

How to turn on lyrics on Spotify

On Spotify, there is support for lyrics with songs that support lyrics. So you can sing karaoke right on Spotify.

The famous Spotify music service is officially available in Vietnam, released on all platforms from computer to phone, enabling you to stream music on many different devices. Spotify brings users a smart music service, with an easy-to-use intuitive interface.

After installing and creating a Spotify account, you can access Spotify to search music for all genres for yourself. In particular, Spotify also offers karaoke features with songs that support lyrics. We can hum along the song and karaoke on Spotify. So how to turn on lyrics on Spotify?

1. How to register for a Spotify account to listen to music online
2. Karaoke software on quality computers
3. How to create lyrics of karaoke songs on Windows

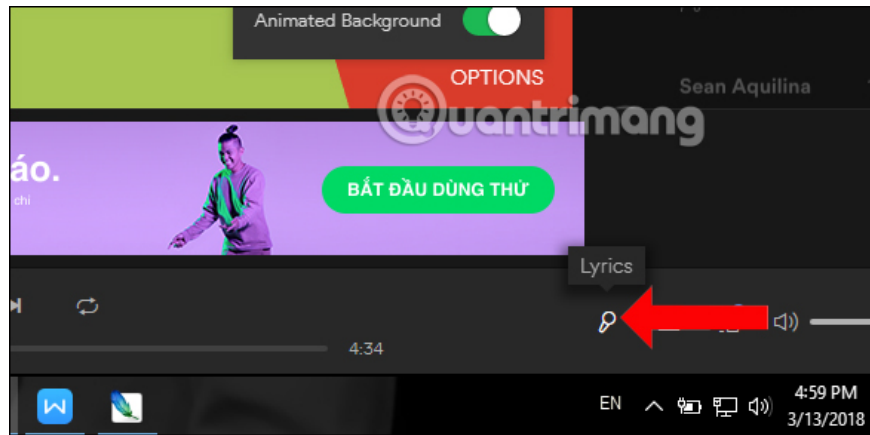

How to turn on lyrics on Spotify

We can turn on the lyrics on Spotify computer or Spotify version on the phone very quickly. **Note** , currently the song lyrics feature only applies to foreign songs, Vietnamese music has not been applied this feature.

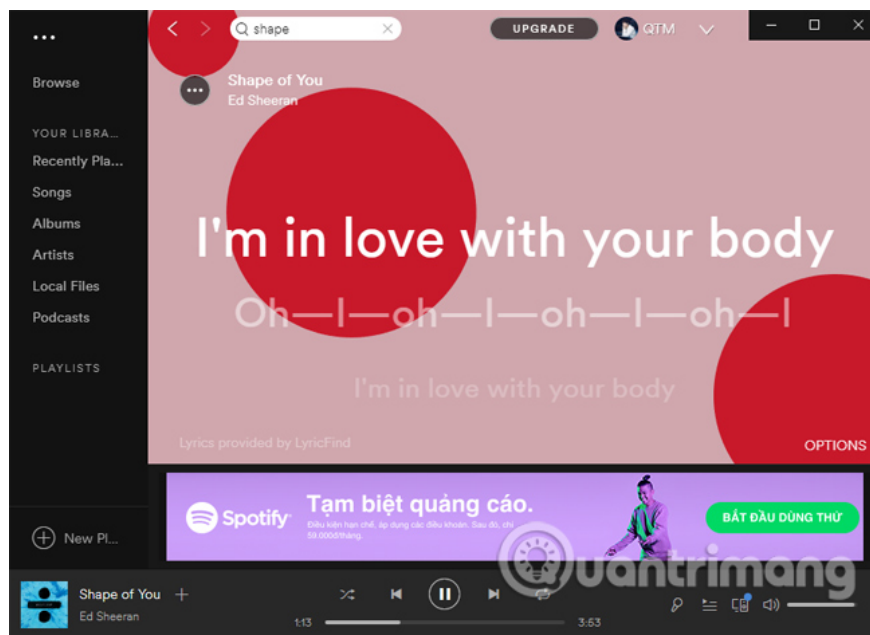

1. Download Spotify on PC
2. Download Spotify on Android
3. Download Spotify on iOS

1. Turn on the lyrics on Spotify PC

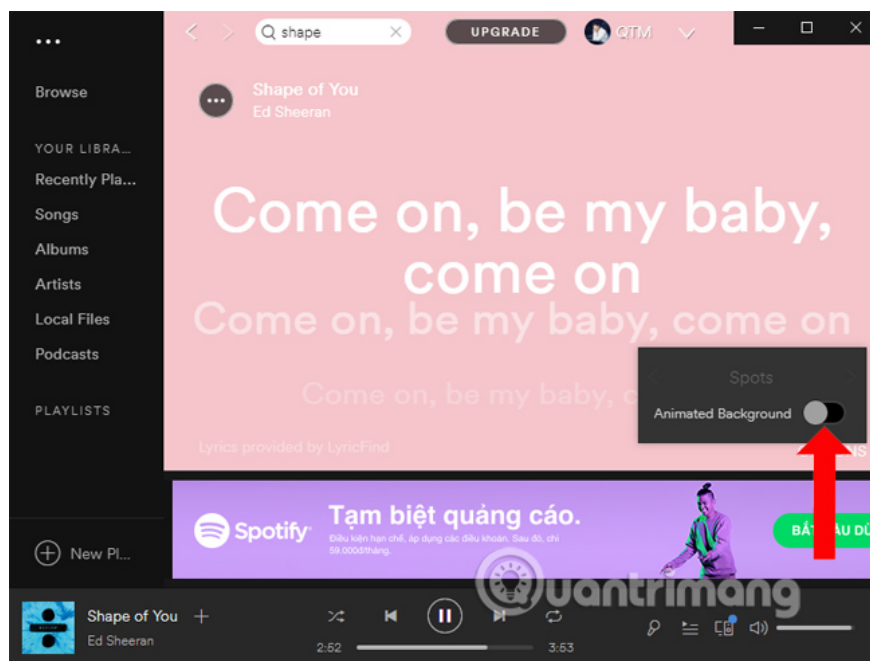

You open the song on Spotify, with songs with lyrics, click on **the microphone icon** below.

Immediately you will see the lyrics appear on the screen attached to the various wallpaper effects. To turn off the lyrics press the microphone icon again.

If the user does not want the visual effect, or wants to change to another effect, click on **Options** . To turn off the effect, slide the horizontal bar to the left at **Animated Background**. To switch to another effect, just click on the arrow on both sides.

2. Turn on Spotify Android, iOS lyrics

Similar to Spotify on a computer, with songs that support the lyrics, it will automatically show up on the Spotify Android, iOS app screen.

You play the song on Spotify and then click the song below the interface to open the song in full screen. After that, we will see the message **Click to see the lyrics** . The lyrics appear shortly after.

So the bar is where I go

Me and my friends at the table
doing shots

Drinking fast and then we talk
slow

Come over and start up a
conversation with just me

And trust me I'll give it a chance
now

Take my hand, stop, put Van the
Man on the jukebox

And then we start to dance, and
now I'm singing like

Girl, you know I want your love
 **Quantrimang**
Your love was handmade for
somebody like me

However, most of the lyrics support mode only applies to English songs, with other songs like Korean music, Japanese music will be displayed depending on the song but in the original language, not transcription. Vietnamese music to support the lyrics on Spotify will surely need to wait in the future.
