

# How to make Christmas wreaths with beautiful and simple wall stickers with colored paper

Christmas is coming soon, if you have no idea what to decorate your home, please quickly make a wreath of colored paper wall paper in this simple way to catch Christmas sparkling.

The laurel wreath is one of the indispensable items every Christmas, often many people choose to buy ready-made laurels to hang indoor decorations. However, with the way of making Christmas wreaths on the wall below, you'll forget to find them.

Currently, laurels are created from many different types of materials and colors with more and more unique and unique designs. This Christmas, instead of having to buy a popular wreath outside of the store, you can make your own wreath with beautiful colored paper to paste on the wall with just a few simple manipulations and no material. easy to find. Let's get started right now to make this super cute Christmas decorations!

## Raw material for Christmas laurel wreaths with colored paper

You need to prepare the following materials:

1. Red and white paperboard.
2. Perforating tools.
3. Glue.
4. Spread yellow ribbon.

## Simple steps to make Christmas laurel paste with colored paper

**Step 1:** You create a big ring image on the white cover as a frame of the laurel wedge by marking the two different sizes and then cutting it out along the marked line.

Christmas wreaths with colored paper walls are easy to do.

**Step 2:** From the red cover you use a large hole punch to create large circles as shown below, then paste these red circles on the laurel frame.

Red and white colors are typical colors of Noel.

**Step 3:** From the white cover, use a smaller hole to create small circles and randomly paste on the red circles.

**Step 4:** Finally leave the laurel wreath more sparkling, tie the ribbon into a bow tie underneath.

This laurel wreath will help your room stand out during this Christmas season.

*Note:* Depending on your Christmas decoration ideas, how do you choose colors in a suitable way? The laurels are made from paper like this, you should do light hand to avoid tearing and after finishing, hang on the wall to make sure your room is very prominent.

You see that the way of making a colored wreath of Christmas decorations is not difficult at all, just take a moment that you have produced a beautiful laurel wreath. Make your home more gorgeous and cute with this Christmas decorations.

Good luck!
