Blockman GO play for free no download required

How to play Blockman Go Now GG online without downloading

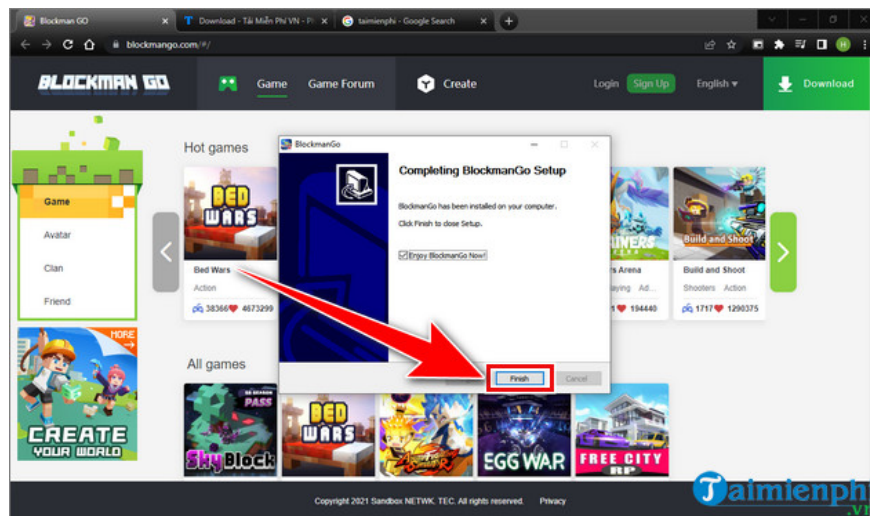

The Now GG website used to allow players to experience Blockman Go online and many other attractive games right on the browser for free. However, the online playing service for this game has stopped working. However, you can still participate in the game directly through its homepage. Follow the steps below to get started:

Step 1: Access the game **HERE** .

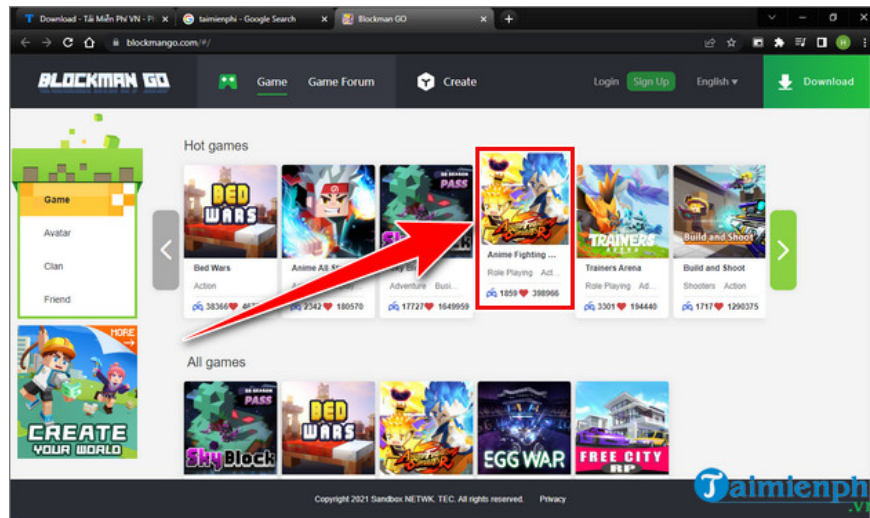

Step 2: On the home page, click the **Download** button on the top right of the screen and select **PC Download**.

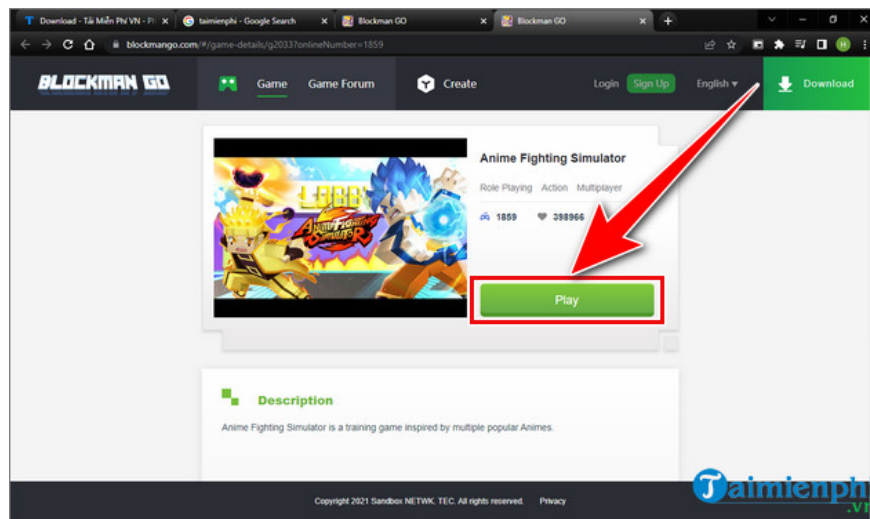

Step 3: Open the downloaded file to install the Blockman Go client, click **Finish** to complete the installation process.

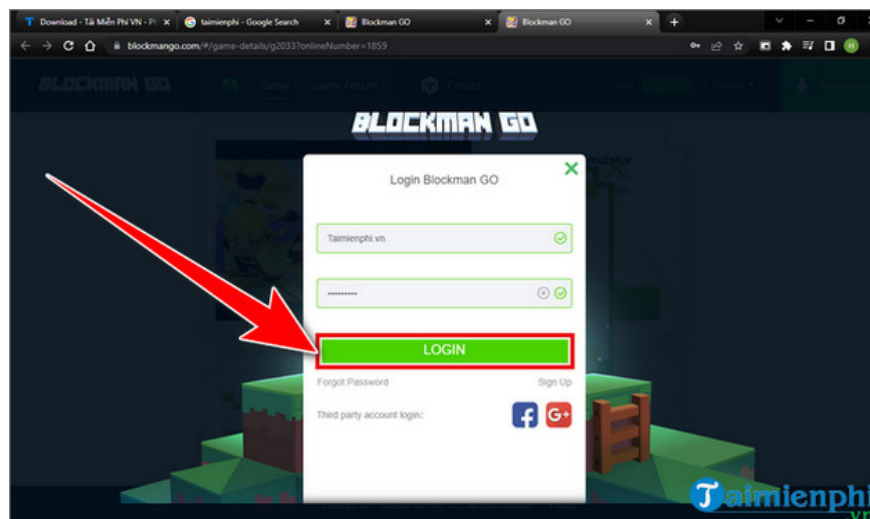

Step 4: Return to the Blockman Go homepage and choose a minigame you want to participate in, here TipsMake will choose the minigame **Anime Fighting Simulator** .

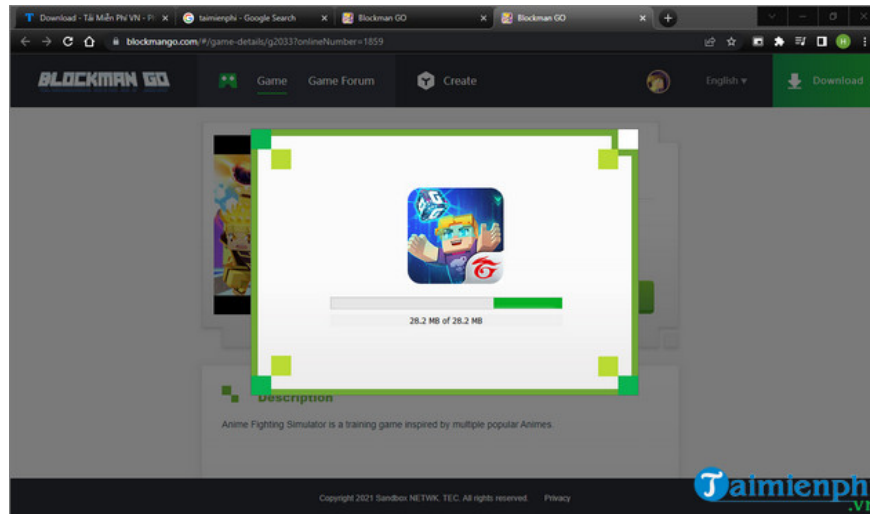

Step 5: Click **Play** to start playing the game on your computer.

Step 6: Before entering the game, you need to log in with your Blockman Go account or log in with your Facebook or Google account. Enter your account and click **Login** to log in.

Step 7: Wait about 1-2 minutes for Blockman Go game to load data.

Step 8: After the data loading process is complete, you can play Blockman Go online directly on your computer without downloading a phone emulator.
