Step 2: After the installation is completed, remember to restart Google Chrome for the software to work. Then, you proceed to open the Video you need to watch on Youtube and turn on the **Caption** feature of the Video so that the **Two Captions for YouTube & Netflix software** can get the data.

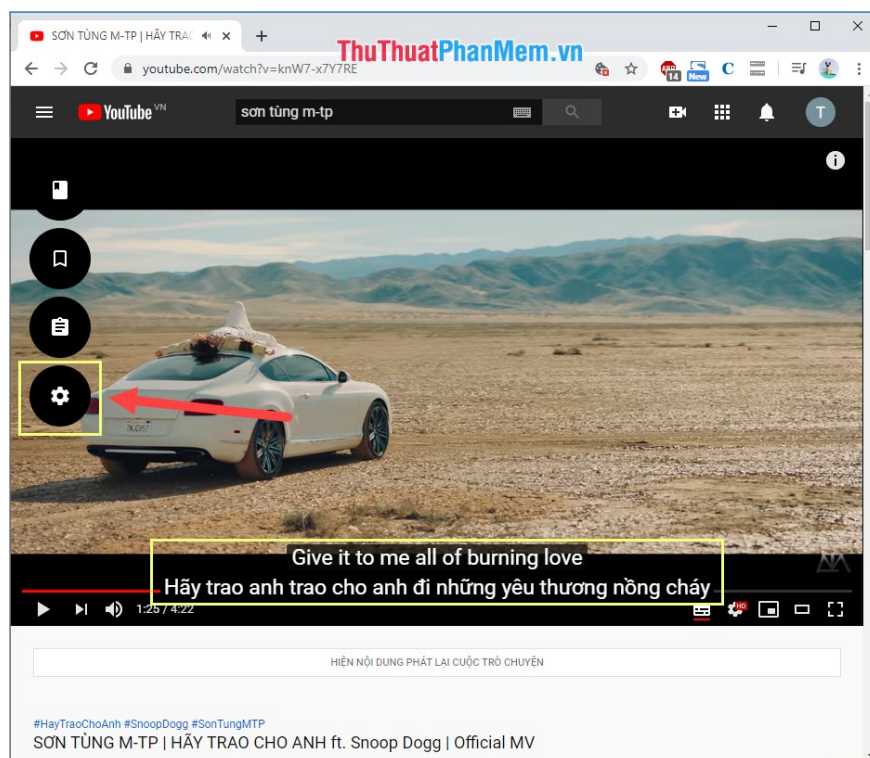

Step 3: When you've turned on the **caption** , click on the **Dual Captions** icon on the **Chrome Taskbar** and turn **On** to use.

Step 4: Next, you choose the language you want to display in parallel with the subtitles already available on Youtube. The number of subtitle languages ??depends on the resources of each Video, with videos that have multiple subtitles, the more subtitles we have.

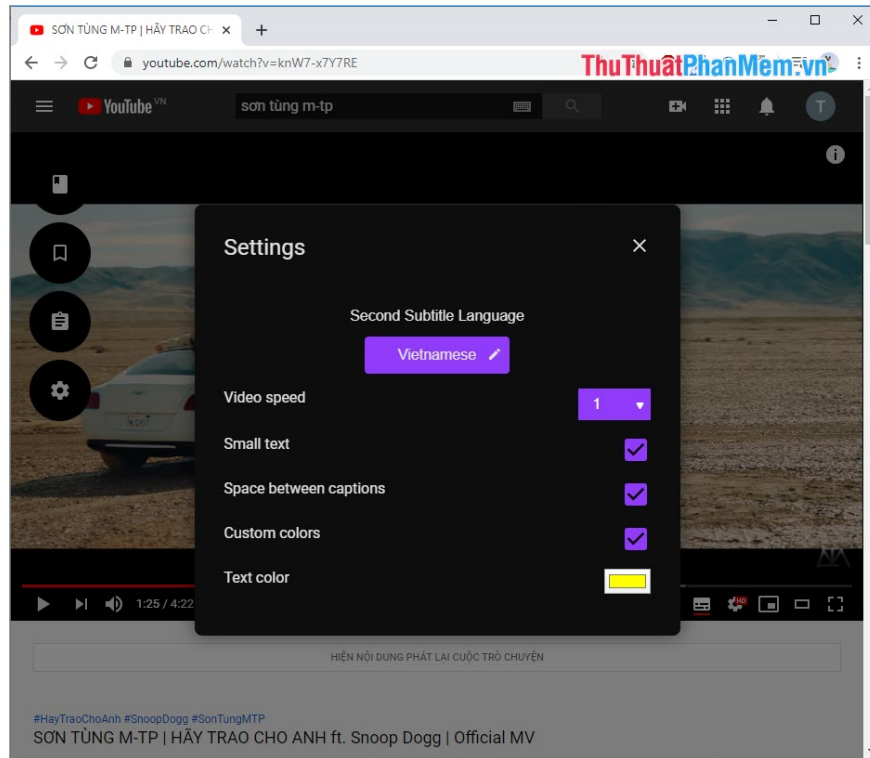

Step 5: Now we have subtitles with 2 different languages ??displayed in parallel. Let's set it up a bit so that it looks better and looks better. You select the **Settings** icon to open the settings.

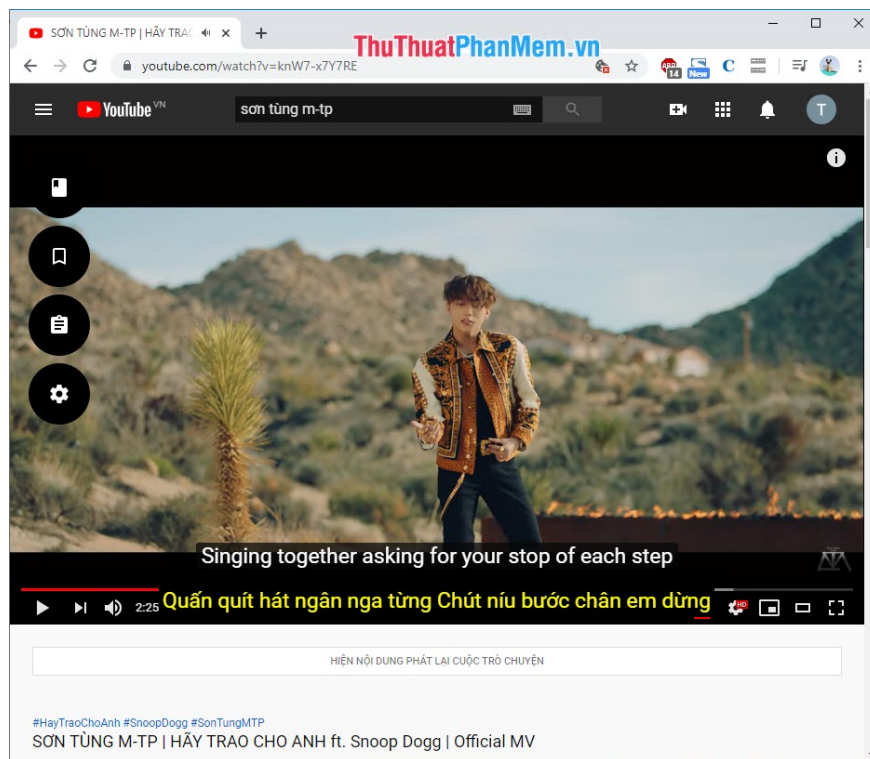

Step 6: Here, you can set some information to display as follows:

1. **Second Subtitle Language:** Second subtitle language

2. **Video Speed:** Speed ??of displaying subtitles by Video
3. **Small text:** Small font size mode
4. **Space between captions:** Space between Captions and closed captions
5. **Custom color:** Set the color for text

And here is our result after the modification is completed.
