2. DIY Mid-Autumn lantern

Lantern procession is one of the impossible activities of Vietnamese people during the Mid-Autumn Festival. Today, there are too many types of Mid-Autumn toys, modern electronic lanterns on the market that make it difficult for children to have much contact with traditional Mid-Autumn lamps. Therefore, the Mid-Autumn lamps of Vietnam such as Ong Sao lamps, troop lamps, hard lights, fish lights . are gradually forgotten. It will be very meaningful and interesting if you invite artisans to teach children how to make simple traditional lanterns. At night, the children will receive the lamp by the lantern they made.
