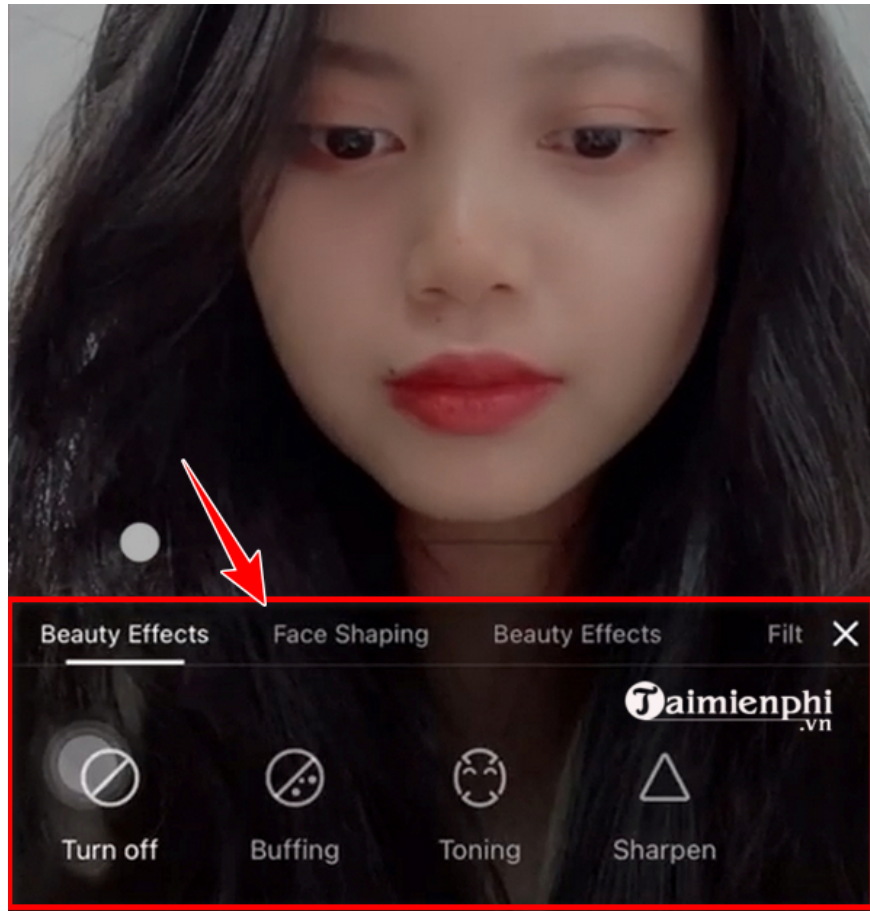

**Step 5** : To look more beautiful while live streaming on FBang, you can tap the smiley face icon next to the "**Start live stream**" button on your phone screen.

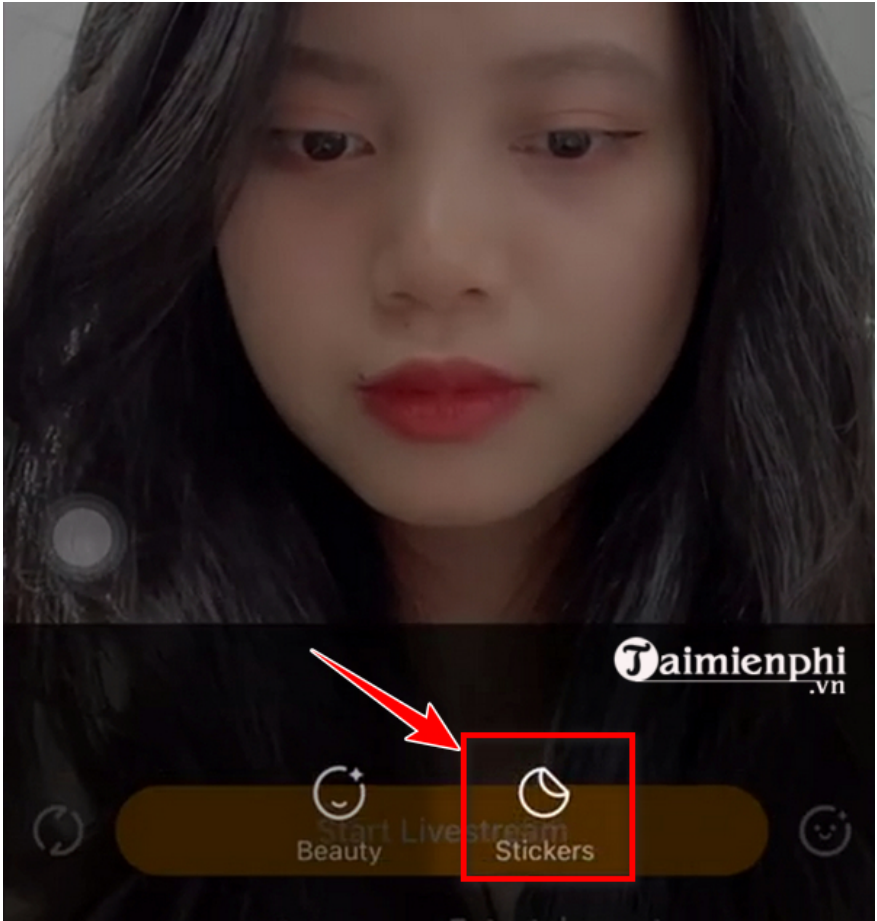

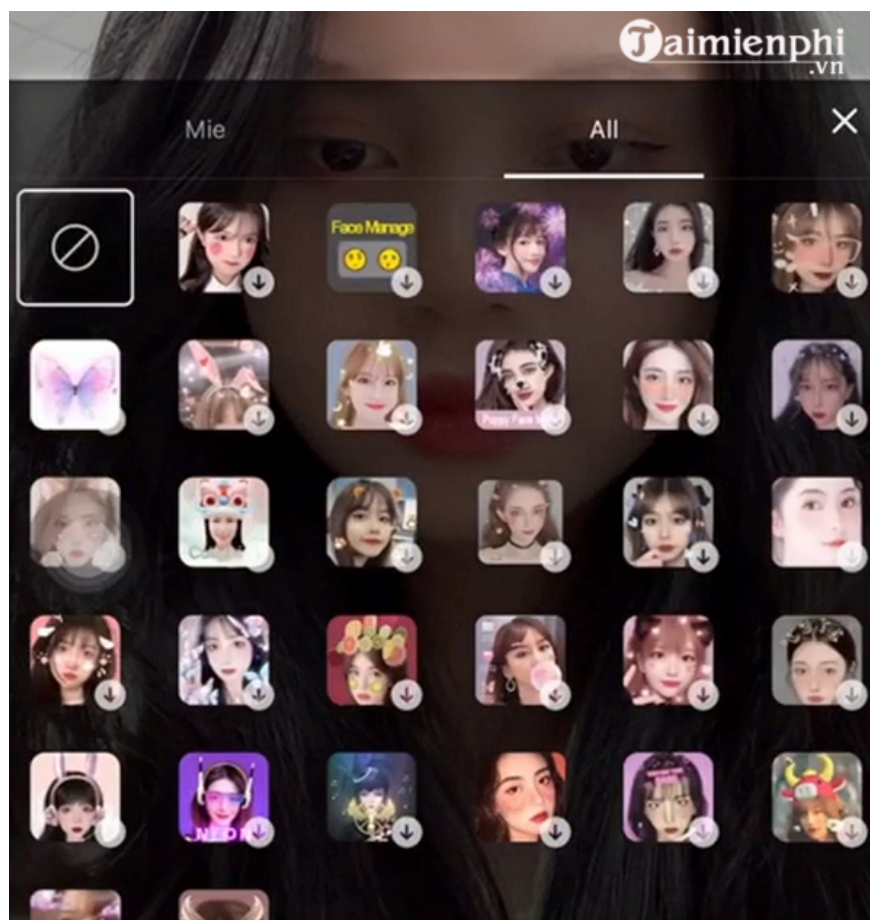

**Step 6** : Next, select " **beauty** ". Here, you can choose to use the " **beauty effect** " and " **face shaping** " options, as well as other smaller features to beautify your skin, eyes, lips, hair, facial proportions, etc.

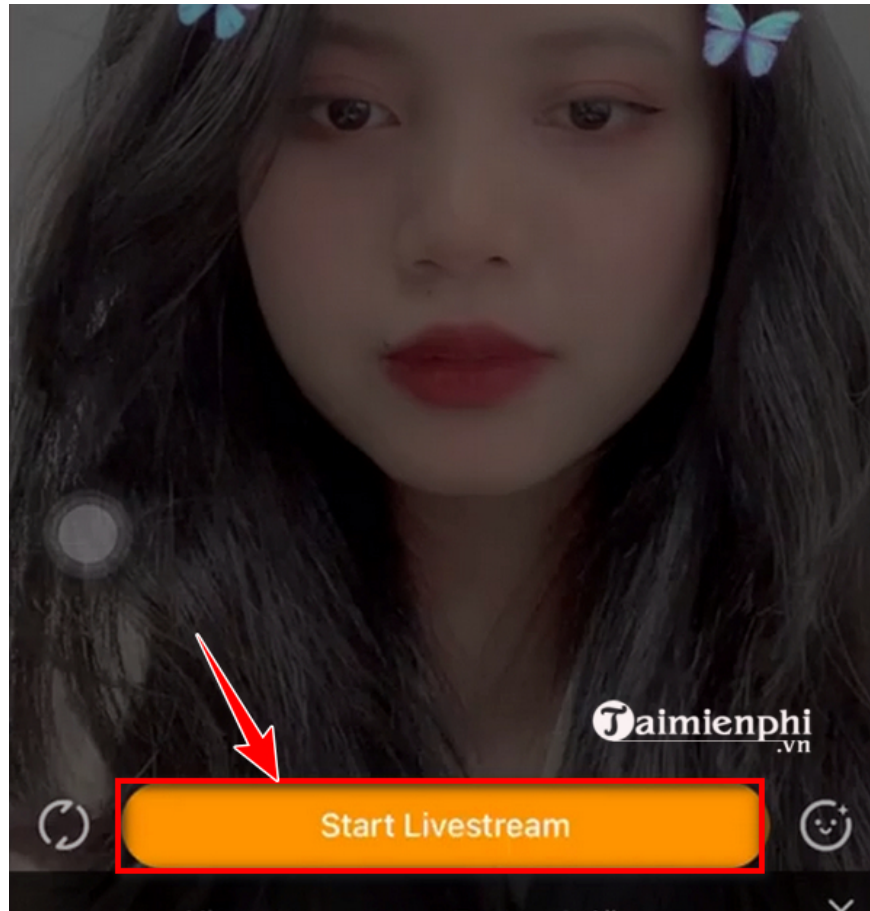

Additionally, you can also choose " **Stickers** " to download and display on FBang live stream with many funny and cute stickers.

**Step 6** : Finally, press " **start livestream** " to begin live streaming on FBang to interact with and attract viewers, and receive many attractive gifts and prizes from FBang.

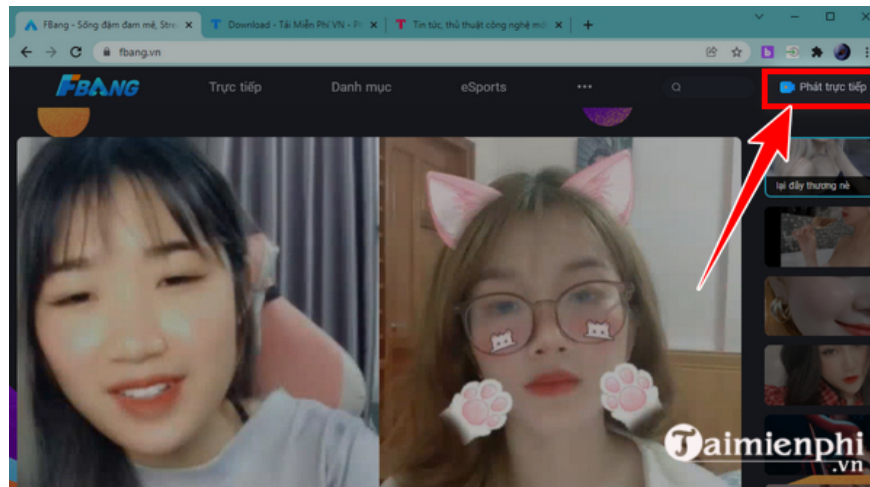

Live streaming on TikTok is also a method used by many content creators to interact directly with viewers, answer questions, or simply chat with people.

## ***2. How to live stream on FBang using a computer***

Similar to livestreaming on your phone, you can also log into your FBang account from your computer and do live streaming directly via the FBang.vn website.

**Step 1 :** Access the FBang.vn website and log in to your account. [Click here for quick access.](#)

**Step 2:** On the FBang homepage, select " **Live Stream** " and follow steps 4, 5, and 6 from Method 1 to start livestreaming on FBang.

**Note:** To live stream on FBang from your computer, you need to verify your registered FBang account. To verify, access the FBang app on your phone, log in to your account => select " Me " in the menu tab at the bottom right of the screen, then select the " Verify Now " function .
