1. Search WhatsApp History on Android

The easiest and most convenient way to search for chat history is to use the magnifying glass icon in the top right corner of WhatsApp's home screen. Touch it, enter the word or phrase you want to search, it will automatically filter and display messages with related terms.

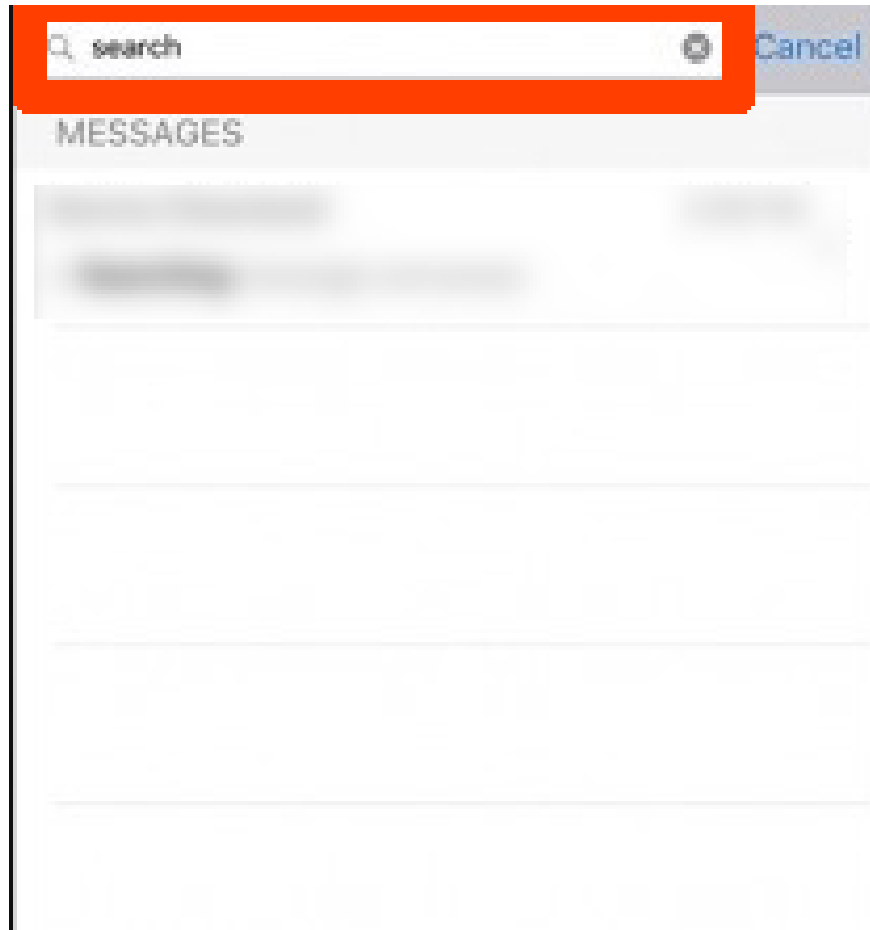

Also, if you want to search for something in a conversation or in a specific group, open the conversation, tap the menu icon on the top right, then select "S **earch** " and Enter the keyword you want to find.

2. Search for WhatsApp History on iPhone

How to search chat history on iOS / iPhone devices is a bit different. From the main screen of WhatsApp, select " Chats " at the top. Here will show all your conversations, swipe from top to bottom to display the search bar.

Enter the content you want to find in the search bar, WhatsApp will filter the conversations and show you what you need.

Using the above methods you can find all the content you need. For Blackberry or Windows Phone users, you should switch to other operating systems because WhatsApp no longer supports the above two platforms.
