

How to play Coin master effectively

If you want to play Coin Master more effectively, take a look at some useful Coin Master playing tips in this article.

How to play Coin Master effectively? The effect here is that you can make the most of what the game has given you, relying on finding the free Coin Master free spin code link, running spin on the Facebook Fanpage or hacking the spin coin master. You will have turns to steal money, destroy your house, upgrade your home, upgrade your pets . and work hard, you will unlock many houses faster than other players in the game.

It is important to play daily or at least open the game and check the condition of your village, otherwise, you can find it destroyed and raided by other players. Spin for shields and get your village protected from those attacks when you are not playing. If you are too impatient to wait for the 5 free spins that the game gives you after an hour you can get coin master free spins and also free coins by trusted and authoritative free resources. The main advantage is that the links here are virus-free and updated daily. You can also scroll and get more coins and spins from previous days.

But actually to play Coin Master more effectively is not enough. Every game will have tips and Coin Master too, to play Coin Master more effectively, you can check out the article below.

Tips to play Coin Master effectively

1. How to send more than 5 cards in a day in Coin Master
2. Touch two fingers when going to steal gold
3. Get free spins in Coin Master
4. Betting
5. Keep your animal awake
6. Buy chests in different villages
7. Go to VIPs
8. Join the Coin Master groups on Facebook
9. There are many Coin Master accounts

How to send more than 5 cards in a day in Coin Master

Players can deposit cards in Coin Master if they have extra cards. Limited to 5 cards per day, this number cannot satisfy gamers when the sender also wants to receive support from other gamers.

To send more than 5 cards in Coin Master, you just need to **change the date on your phone** . With a minimum of 24 hours difference, you can send 5 more cards to gamers who need help and repeat the next day. The second way is to **remove the game and reload it** , after reloading you will be sent 5 more cards.

Touch two fingers when going to steal gold

Every time the turn turns the face of the pig, many gamers are happy because there is about to be a deposit to the treasury. You will have 3 times stealing gold on 4 points in a friend's house, and if unfortunately then 1 of these 3 turns will have a spray - No Coin, not to mention less money.

If you have an interest, it will dig you the last umbrella, but if not, you can touch two fingers at the same time. You will get money in both boxes, so remember to touch both boxes at the same time. Because of this, many people have hidden their friends on Coin Master.

Get free spins in Coin Master

The spin, also called spin, bet you have a lot of people who know how to run the Coin Master spin before they know how to play Coin Master. Now you can get turns on groups, Facebook fanpage by making friends and invite friends to get spin. There are also apps and websites that have spin links.

Betting

If you have a lot of spins, you can bet or call the Bet to spin 2 or 3 times. What you get will also triple up, except for the hammer breaking friends' houses. Spinning amount, spin count, shield .

The higher the number of spins in your inventory, the more bets you can increase, for example x10, x20, x40, x80, x100 or more, which is called Super Bet. Especially when turning the pig face that stole gold friends' house. The amount of stolen gold will increase many times, if your turn is low then the Super Bet will not be turned on and max you will only bet 3 times.

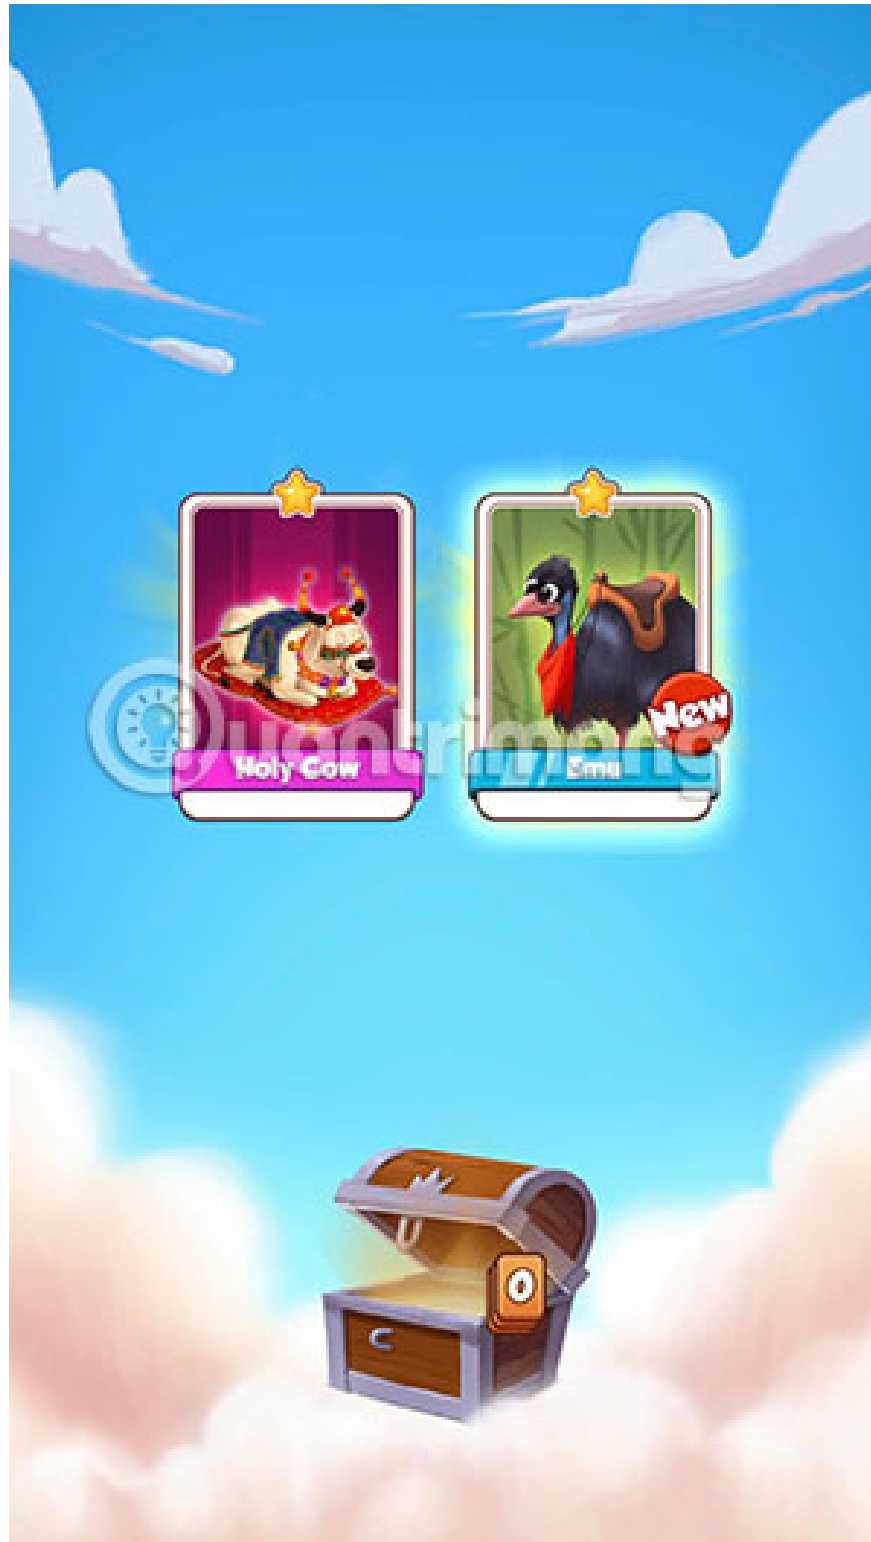

Keep your animal awake

If you feed your pet, it will help you within 4 hours. If you feed him and cannot play for these 4 hours, it is a waste. So, just feed the pet if you can play long enough.

An additional tip here is that everyone gets a free 15 minutes of pet ownership every 24 hours. If you only have a few minutes to play then use this one. Also, if it is available you should use it when you can play longer. This will not cost your pet food.

Buy chests in different villages

You should buy chests in a different village. Why is it because every village has different yellow and rare cards. If you do not buy it, you will not be able to get them when you are in higher villages.

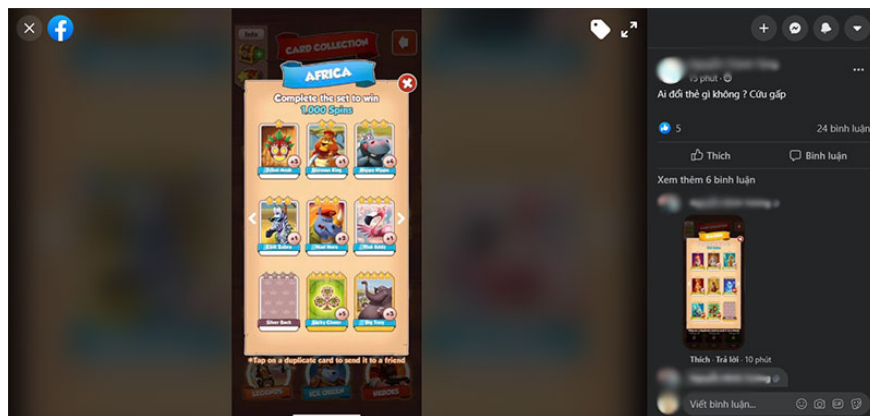

Many people believe that one to 1.5 billion gold coins should be spent just to buy chests in each village. In some villages, it is more important to stay and buy a chest for a little longer than to go to the next village. Because there, you can find more and rarer yellow cards.

Go to VIPs

Unlike other online games, to become a VIP of Coin Master. You must be invited by Coin Master, and there is no way for you to actively become a VIP Coin Master. The only advice is that you have to spend real money in the game and level up fast.

Join the Coin Master groups on Facebook

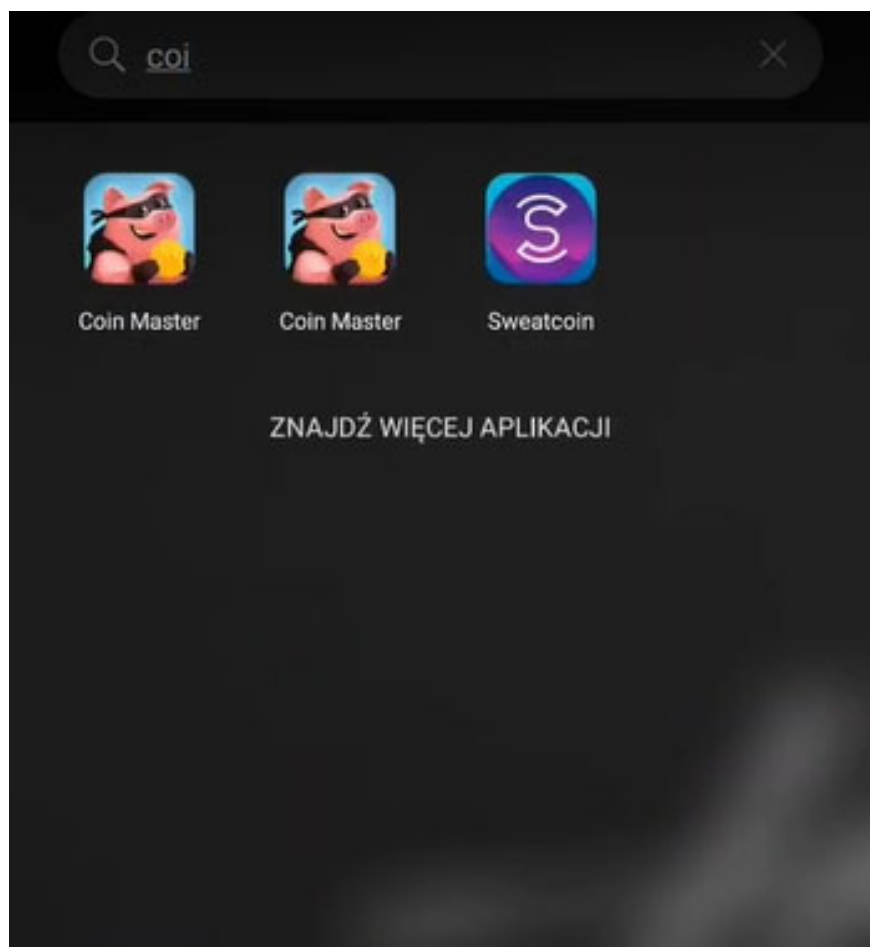

If you are a new player, you can join the Coin Master fanpage and groups on Facebook. You can ask questions at groups and fanpages or on other people's posts about your questions.

In addition, you will earn spin turns and exchange tokens in Coin Master to play. So this social network will be a place for you to quickly have experience in Coin Master.

There are many Coin Master accounts

There are many people who use a second Facebook account to play Coin Master, called a secondary account. You can use this secondary account to get more yellow or rare cards, especially they have missed these cards in your main account.

For every 2nd account on Coin Master, of course, you must have a 2nd Facebook account. To switch between accounts, some players use the app copier to have multiple versions of Coin Master and Facebook on the same device. Or simply log out of the main Coin Master account and log in the secondary account.
