

# How to play Airship map in Among Us on Switch

An upcoming Airship map will be added to the game Among Us in early 2021, but if you are playing the version Among Us on the recently released Nintendo Switch already have access to this map. Here's how to play the Toppat Airship map in Among Us on the Nintendo Switch.

**Among Us** was released in 2018, but it won't become popular until 2020 thanks to the streamers playing on Twitch. The game then became so popular that developer Innersloth decided to cancel the sequel project to continue focusing on it.

Last week, Among Us was awarded the Best Multiplayer Game from the Game Awards site. Also announced in 2021 will release a new map **Toppat Airship**.

Among Us development team - InnerSloth teased a new map in mid-November. It was later revealed in more detail at the Game Awards event of the year.
