On the occasion of March 8, make your own simple cards to give to your mother, who has been taking care of us for the rest of the day. Please give me the most sincere wishes and feelings to repay your thanks.

Resources

1. Pink cover paper of different colors
2. 1 sheet of white paperboard
3. Clamps, adhesives or double-sided tape

Making

Step 1 : This card is called a heart card, so you will need to cut 8 heart shapes from the other 3 colored papers or you can increase the number of hearts if you want. If you are skilled, you can fold the paper and cut it into heart shapes, and if you don't, draw that heart shape on the paper and cut it along the line you drew.

Note , the size of the heart shape depends on the card you make big or small, so cut it so that those heart shapes are in balance with the card.

Step 2 : You use that blank sheet to make a card, depending on the preference you want the card to be big or small so you can write your love words on it. However, the most popular size when making cards is 9x12 cm or 10x15 cm.

Step 3 : When the heart is cut, you fold the heart in half, then use 2-sided adhesive tape to paste it on the back of the heart. Then paste it on a symmetrical position in the center of the card. Just like that, you stick to the rest of the hearts on it, remember that when we paste, we should stick the hearts together and clockwise until those heart shapes are closed in a circle. round.

In the end, you just need to write your loving greetings, your thanks in such cards have perfected a colorful heart card. Surely when your mother receives this card, reading your wishes will be very moving and happy. Let's start working on March 8 or important holidays.
