Method 1 of 3:

Running Into Him

Follow his social media to see where he is. Jace has a Twitter, Instagram, Facebook, Snapchat, and a YouTube channel that is advertised to his audience. Following his social media can let you know where he is located, and what areas he likes to frequent. Just go to the following sites on your computer or smartphone:^[1]

2. <https://www.instagram.com/jacenorman>
3. <https://www.facebook.com/JaceNorman13/>
4. https://www.snapchat.com/add/jace_norman
5. <https://www.youtube.com/user/ThatJaceKid>
6. Messaging Jace on these platforms is another way to reach out to him, but there is no guarantee that he will see your message.

2.

Hang out in places near Nickelodeon studios in Orlando and Burbank. Since Jace works for Nickelodeon, and the Nickelodeon filming studios are in Orlando, Florida and Burbank, California, you may be able to run into him in the area if he is there filming. Try going to restaurants or cafes around the Nickelodeon studios to see if Jace, or someone who knows him, shows up there.^[2]

1. People not working for Nickelodeon are usually not allowed in the actual filming areas, although they do occasionally sell tours to large groups.

3.

Read celebrity magazines and websites to find stories about Jace. Magazines like *People* and *OK!* are filled with stories about celebrities, and may feature Jace and his whereabouts. There are also many blogs that follow specific celebrities online, and they will often have photos of stars out and about. You may be able to find out where Jace is by following stories about him in the media. You can set up a google alert to tell you whenever a new story about Jace comes out, or subscribe to a celebrity magazine to keep up to date.^[3]

4.

Ask your friends, family, and acquaintances about connections to Jace. There is always a possibility that a friend of a friend knows someone who knows Jace. Asking people in your life about people that they know can up your chances of running into Jace, or at least someone who is close to him. You can also reach out to people you follow on social media who live in other parts of the world to see if they might have any connections to Jace.^[4]

1. Try not to question people too intensely when asking around. If someone does know Jace, you want them to trust you with that information.

Method 2 of 3:

Finding Him at Events

1.

Attend a talk show taping when Jace is on. Celebrities often go on talk shows to promote new shows, movies, or books. You can buy a ticket to a talk show and be a live audience member when Jace is a guest on a show, and maybe even get a chance to meet him, or at least say hello. If you can't afford a ticket or don't get one in time, try standing outside of the studio when the show is being taped. Often when celebrities first arrive at the studio to film a talk show, they will spend some time talking to fans and signing autographs.^[5]

1. Some talk shows have special deals where audience members can request free tickets, or show off a funny talent to be featured on the show.

2.

Go to an award ceremony that Jace will be attending. Award ceremonies usually have red carpets where fans can meet, or at least talk to, celebrities. For the past four years, Jace has been going to the Kids' Choice Awards, so you will most likely see him there again. Tickets are given out based on a lottery system so there is no guarantee you will be able to buy them, but you can request tickets by clicking the link below:^[6]

2. Red carpet events are often crowded with other fans and paparazzi, so while you may see Jace at these events, you might not be able to actually talk to him.

3.

Find a meet and greet that Jace hosts. Celebrities who get a lot of requests to meet fans will sometimes hold meet and greets that you can buy tickets to. At a meet and greet, you'll be able to meet Jace one on one, take photos with him, and get his autograph. Jace has been known to interact with fans before, so it is possible that a meet and greet could happen in the future.^[7]

1. Meet and greets are often flooded with fans, so you may have less time to talk with Jace than you would like.
2. If Jace does host a meet and greet, tickets will probably sell out fast, so make sure to buy yours right away.

Method 3 of 3:

Talking to Jace

1.

Act normally when you meet Jace. If you do end up meeting him, treat Jace like any other person, because he is a human too. Getting excited is okay, but try not to act too star-struck. Celebrities like it when fans can hold normal conversations with them. Even if you are freaking out on the inside, you can try to ask questions about his work on the shows that you like, or something interesting you saw on his social media recently.^[8]

1. You can ask him things like, 'I loved your character in *Henry Danger!* What was your favorite part about playing him?' or, 'What has been your favorite movie role so far?'
2. Don't ask questions that are too specific about Jace's life, or you may come across as an obsessed fan.

2.

Ask him before taking a picture. If you meet Jace out and about, he might not want to take a picture with you right then, and that's okay. Asking nicely and respectfully will up your chances of getting a photo with him, and improve your interaction overall.^[9]

1. A simple statement like, 'Hi Jace, I'm a huge fan. I was wondering if we could grab a picture together?' will be much appreciated by him, and will probably get you a photo with Jace.
2. Taking sneaky pictures of celebrities when they are in their day-to-day lives is considered pretty rude, so you should try to approach and ask him for a picture specifically.

Keep your interaction brief so Jace can talk to other people. There may be more fans like you wanting to talk to Jace. Plus, all celebrities are busy people, and Jace is no exception. Whether you meet him at an event or on the street, he may not have all the time in the world to talk to you. Try not to be offended by his time limit, and graciously accept the time he does have to offer you.^[10]
