You can choose blue paper to make leaves and a variety of different color paper to make flowers that will help make the vase more vivid.

### **Step 1:**

Draw many flowers with 4 wings on colored paper. After that, use scissors to cut the petals with the figure.

Similarly, draw a leaf shape on green paper to have decorative leaves for the flower. You can cut small incisors around the edges of the leaves to look like real leaves.

You take a ruler or use scissors to press parallel lines evenly on the petals. Or fold the petals back to create curved curves that make the flower look more natural.

Use colored pens to draw straight lines along the folds, toward the center of the petals as shown to create a more dramatic color for the flower.

### Step 2:

Cut a strip of paper of the same color about 5cm long, about 1cm wide, on one side of the paper you cut it into a small fringed shape and wrap it around, fixed with a glue gun to make the pistil.

After that, you put two 4-pointed flowers alternating, overlapping, taking the glue gun again and sticking the pistil to the middle to create a complete flower.

Use pliers to cut a piece of steel wire to make a flower branch. Stick the blue ribbon around the steel wire to look like real branches.

### Step 3:
