

How to receive up to 5GB data for all MobiFone subscribers with M090 application

Please follow the instructions in this article to get free 5GB of data from MobiFone and feel free to go to Facebook, chat Zalo or talk to friends!

Recently, Mobifone has launched a new attractive promotion program, *'Donate data for subscribers to buy packages on M090' application*. Specifically, starting from 0h00 on April 16, 2018 to 24h00 on May 16, 2018, all MobiFone subscribers prepaid and postpaid are open in two directions (excluding Fast Connect subscribers and current subscribers) Using M10, M25 packages) buying available packages or self-created packages via M090 application during the promotion period will be given capacity with MobiFone's data level.

M090 is an application that helps you easily look up your account, create your own package or buy international voice and international roaming packages conveniently and quickly. Instead of texting with the syntax available to register MobiFone packages as before, please switch to using M090 application to just register the package and just add data up to 5GB from MobiFone.

Accordingly, you will be given data capacity with the following specific packages:

No.
