

# How to pin emoji, stickers in Instagram Story videos

Story Instagram allows you to pin text, stickers or emoticons in a video in one location, rather than appearing in the entire video as before.

When you shoot Story Instagram videos, there are many options to add stickers, emojis or text to add more interesting content to the video. For example, you can post an Instagram Story video quiz, create a question on Instagram Story, etc. Or simply insert text, emoticons. Typically, such details will appear from the beginning to the end of the video. However, Instagram has allowed you to choose where to appear in the Story video. The following article will guide you how to pin stickers on Instagram Story.

## Guide pin sticker Story Instagram video

### Step 1:

At Instagram account interface, we click on the posting as usual, and then record the video.
