

How to make Valentine's cards like candy

It will be surprising and meaningful if he or she receives a cute Valentine card made by your own skillful hands.

Cards are a familiar gift for most of us. Today many people prefer handmade cards, because these cards show the heart of the person who sent them. Therefore, on the occasion of this Valentine, please make handmade cards very simple to give to those you love.

1. Make 3D embossed cards for lovers on Valentine's Day

Resources

1. Card making paper color: 2 different color sheets
2. Glue
3. Scissors, color pens
4. Some decorations: beads, stickers .

Making

Step 1 : Use scissors to cut 2 card sheets into 2 rectangles, of different sizes.

Step 2 : Use adhesive tape to re-affix the two rectangles together, the small image stuck in the big rectangle.

Note : along the 3 edges of the smaller rectangle, leave a length edge that does not leave to write the greetings and enter it.

Step 3 : You can write your name and stick ribbons, beads . that you love to decorate on the outside of the card.

Step 4 : Next, use another sheet of paper, cut out a heart shape and write the words Happy valentine's day or something like you, then paste it on the card.

Step 5 : Finally, prepare a small piece of paper, write your greetings and words of love on it and insert it into the blank space on the previously subtracted card.

So you have completed the card so lovely and simple right? So what are you waiting for, but don't start working right away to give your lover this Valentine's Day?

Good luck!
