### **Try to move very close to some astronaut, press Kill to defeat**

You won't be able to take down the Crew consecutively, as the Kill action takes 15 seconds to cooldown.

Here are some tips that TipsMake synthesized and summarized after the process of experiencing the role of Impostor in Among Us:

1. **Stay calm and confident:** if caught near the **Vent - vent** don't rush to do anything. Feel free to go and pretend you're looking for an Impostor or on a Task.
2. **Avoid being seen by others:** keep in mind that there will be cameras located all over the map. When preparing to kill some prey, you need to check if there are any cameras around? Does it work or not?
3. **Which prey should be dealt with first:** beginners of course, newbies. Pay attention to how to move, do not know the way, do not know how to open the map, do not know how to perform the task . then prioritize to defeat these objects first!
