

How to load Au Mix, load Au Diamond mix

Here's how to top up the Au Mix game, including how to top up the diamonds and top up the Au Mix packages.

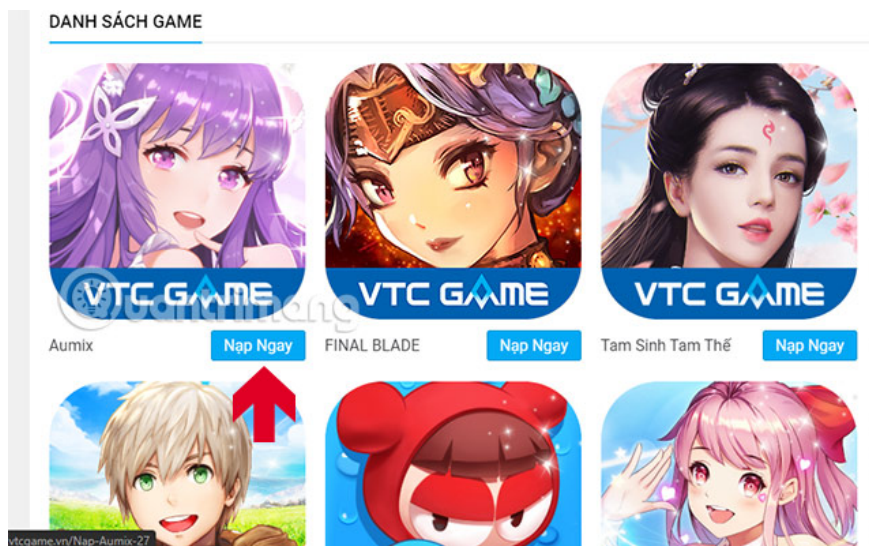

Currencies in Au Mix include Gold, Stars and Diamonds. Only Diamond is the currency that requires you to deposit money into Au Mix. In addition, you can earn Gold and Stars through events and quests in the game.

With Gold, you will mainly earn them through adventure. You can use them to strengthen yourself. As for Stars, this is the main currency in the game and you can earn them from events and missions, which are used to buy props in the game.

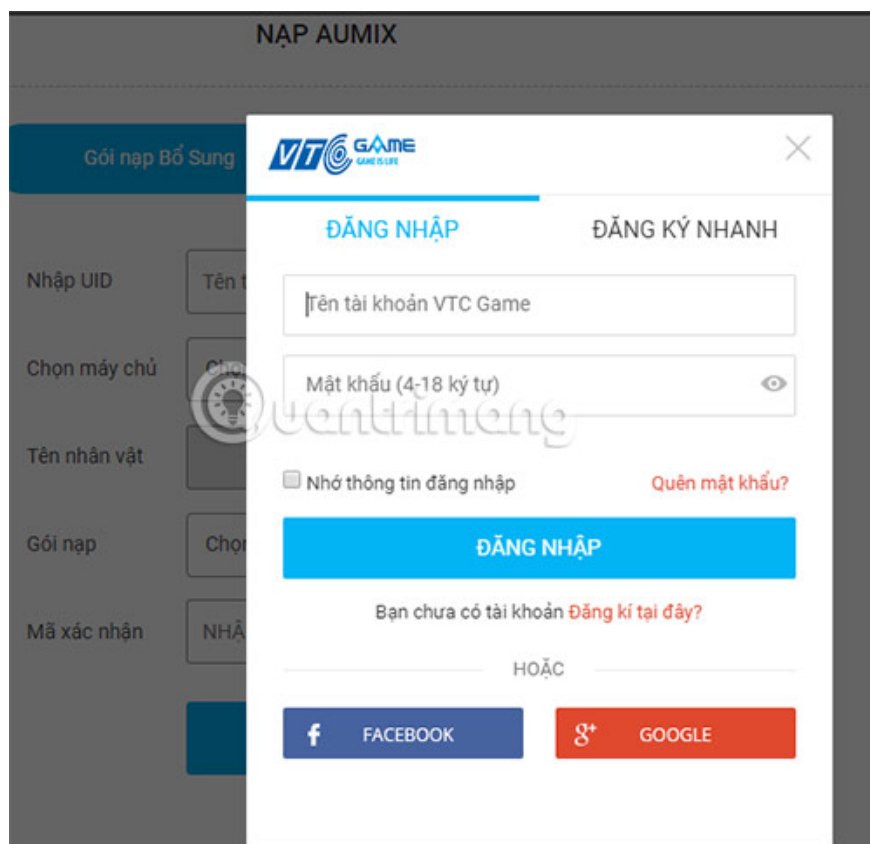

There is also a Glass currency, which can be used to exchange props in the Glass Shop and an Honor currency can be earned while playing PK. With Diamond, you can use this currency to buy most valuable costumes in the game. If you want to buy items with KC in the game but do not know how to load, please see how to load KC Au Mix below this article.
