Co-op mode in Wuthering Waves is quite necessary because players can form a team to hunt bosses and train monsters much easier than going individually. Although the gameplay mechanism is similar to Genshin Impact, there are certain differences, gamers will still be confused when first participating. We at TipsMake would like to guide you how to play Co-op in Wuthering Waves.

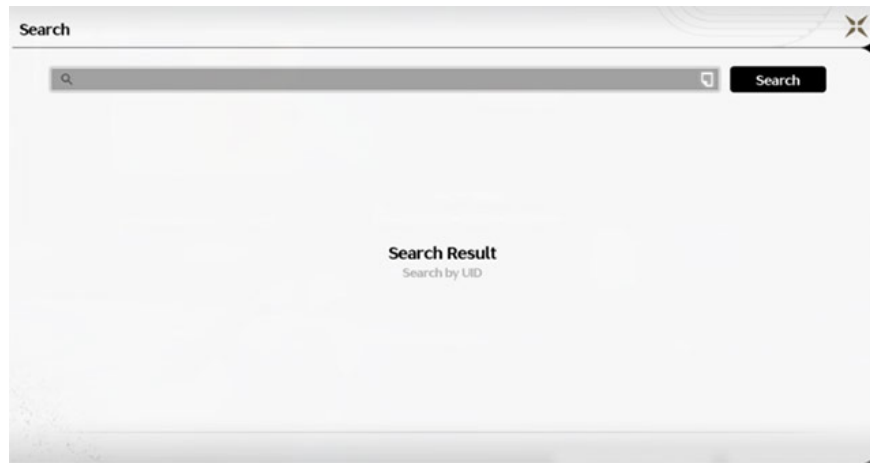

Requirements to play Wuthering Waves co-op play

1. The developer has a certain requirement if you want to play Co-op mode. You must reach level 25 (according to your CBT2 version account) to play co-op.
2. Once you've reached a certain level, you can invite friends to your party or join theirs. You should also note that each team can only have a maximum of 4 people (including you).

How to invite friends to join the party in Wuthering Waves

Find friends: Search for your friends by account ID in the Friends menu. You can find the account ID under Rover's name in the main menu.

Once you've found your friend, send a friend request and wait for them to accept. Once they have accepted you as a friend, they will appear in your friends list. You can find them in your friends list to invite to your team, of course they can only be invited if they are online.

What do you get when you play Wuthering Waves co-op?

1. **Share the danger with others when hunting bosses:** Of course, "If 4 hits 1, if you don't get one, it's lame", and your team, when combining generals with many different elements, can overcome the boss well. that you must confront. For example, a fire-type boss will be overcome by ice or water, along with that, you will not have to endure all the dangers that the boss causes you.
2. **Passing the level:** If you want to pass the level easily, you can ask for help from your teammates to pass the level.
3. **Eat items:** You can join different teams to farm items and important resources, helping you quickly increase your character's strength.
4. **Change Resonance :** Friends will fight with friends so you don't have to constantly switch between Resonances.

"If you want to go fast, go alone, if you want to go far, go together", that is the truth applied in Co-op mode not only in Wuthering Waves but also in other teams. Having a team full of attributes will help you complete tasks faster. Remember to receive the Wuthering Waves code to get more items and increase your character's strength when you are pulled into the team.
