

How to play online hunting game right on Google

Google has brought a more modern and accessible version of the snake game.

Snake is a classic game that has been associated with many people's childhoods, especially popular on early mobile devices. Now, Google has brought a more modern and accessible version, helping you to experience the excitement again during the Lunar New Year 2025.

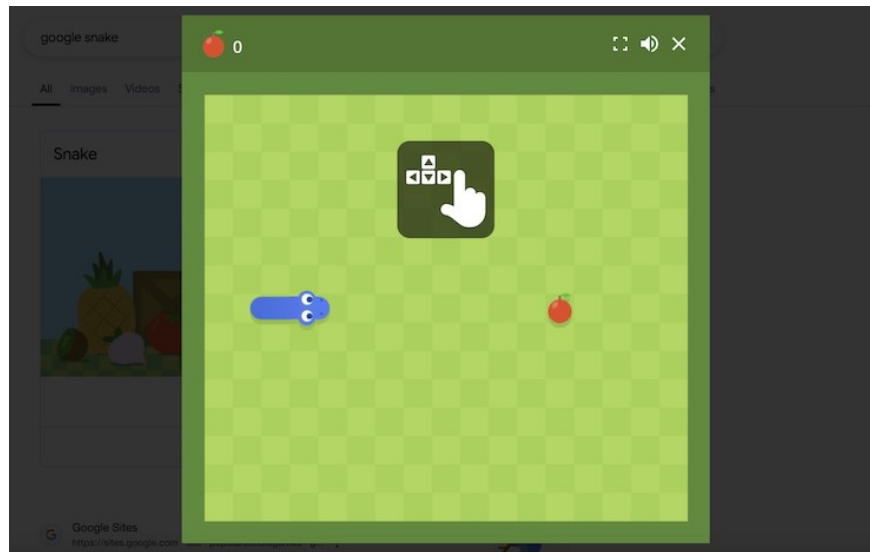

Snake hunting game on Google.

How to access

- Open your browser: Go to Google's homepage at www.google.com.
- Search for keywords: Enter the phrase "play snake game" or "snake game" in the search box and press Enter.
- Select a game: At the top of the search results, you will see a game window with a "Play" button. Click on it to start.

How to play

Control the snake in 4 basic directions.

- Use the up, down, left, right arrow keys to control the snake's movement.
- The mission is to eat food (light spots) to make the snake longer, but do not let the snake crash into itself or into the wall (if limited mode is on).
