

How to turn off, receive a friend's birthday notification on Zalo

Zalo to default mode to receive friends' birthday notifications. This will be annoying for some people when you receive too many notifications in a day. Therefore, if you want to not receive notifications, please turn off the birthday notification on Zalo.

Along with Facebook, Zalo is now also one of the many chat and messaging applications used by many people. And on Zalo there is also the default mode that prompts a birthday notification for friends. With this mode, you will not miss any of your friends' birthdays in the directory. However, many people do not like their Zalo continuously receive reminders to remind friends, and want to turn off this notification mode. If you don't know how to turn off your friend's birthday notification on Zalo, follow the steps below for Network Administrator.

1. How to turn off birthday notifications on Facebook?
2. Instructions to turn off notifications on Zalo effectively
3. Instructions for making video calls on Zalo

How to turn off the notification of your birthday on Zalo

Step 1:

First, we will log into Zalo account on the device. At the main interface, click on the **More** item **with the 3 dots icon** to the right of the screen interface. In the setting interface, click on **the gear icon** below, the right corner of the interface.

Profile card with a circular profile picture, the name "Ngô", the text "Bạn đã...", and the date "5 ngày".

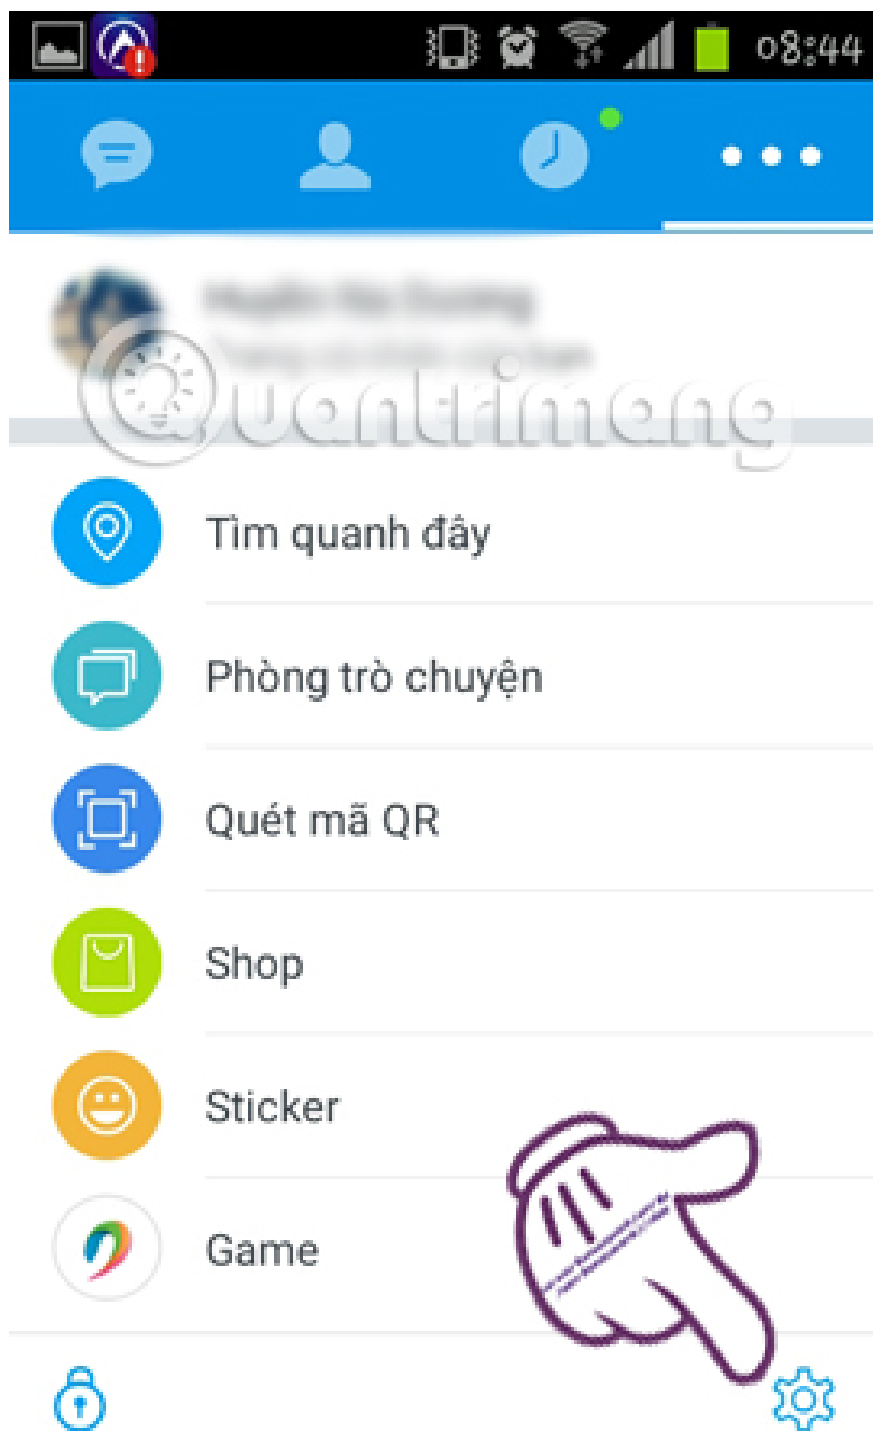

Zalo profile card with the Zalo logo, the name "Zalo", the text "Bạn đã đăng nhập vào tài khoản ...", a date "5 ngày", and a date "19/10".

Profile card with a circular profile picture, the name "Đường Nguyễn Thị", and the date "14/10".

Profile card with a circular profile picture, the name "Phạm Mạnh Hà", and the date "26/09".

Profile card with a circular profile picture, the name "Shop QTM", the text "Chào mừng bạn đến với Official ...", and the date "26/09".

Step 2:

In the **Settings** interface, you will select the **Messages and notifications section** . Go to the new interface, we scroll down and find the **Birthday Reminder section of our friends** . By default, Zalo will always turn on to receive notifications of friends. If you don't want any notifications just switch to **Off. Get notified of your friend's birthday** .
