Use a cardboard card to make cards. Note, you can choose the color you want, but you should choose a light color, when writing on the card will be more prominent and should also choose a simple color to easily combine the decorative colors for the card.

Step 1:

Double the card making paper (Photo: Internet source)

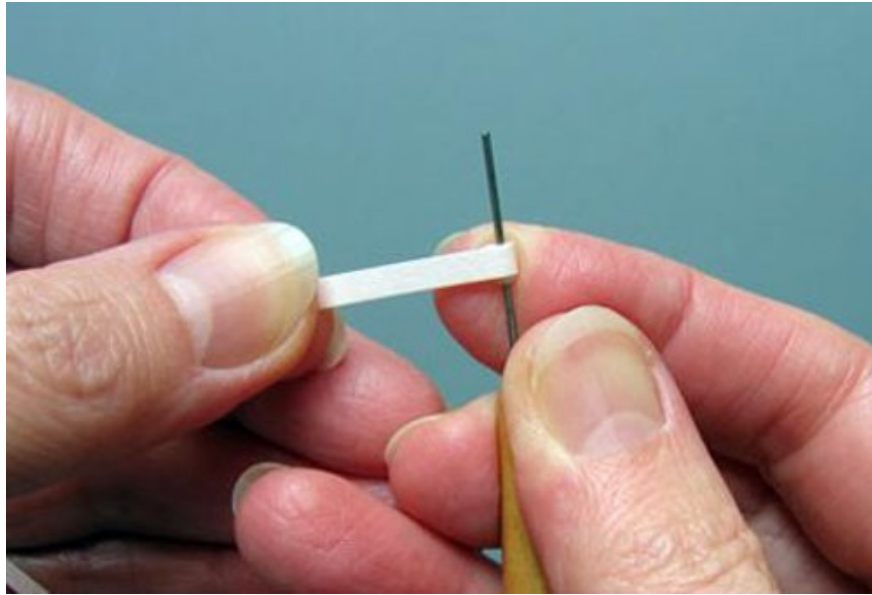

Fold the card neatly and set it aside.

Step 2:

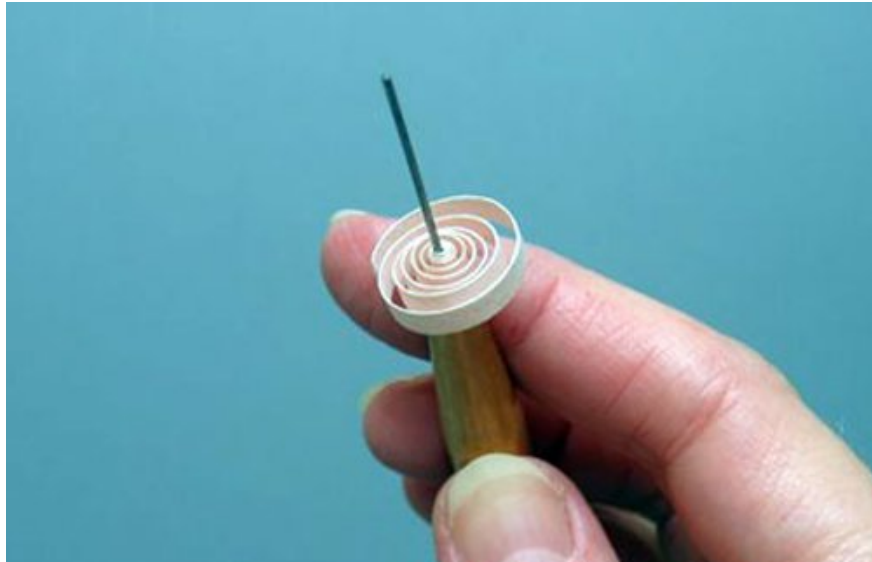

Cut color paper into different strips of paper (Photo: Internet source)

Cut the colored paperboard into long strips, width from 2mm to 5mm with different lengths.

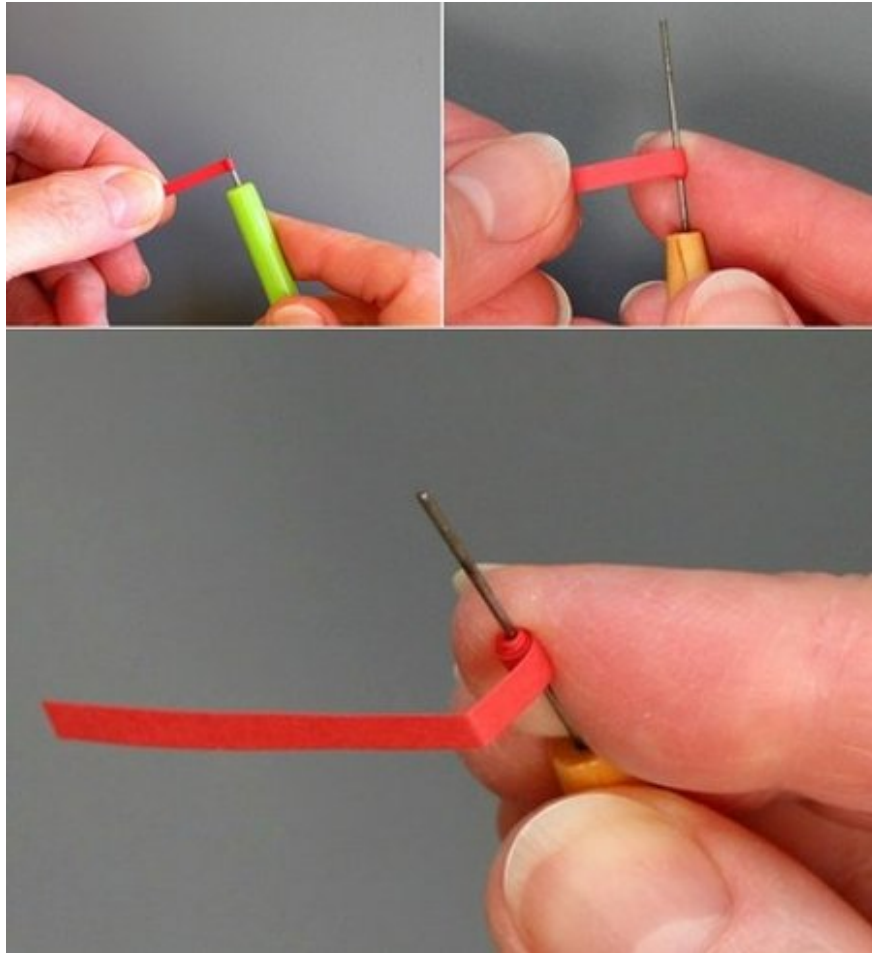

Curl paper into a pointed stick (Photo: Internet source)

Roll these strips of paper around a small toothpick or stick to form a tight circle and then fix the sticky milk.

Can adjust the tightness, tightness of paper rolls (Photo: Internet source)

Make 5 or 10 rolls of this round paper to make the petals. (Quantity depends on the decoration you like).

Roll many different colored paperboard to create a variety of colors (Photo: Internet source)

Roll different sheets of liquid, size, and color to create a variety of decorative shapes.

Roll a lot of different sized strips of paper and then re-apply the glue (Photo: Internet source)

Step 3:

Use candle glue to attach paper rolls to the card. Arrange the scrolls into beautiful shapes.

Paste paper rolls on the card (Photo: Internet source)

So it only takes 5 minutes to complete the card with roll paper to give to your loved ones on the upcoming Vietnamese Women's Day October 20.
