

How to schedule posts on Facebook Fanpage

For those who do advertise on Facebook, punctual posting is very important and affects the interaction of the page a lot. If you need to post on Facebook during rush hour but at that time you are busy personal can not post, do not worry and take some time to follow the instructions in the article below!

For those who do advertise on Facebook, punctual posting is very important and affects the interaction of the page a lot. If you need to post on Facebook during rush hour but at that time you are busy personal can not post, do not worry and take some time to follow the instructions in the article below!

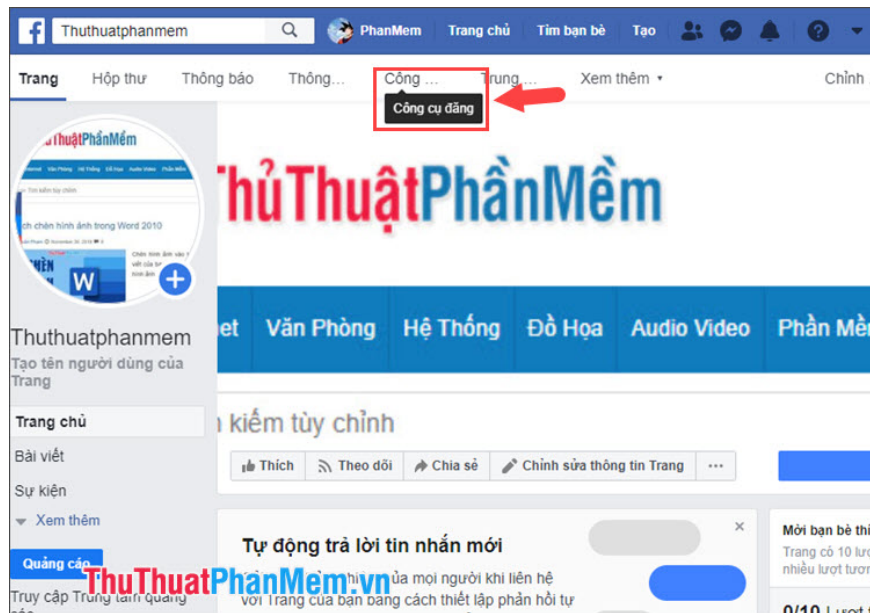

The timer feature for posting on Facebook is not new but not useful for most common users. To enable this feature, do the following.

1. Schedule posts on the Fanpage on Facebook

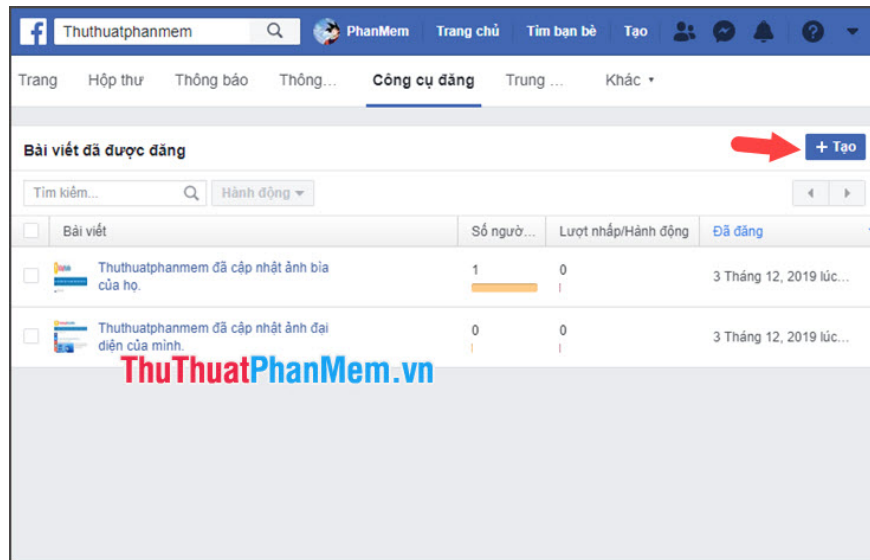

Step 1: In the Facebook homepage, click the Expand icon (1) => click on your Fanpage (2) .

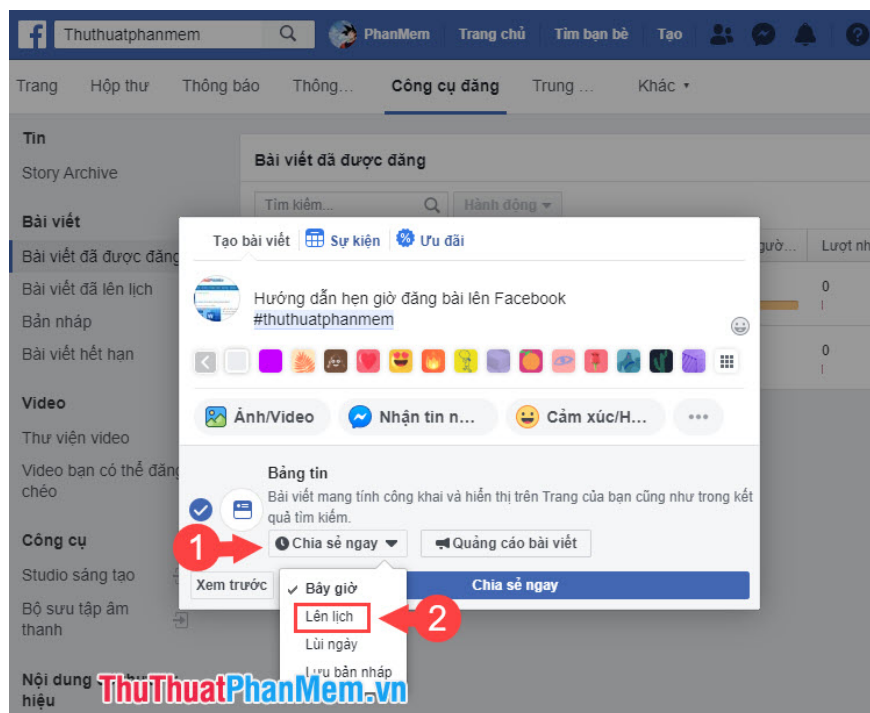

Step 2: Click on the **Tools to post** .

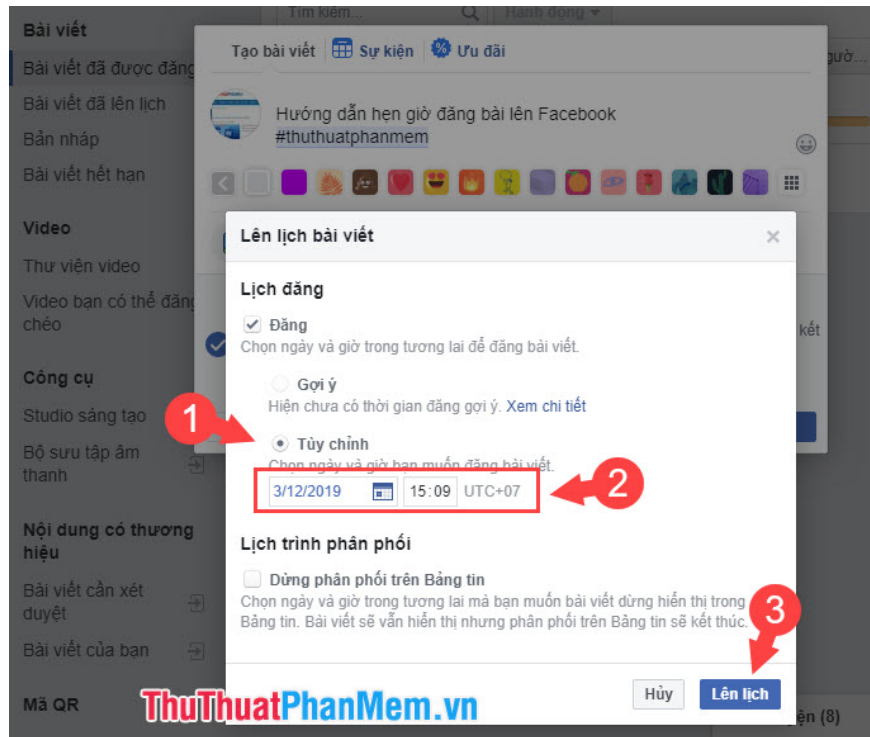

Step 3: Click the **Create** button .

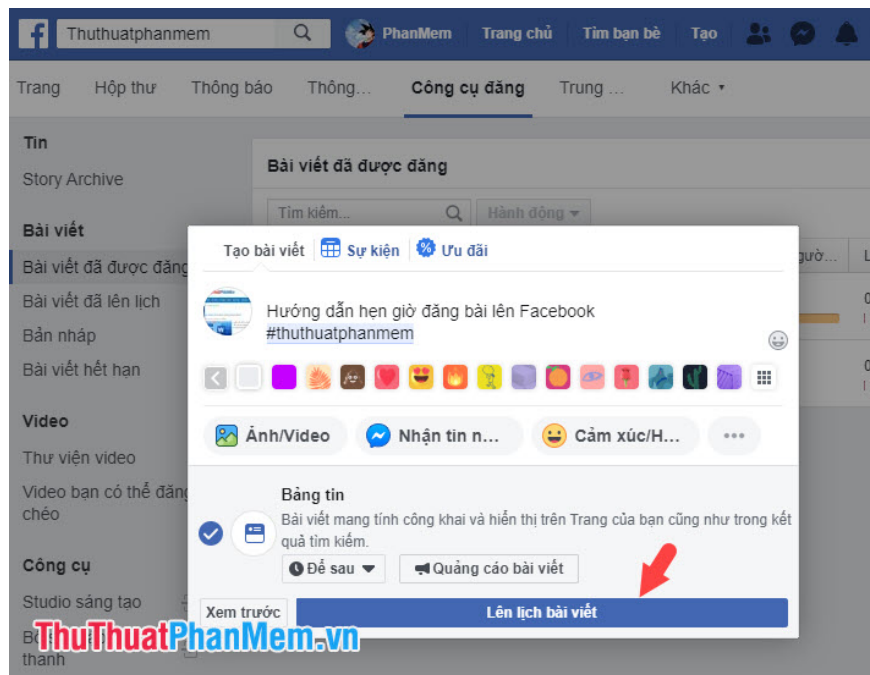

Step 4: You create and fill out the article information as usual. Next, change the **Share now (1)** to **Schedule (2)** .

Step 5: You tick the **Custom (1)** and set the post time parameters (2) . Then click on **Schedule (3)** to confirm.

Step 6: You continue to select **Schedule articles** to complete. Your article will now be scheduled and posted at the time you have set.

2. Posting time on Facebook's Fanpage via Postcron website

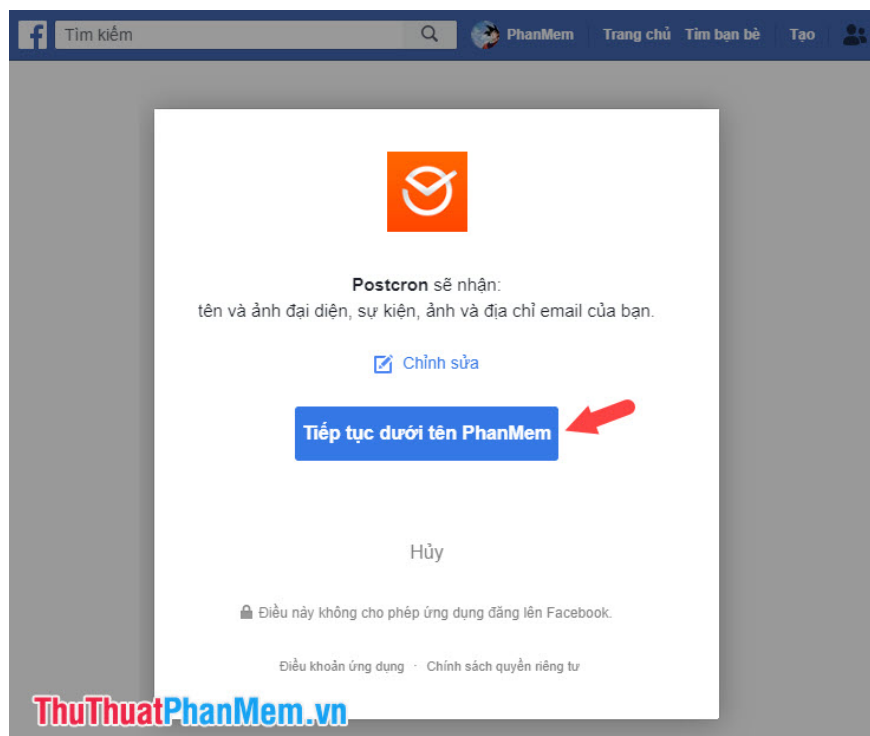

The timer feature for posting on a personal Facebook page has been removed, but we can still schedule the post, personal Facebook status easily thanks to the Postcron website. How to do the following:

Step 1: You access the address <https://postcron.com/>

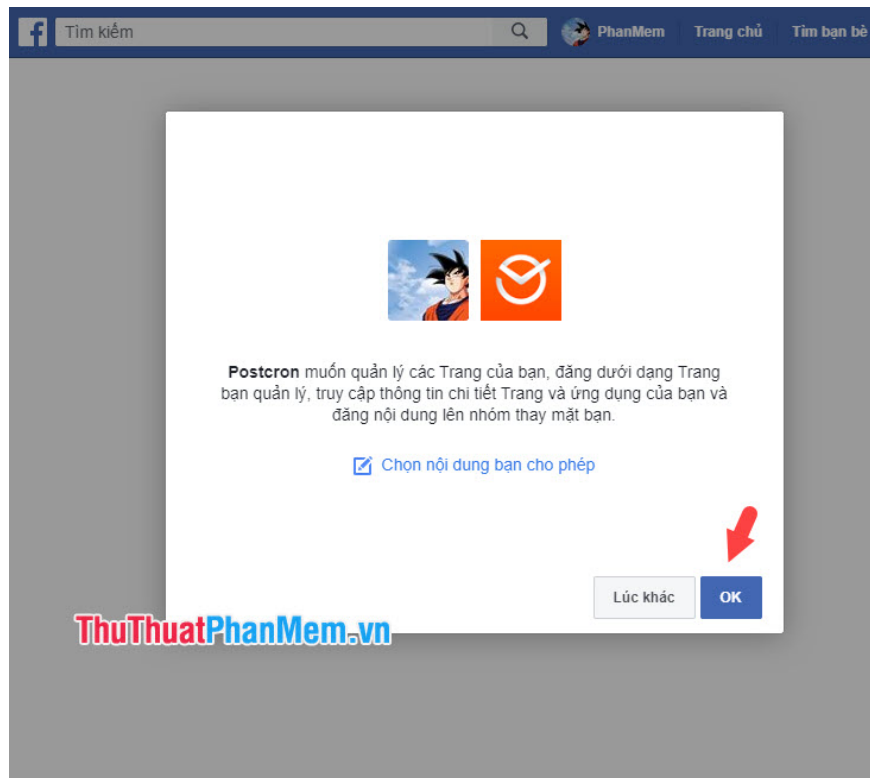

Then, click on **Sign in with Facebook** .

Step 2: You authorize the facebook account to log on to the postcron website by clicking **Continue under the name** .

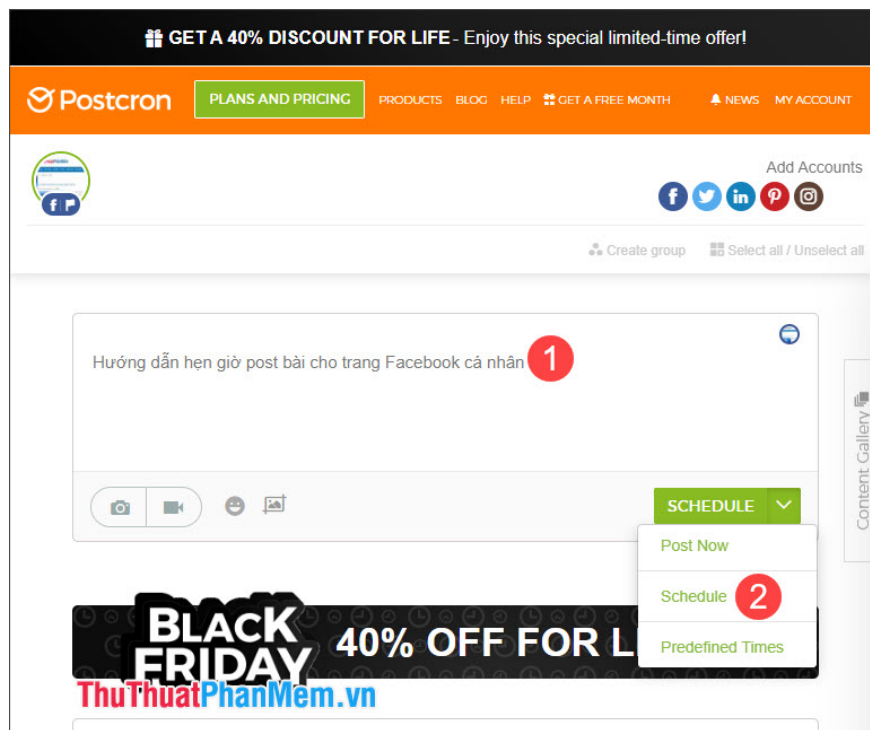

You continue to click **OK** to agree to access your account on **Postcron** .

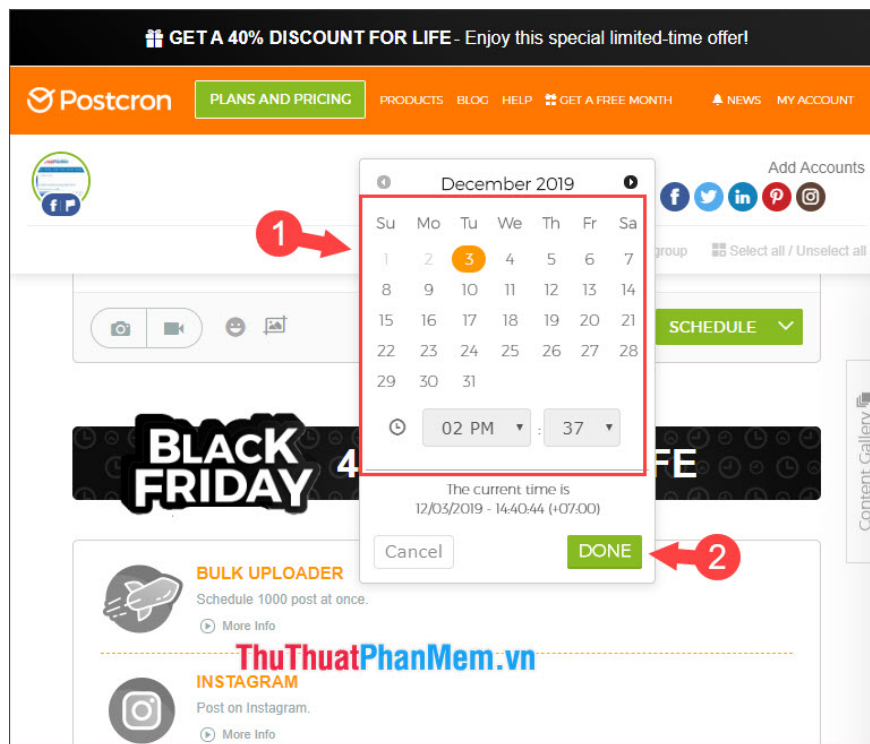

Step 3: After successful login, **Postcron** will automatically take you to the homepage. If you have not yet returned to the **Postcron** home page , please visit the link <https://postcron.com/dashboard>.

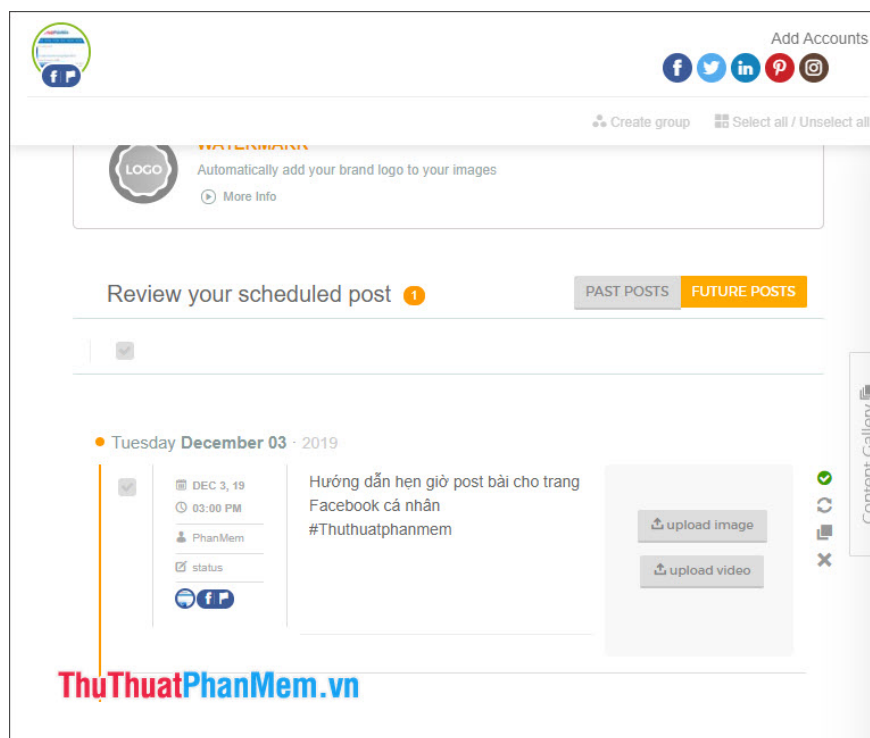

Next, enter the content of the article (1) and click **Schedule** => **Schedule (2)** to schedule.

Step 4: You set the time to post (1) and press **Done** (2) to complete.

Step 5: To review the scheduled post, scroll down and you will find the post in **Review your scheduled post** .

With two guidelines for posting on Facebook Fanpage on schedule, readers can save time and still be able to post on time and regularly. Good luck!
