

How to turn off update win10 thoroughly

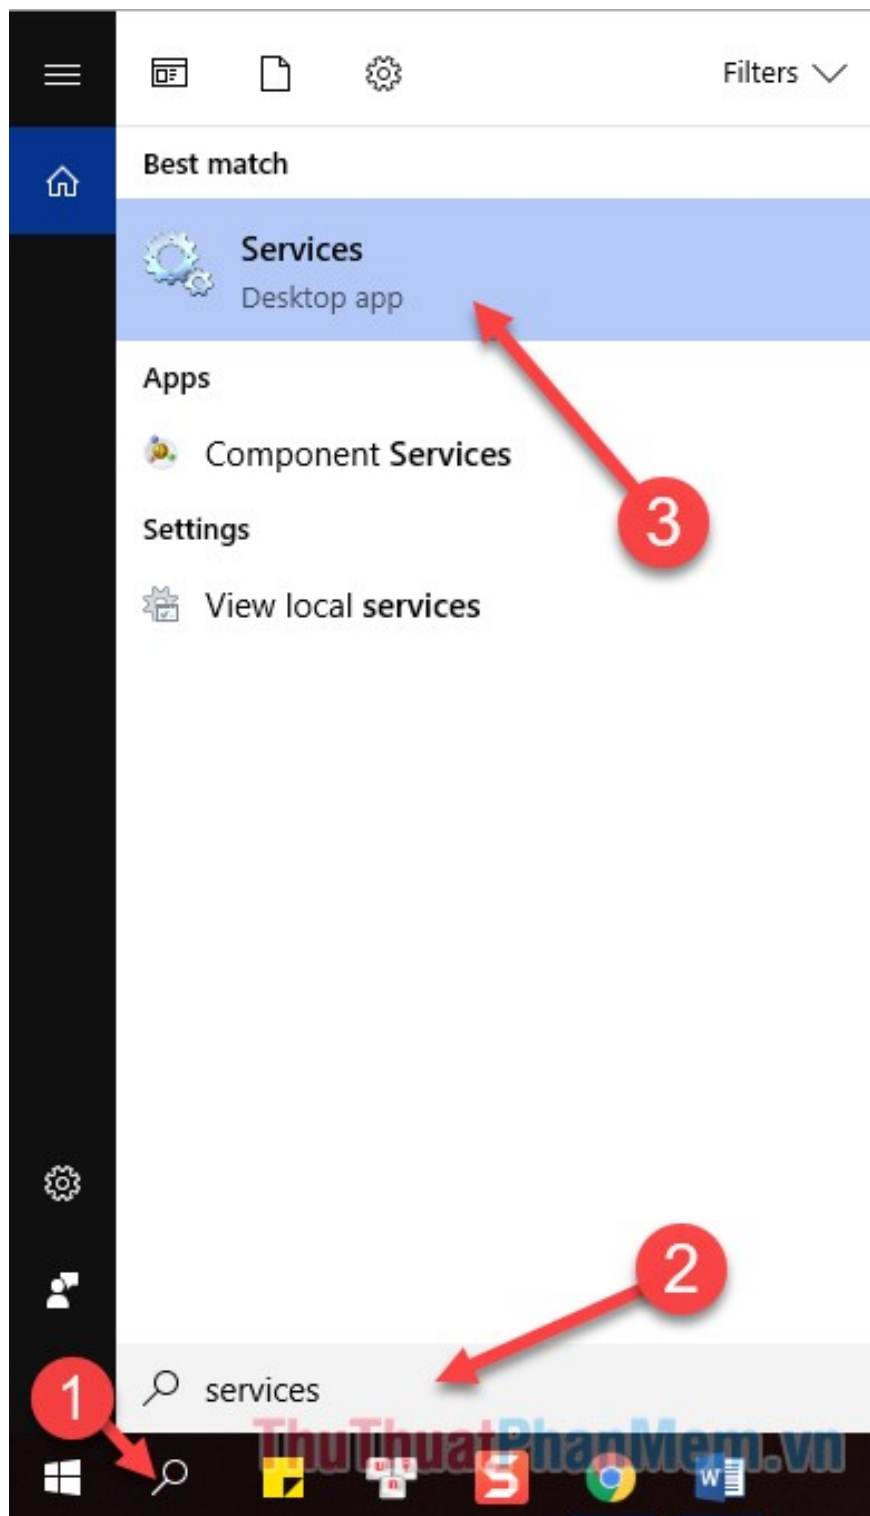

How to turn off update win10 thoroughly. How to turn off update win10 thoroughly. The automatic Update Win10 feature sometimes annoys users because it does not notify the user and when the device is turned off, it takes a long time to update. And this article, TipsMake

Win10 is currently trusted and used by Microsoft as it is getting better and better, giving users a good and convenient experience. However, the automatic Update Win10 feature sometimes annoys users because it does not notify the user and when the device is turned off, it takes a long time to update. And this article, **TipsMake.com** will help you solve that problem. **Instructions on how to turn off Windows10 update effectively and thoroughly.**

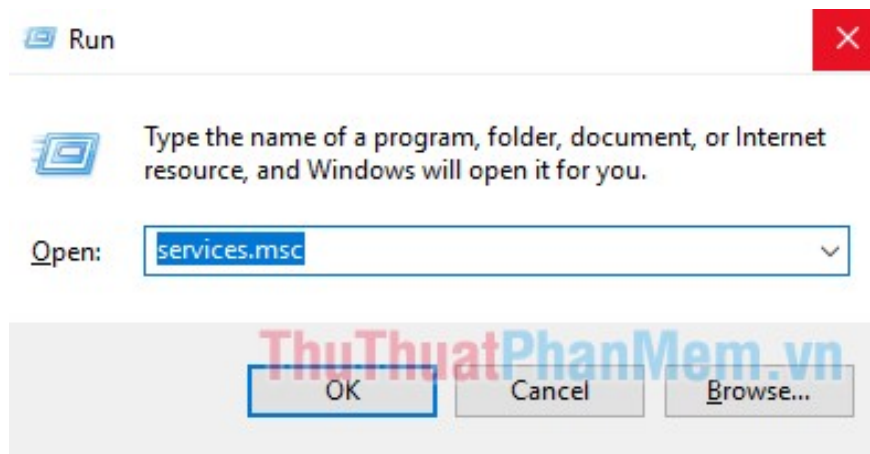

Method 1: Turn off update with Startup Service

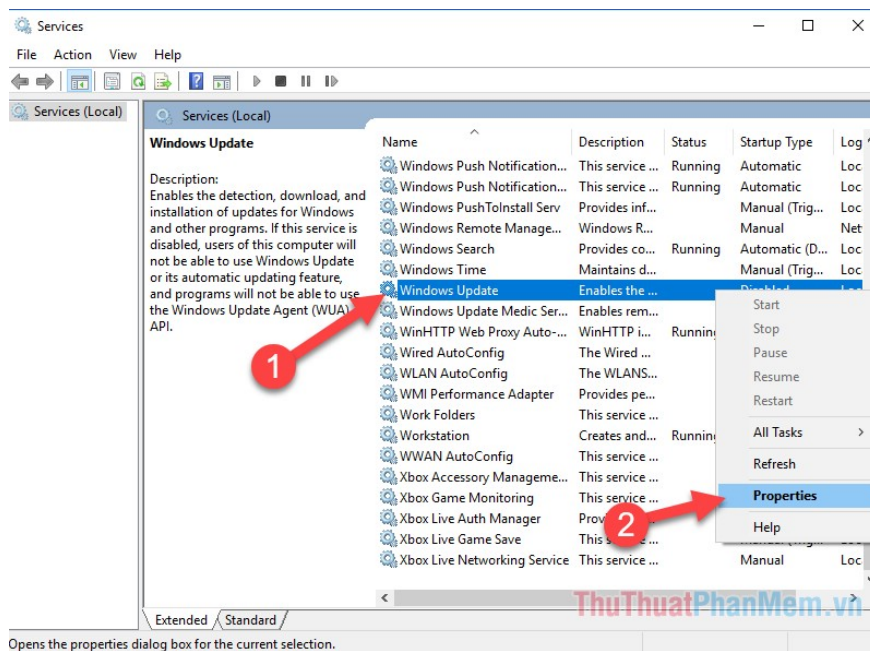

- Step 1: Search from the Search box on the Taskbar (1) ? Enter ' **Services** ' (2) ? Select ' **Services** ' (3)

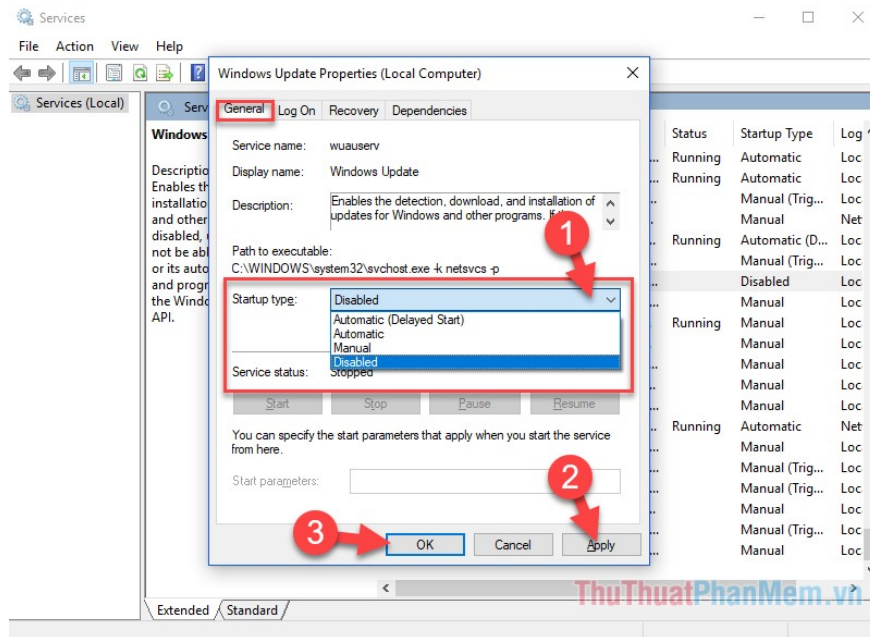

Alternatively, you can simply press ' **Windows + R** ', then type ' **services.msc** ' and select **OK**

Step 2: There you will see a lot of windows features, scroll down to find ' **Windows Update** ' right click and select ' **Properties** '

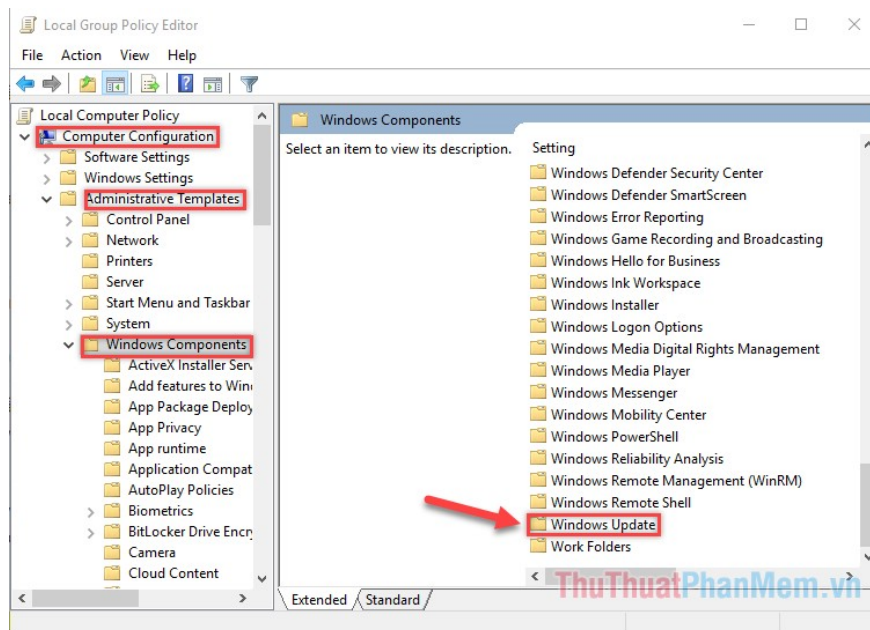

Step 3: Right at the tab ' **General** ', in the section of ' **Startup type** ' ? click on and select ' **Disabled** ' ? Select ' **Apply** ' ? **OK**

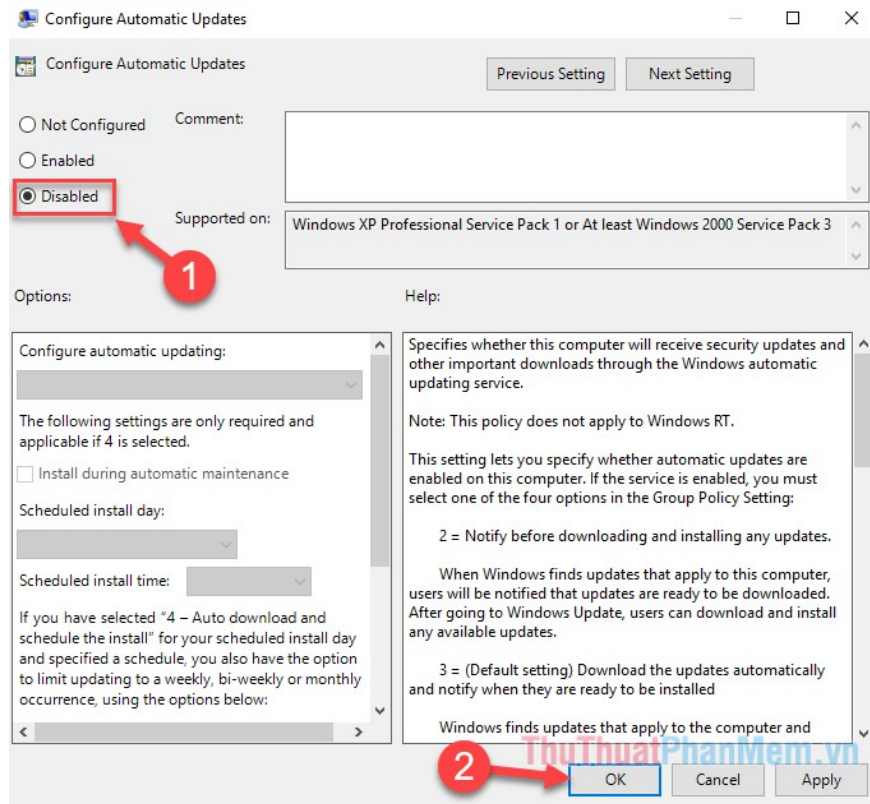

Method 2: Disable update win10 with Group Policy Editor

Step 1 : Press the key combination ' **Windows + R** ', type the command ' **gpedit.msc** ' and select **OK**

Step 2 : In the window that appears, select the steps **Computer Configuration** ? **Administrative Templates** ? **Windows Components** ? and then look for **Windows Update**

Step 3 : Find the section ' **Configure Automatic Update** ' ? click on the file and select ' **Disabled** ' ? select **OK** .

Above are 2 simple but effective ways to Turn off Windows 10 update thoroughly. Hope it helps you avoid unnecessary inconveniences due to self-updating Windows 10. If you have any questions, please comment to **TipsMake.com** to help you solve it. Good luck!
