Guide to buying money from Kwai

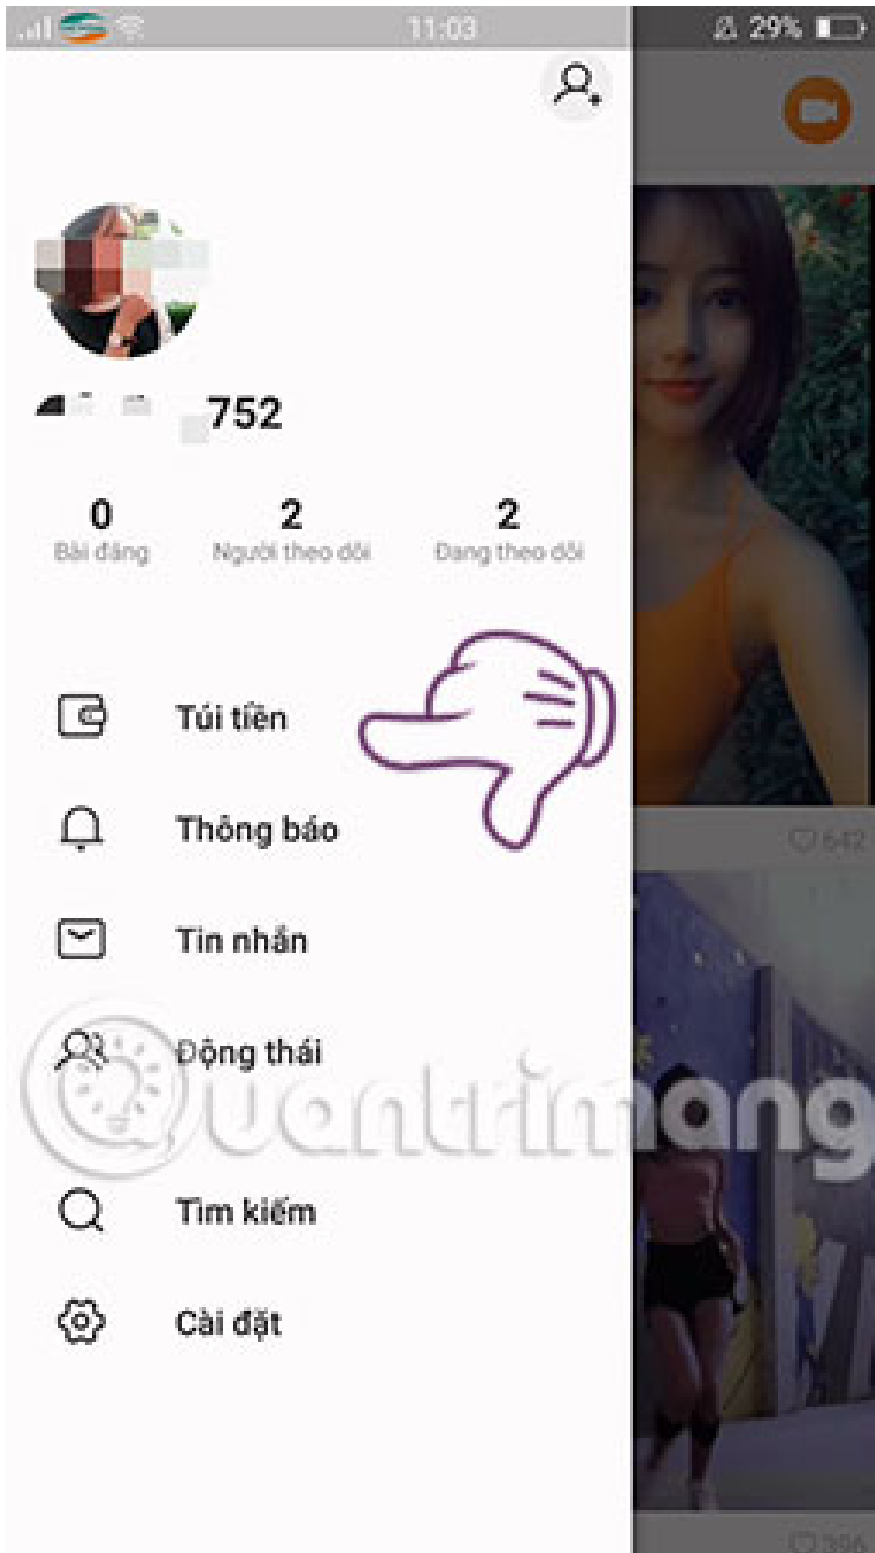

To make money with Kwai app, you just need to create clips and share them for everyone to see. However, if you only record videos and upload them, it is not enough, you must interact with the community using Kwai to increase views, likes and comments for your videos, the chances of receiving money from Kwai will be higher. Because Kwai will base on the favorite level of the video to reward Kwai Koin.

This Kwai Koin will be used to exchange for USD currency at the exchange rate of 1 Kwai Koin = 0.01 USD. One drawback is that Kwai only supports withdrawals via Paypal, so you have to register for a Paypal account to be able to withdraw money.

Reading here, you will wonder how much money each view, like or comment will get. In fact, because of the new experience, the network administrator is not sure about this calculation, but through the trial of 2 clips, in which 1 clip is 1 comment and 1 clip is 2 comments, and both clips are about 90 views checked 64 Kwai Koin, ie 0.64 \$ ~ 14,000 VND. If so, it is also worth playing right? If you are lucky to have a top video, it is possible to have one of your videos in two days earn more than \$ 10.

To check your earnings, simply press your avatar in the upper left corner of the screen, then select **Moneybook** to see all available Kwai Koin balances. You can click on it to check the details of how much USD.
