How to make roses cards for mothers

Step 1:

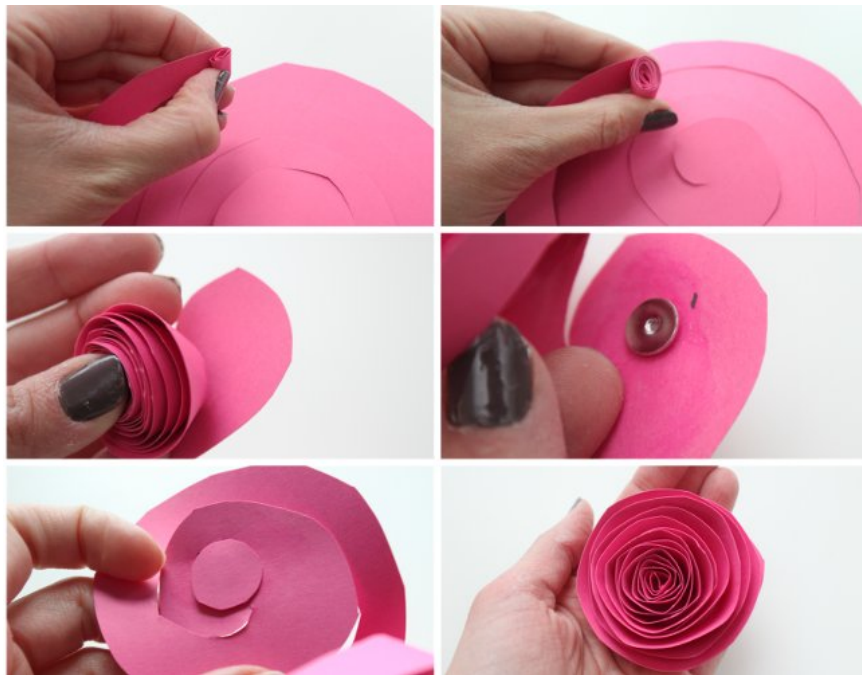

Use a compass to draw a circle on a pink paperboard, or you can use a circular object, place it on the paper and cut it in that circle.

Then, drag in the cut shape and continue to cut the small circles inside in a spiral, almost like a spring.

Step 2:

Next, fold the edge of the paper inside the circle, then slowly roll the paper into a rose shape.

Attach the pin to the back of the flower as shown.

After rolling all the paper, take the fixed glue so that the flower does not fall out and correct the petals for symmetry.

Step 3:

Fold the purple paperboard to make cards.

Cut the paper in to fit the size of one side of the purple paperboard. Then, stick the inner paper on the front of the card.

Step 4:

Locate the middle of the card, attach the nail to the card like the picture and then pin the rose to the card.

If you don't find a pin, you can use rose milk paste on the card.

Step 5:

You draw 2 M letters on the white paperboard and take the scissors according to the drawing. You can draw artistic stylized letters to make the card soft and lively.

After that, use glue of 2 M words before and after the rose to create the word "MOM" in Vietnamese means "mother".

It is possible to paste text with sticky sponges to create Braille on the card.

Step 6:

Finally, cut a piece of ribbon, tie a ribbon and paste it on the card to decorate.

Thus, the rose card for mothers has been completed, you just need to write sweet wishes and love words to your mother on the upcoming **Vietnamese Women's Day October 20** .

Or you can make your own rose flower to create a gorgeous dress-up flower for your mother.
