

How to make video calls Messenger to play online games

Video call Messenger has an additional online game play, with unique face effects.

Play online games when calling Messenger video, why not? If you have upgraded Messenger to the latest version, you can play online for 2 people as soon as you make a video call. Accordingly, when two people join the video call Messenger, we will choose the game effects, or effects for the face. The games that Messenger provides are very diverse, like the familiar game, catch the water ball to not break, the game of flying the plane to not hit the meteorite, the song for the cat to hear, .

Each game has instructions on the screen so we know how to play. The game follows each turn, one for each player. During the game you can optionally switch to another game if you want. Besides, we can also try adding face effects when calling Messenger video. The following article will guide you how to play Messenger games when calling a video.

1. How to turn on Dark Mode on Messenger PC and mobile
2. How to turn off / hide Facebook nick even when online
3. Instructions on how to mute chat on Facebook
4. How to send Messenger messages to many people

Guide to video calling Messenger online gaming

Step 1:

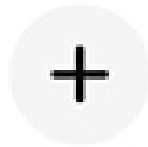

After upgrading Messenger to the latest version, we click on **the video call icon** in the interface.
