Below, **TipsMake.com** would like to guide you to make the aroma of coffee aroma extremely simple.

Fragrant bag making material

1. Piece of crumpled lace fabric
2. Coffee beans
3. Scissors, needle thread
4. Fastener

You should use lace or lace fabric because these fabrics have small holes in the cloth, which will help the aroma of coffee from the bag can radiate out.

How to make aromatic bags of coffee flavor

Step 1:

Cut the lace into a rectangular piece of cloth about 20cm long, about 7cm wide.

At the width of the cloth, you fold about 0.5cm and use stitches to make the mouth of the aromatic bag more neat and beautiful. Then do the same with the remaining width edge.

Step 2:

Fold the cloth twice, so that it is neatly aligned so that the widths of the piece of cloth fit together. Then you stitch the length of the cloth to make a bag. Leave about 3cm in the folding section to make the bottom of the bag.

Step 3:

After sewing, you fold the fabric edge that has been left inside the bag like the picture and then use the sewing thread to fix it. Do the same with the cloth edge on the other side to get the finished cloth bag.

Step 4:

You put the coffee beans inside the bag.

Step 5:

Use a piece of rope to fasten the mouth of the bag.

You can decorate other shapes as you like to make the bag look more lively.

In addition to coffee beans, you can use dried flowers, herbs with pleasant scents, put inside the bag to create different aromatic bags depending on your preferences.
