

# How to Log Off Google Play

This wikiHow teaches you how to log out from Google Play on Android by logging out of a Google account on your phone, as well as how to log out of the Google Play website on a computer. Open Settings on your Android. It's the app with the...

Method 1 of 2:

## On Android

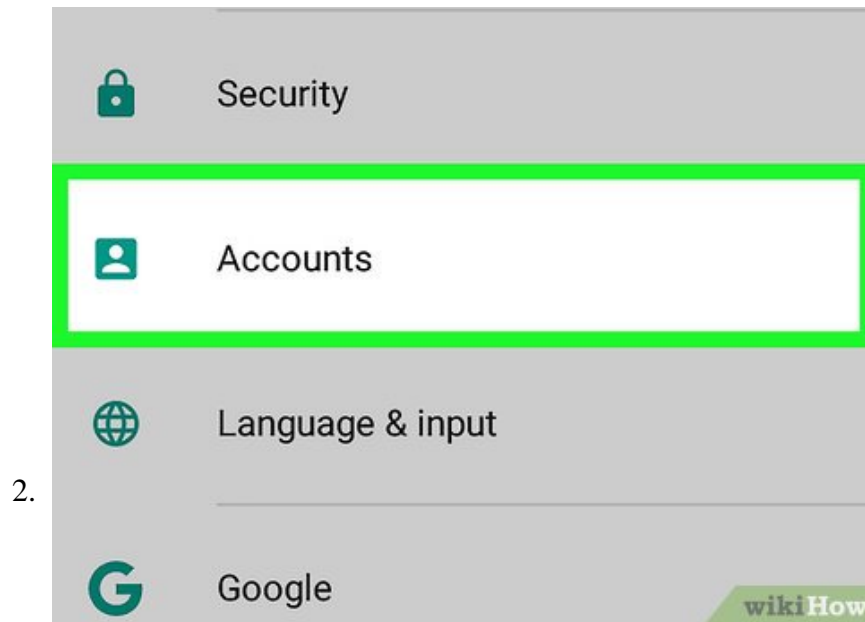

**Open Settings**

**on your Android.** It's the app with the gear icon usually located in your Android's app drawer.

1. Alternatively, you can swipe down from the top of the screen and tap

**Tap **Accounts****. This lists all the accounts you are signed into on your Android phone.

1. On some versions of Android, this may be under "Cloud & Accounts" or "Accounts & Sync", or something similar.<sup>[1]</sup>

**Tap **Google****. It's next to the white icon with the red, yellow, green, and blue capital "G". This displays a list of all the Google accounts you are signed in to on your Android smartphone.

**Tap the account you want to log out of.** This displays all the options for that account.

**Tap .** It's the icon with the three vertical dots in the upper-right corner of the Google account settings. This displays a drop-down menu.

Tap **Remove account**. It's the second option in the drop-down menu in the upper-right corner. This displays a confirmation popup window.

Tap **Remove account**. This confirms that you want to remove the Google account and signs you out of all apps that use that Google account.<sup>[2]</sup>

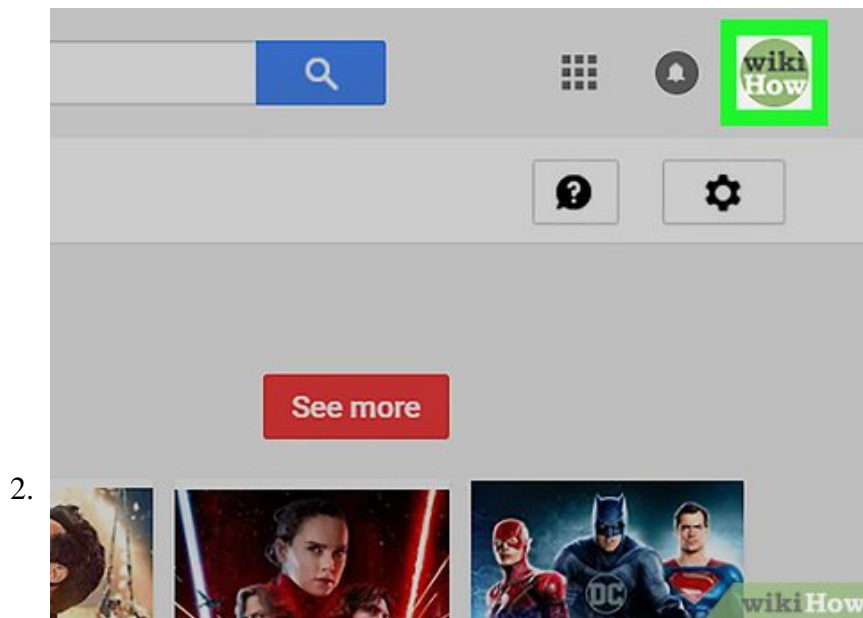

1. If you need to sign back into your Google Play account, Read "Add a Google Account on Android" to learn how to add a Google account.

Method 2 of 2:

## On Desktop

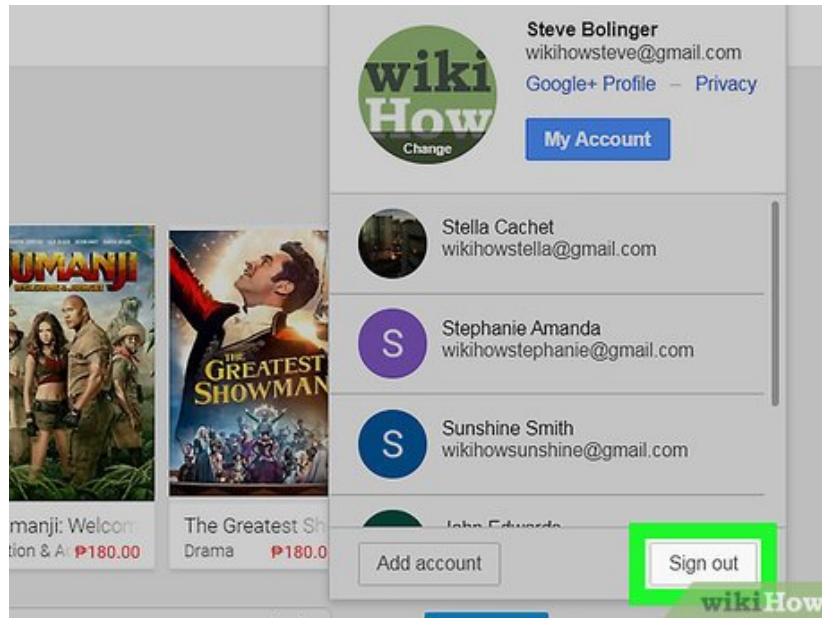

**Go to <https://play.google.com> in a web browser.** You can use any web browser on PC or Mac.

**Click your profile picture.** Your profile picture is in the upper-right corner of the website. This displays a drop-down menu.

3.

Click **Sign Out**. This logs you out of your Google account from the Google Play website.

1. To sign back in, click "Sign In" in the upper-right corner and log in with the email address and password associated with your Google Play account.
